Message

It is my immense pleasure to announce that Delhi Technological University is commencing admissions to its various graduate and postgraduate courses for the academic year 2021-22 in May 2021.

Delhi Technological University has a long legacy of honing talent and a home to students who moved on to achieve greatness. Students admitted to DTU through their dedication, discipline and steadfastness can go on to become professionals and impactful leaders. DTU provides them an environment to shape their talent as DTU ensures that every step of a student's journey is designed keeping in mind the holistic development. This is coupled with a diverse range of extra-curricular activities throughout the year, which help students develop various skills to facilitate them throughout their lives.

Over the years, DTU has established itself as a University of unshakeable repute. Hence, getting admission into DTU comes with the added responsibility of keeping the standards high. DTU Alumni have scaled great heights on the national and international stages, and continue to make us proud. The conjoined efforts of relentless students, faculty, administration and the staff have preserved an exceptional environment in DTU that allows persistent exchange of information and upholds the unmatched excellence associated with this University for eight decades.

Every year, DTU produces competent engineers, fully equipped with the knowledge and confidence to go forth and achieve greatness. We believe the incoming batch is yet another example of the same, and will one day change the world for the better.

(Yogesh Singh)
About DELHI TECHNOLOGICAL UNIVERSITY

Delhi Technological University (Formerly known as Delhi College of Engineering) is one of the most well-known engineering institutions of India, with over 80 years of glorious tradition behind it. A non-affiliating, teaching and research University, DTU is poised to create an environment of synergetic partnership between academia and industry. It aims to cause a major departure from the conventional system of education and research and aspires to imbibe a culture of scientific research in its technology disciplines and technology temper in its scientific research and education by providing a seamless environment for integration of science and engineering. The University also endeavours to provide the thrill of a corporate R&D environment with a planned focus on industrially relevant projects and technology incubation. DTU has consistently been ranked among the top engineering institutions of the country in reputed surveys.

Currently, the University offers 17 Full time UG programmes, 21 Full time and Part Time M. Tech. programmes, 05 Full time MBA programmes, 01 Executive MBA weekend programme, 04 M.Sc. programmes and Ph.D. in various disciplines. Further, teachers from various engineering colleges also join University for the doctoral programmes under Quality Improvement Programme (QIP). The University on an average admits 2500 candidates for the Undergraduate Programmes and about 900 candidates for different Postgraduate programmes and Doctoral programmes every year.

The University is located in about 164 acres of natural flora and fauna, DTU is one of the greenest residential campuses in the country. It has added the dimension of research and caused innovations in plenty, which has received high national and international acclaim. The University has the desired autonomy to excel and shape itself as a world class Technological University.

More information about DTU can be accessed at [www.dtu.ac.in](http://www.dtu.ac.in).

VISION

To be a world class university through education, innovation and research for the service of humanity

MISSION

- To establish centres of excellence in emerging areas of science, engineering, technology, management and allied areas.

- To foster an ecosystem for incubation, product development, transfer of technology and entrepreneurship.

- To create environment of collaboration, experimentation, imagination and creativity.

- To develop human potential with analytical abilities, ethics and integrity.

- To provide environment friendly, reasonable and sustainable solutions for local & global needs.
1. M. TECH. PROGRAMMES

The university offers 21 M. Tech programmes in various disciplines of Engineering and Technology as listed below in Table-1A and 1B, respectively.

The Academic curricula are so devised that a student of one discipline can take some courses of other disciplines offering choice based credit system (CBCS). Such flexibility helps a student to develop his core competence together with the interdisciplinary skills in the area of his/her interest.

2. Educational Qualifications and Eligibility Condition for Admissions

The details of the essential qualifications required for different M. Tech. programmes in each programme is given in Annexure-1. Candidates who possess the minimum educational qualifications are eligible to seek admission to these M. Tech programmes. In addition, candidates of General category must have secured at least 60% marks in qualifying degree or equivalent CGPA provided by the concerned Institute/University. In case CGPA or conversion formula has not been provided by the concerned Institute/University, then equivalent CGPA will be computed as per the following:

**Percentage of Marks = 10 X CGPA**

Relaxation in minimum percentage requirement will be granted to candidates belonging to SC/ST/PwD/OBC categories as given in Table 2. The aggregate marks awarded for the qualifying degree will be considered for eligibility.

### 2.1. Full Time Candidates

a. Admission to M. Tech programmes leading to M. Tech degree as given in Table-1A, will be open to the candidates qualified in GATE on the basis of valid GATE score only in the subjects as given in Annexure 1 to prepare the merit list for programmes of a department, except for one branch listed in Table 1B. For this branch, admission will be made on the basis of the merit of the written test conducted by the DTU.

b. The entrance test will be of 60 minutes duration comprising of 40 multiple choice questions. The cut off for the same will be decided by the University.

