Message

Delhi Technological University (DTU) is a premier university committed to quality education, practice-based learning and an innovative mindset. It has a long history of achievements with a profound commitment to both undergraduate and postgraduate education. It gives me immense pleasure to announce the commencement of the BBA program's admission process for the academic year 2021-22 at the University School of Management & Entrepreneurship (USME), East Delhi Campus DTU.

The USME was established at the East Delhi Campus of DTU in 2017, with the programs (undergraduate, postgraduate, and doctoral) to provide global standard education. It is in line with the expanding horizon of professional knowledge in entrepreneurship development and the ever-growing demand for management professionals in the corporate world.

The programmes in the various disciplines of Management, Economics and Innovation, Entrepreneurship and Venture Development, Family Business advanced at USME have been designed with a practice-based orientation. The focus is on experiential learning aimed at participants' entrepreneurial revival and expression, enhancing their creativity, professionalism and management orientation, making them the future leaders.

The programmes emphasise conceptual learning and practice in cutting-edge business and entrepreneurial spaces, including analytics. Our vision is to nurture these future leaders holistically and cultivate a culture of virtues and skills. We truly believe in community service and social impact as the purpose of education.

I extend my best wishes to the students who wish to be a part of this premier University.

University School of Management and Entrepreneurship (USME)

The USME was established in East Delhi campus (EDC) of DTU in the year 2017, to fulfill its mission of offering a portfolio of the highest quality of programs aimed at emerging area such as analytics and venture development, and the creation of an ecosystem for learning, research and practice in management and entrepreneurship. It aims to grow into a nodal centre for entrepreneurship, and to become a multidisciplinary practiseoriented school.

Situated in the East of Delhi, the Campus comprises three disciplines of Management, Economics and Innovation, Entrepreneurship, and Venture Development, with faculty having a background of leading institutions such as IIM Kolkata/Lucknow, IIT Madras/Ropar, JNU, DSE, etc. It houses an ecosystem that is not only multidisciplinary, but multidimensional in its range of activities. There is a network of student entrepreneurs from the MBA Entrepreneurship streams, and ventures (including the DTU-IIF incubates), mentors and professionals, in-house and visiting faculty from premier institutions and industry, and a vibrant student community.

USME not only offers degree programs at the UG, PG and doctoral levels, it has also conducted intense workshops for students such as in Entrepreneurship, Business Strategy, R for Machine Learning, the Start-up Conclave etc. which provide a lot of co-curricular learning. The cultural fest "Traction", including business contests, and many other celebrations of youthful artistic expression, including sixteen clubs in different professional and other interest areas, all lead to a rich extra-curricular life on Campus. These activities have drawn students from across India, including from the IIMs and other premier colleges, and students also participate in many national level festivals and competitions.

Last year, the first USME Internship fair resulted in over three hundred fifty internship offers to undergraduate students. This will be extended to the PG level in this session. The placement of MBA candidates is through the Central DTU Training and Placement Cell, where last year, over fifty companies presented final placement opportunities for MBA, jointly with DSM.

It has added very modern classroom infrastructure and discussion spaces, a state of art library and information center, seminar rooms, and a 200-capacity state of the art Manthan Hall. The Campus students organize various events ranging from cultural fests, talks, business contests, and internship/ final placement fairs, workshops and a lecture series of thought leaders across disciplines.

USME offers the Master of Business Administration (MBA) program, the MBA (Business Analytics), MBA (Family Business & Entrepreneurship), an MBA (Innovation, Entrepreneurship & venture development) programs. At the UG level, the Bachelor of Business Administration (BBA), Bachelor of Arts (BA(H)) in Economics. The Ph.D. programs in Management, Economics and Entrepreneurship/Venture Development disciplines has nineteen scholars at present. There are over one thousand students on the USME Campus at present.

VISION

TRAINING AND PLACEMENT

Placements are one of the most striking features of any B-school and we at Delhi Technological University, are continuously striving to make them better and bring the best companies for our placements each year. Placement assistance is provided by DTU Central Training and Placement Department for MBA from both schools, DSM & USME. The placement process is, like all premier institutions, a student-run affair, working under the guidance of the faculty coordinators. The team of training and placement cell act as an interface between the industry and students, and provides counseling, practical assistance and runs programs, to help develop students in various spheres, so that they can achieve their career-related aspirations. The major activities undertaken by the Placement Teams of both DSM & USME are - corporate interactions, summer & winter internships, and most importantly, the final placements. The center also helps students in getting short-duration industry projects. Industry experts are invited to groom the students according to the industryspecific requirements. The cell organizes career guidance Programmes for all the students from the first semester onwards. To enrich the professional competencies of the students there are activities like personality profiling, mock interviews, group discussions, and business simulations. Along with the placement activities, the cell is collecting feedback from the industry about the performance of students employed and transmitting the same appropriately for corrective actions. The Placement Cell of both DSM and USME understand very well that the final placements and summer internships are the most important landmarks of any student's career and hence, the student coordinators and faculty mentors put in their best so as to achieve the targets and provide what is best for the candidates. The major recruiters from our institute are KPMG Global, TCS, ZS Associates, Motherson Sumi Infotech and Designs, Berger Paints to name a few and there are constant efforts to expand this list.