### 2.2. Part Time Candidates

Note: In view of the ongoing COVID-19 pandemic in the country, the mode of conducting the Admission/Entrance Test shall be one of the following depending upon situation at the time of test:

i. OMR Based Pen-Paper type at DTU Campus.

ii. Computer Based Test at DTU Campus.

iii. AI & Manually proctored Online Examination.

iv. Any other mode as per the situation.

The exact mode of examination shall be posted on the University Website prior to the Admission Test.

c. To resolve and determine inter-se-merit of candidates having same score in DTU Admission Test, following criterion will be used in the stated order of preference:

1. Date of Birth will be considered and the elder candidate will be given preference.

2. In highly unlikely event of candidates having same Date of Birth, then rank will be decided on the basis of marks/CGPA obtained in the qualifying degree.

d. Final year students who will be completing all the requirements of their qualifying examination including back paper(s)/supplementary(ies) before the date of admission may also apply. Such candidates will be required to submit a certificate as per the Performa given in Annexure-4 along with the application form. Such candidates may be admitted provisionally but
they will be required to produce the proof of having passed the qualifying degree with the required percentage of marks or CGPA latest by October 31, 2021, failing which their admission shall be cancelled.

e. Candidates having AMIE/AMIS/AMICHE/AMIIM/Grad IETE, who possess B.Sc. or Diploma in engineering are also eligible to apply for admission to M. Tech. courses.

f. Detailed seat matrix indicating seats in various departments under different categories is available at Annexure-2.

2.2 Full-Time Sponsored Candidates

05 seats (supernumerary) each are available in all the 21 M. Tech. programmes offered by the University subject to the provisions given below:

a. Faculty or Scientists from Educational Institutions, R&D organizations, and Government Department / Public Sector Undertaking / Candidates from industry of high repute and a medium sized enterprise with turnover Rs. 75 crores or above along with standing commitment to the exemplary standards namely ISO/CMM level 3 or similar standard of respective area are eligible for admission to these programmes. All candidates should have a minimum experience of one year as on 31st July, 2021 for admission in August 2021. Minimum qualifications for these candidates is the same as for full time candidates except that the requirement of qualifying in GATE examination is waived off. The selected candidates need to submit the minimum one-year completion employment certificate on 01.09.2021; failing which their admission will be cancelled.

b. Sponsored (full-time) candidate seeking admission to a M. Tech. programme on the basis of study leave, must submit a “Sponsorship certificate” as per Annexure-9 on a proper letter head from the appropriate authority in the organization clearly stating the following:

1. For the period of his/her studies in the programme, the candidate would be treated as on duty with usual salary and allowances, and

2. That he/she will be fully relieved and granted study leave for a minimum period of 02 years.

c. A few candidates are also admitted through Defence Research & Development Organization Schemes, for which the admission procedure is separate. The candidates who meet the above mentioned eligibility conditions, along with the minimum educational qualifications as given in Annexure-1 should contact DRDO authorities for sponsorship.

d. Admission to the Sponsored Full-Time M. Tech programmes (except for DRDO sponsored candidates) will be made on the basis of merit by the respective department from amongst the candidates who have registered online. These candidates in merit list must have fulfilled all the eligibility criteria as specified for that programme.

2.3 Part-Time Candidates (Three years’ duration)

University also offers Part time programme in all the 21 M. Tech. programmes of Engineering and Technology listed in above Table. The number of part time seats are 12-13 in each course subject to the provisions given below. The detailed seat matrix indicating seats in various departments
under different categories is available at Annexure-3.

a. These candidates must satisfy condition 2.2 (a) as for full time sponsored candidates, with the additional requirement that such organizations must be located within the NCR region.

b. Admission to the Part-Time M. Tech. programmes will be made on the basis of merit by the respective department from amongst the candidates who have registered online. These candidates in merit list must have fulfilled all the eligibility criteria as specified for that programme.

c. The part-time students will be required to attend all lectures, tutorials and practical classes for the courses prescribed for them and must satisfy the attendance requirements. The classes for part-time students will be held along with regular students.

d. The status of a part-time student will not be changed from part-time to full-time student.

e. Part-time candidates are required to submit a “No Objection Certification” as per Annexure-10 on a letter head from the appropriate authority in the organization clearly stating the following:

- The candidate is permitted to pursue studies on a part-time basis.
- That his/her official duties permit him/her to devote sufficient time for studies.
- That he/she will not be transferred to any other place during the period of study.

3. Reservation of Seats for Different Categories and Relaxation in Essential Qualifications

Admissions to the PG programmes as mentioned in Annexure-1 will be made on All India basis. The university follows the reservations rules of Govt. of NCT of Delhi. Table 2 given below indicates the percentage of reservations for various categories and relaxation in minimum eligibility conditions as applicable for the academic session 2021-22.

<table>
<thead>
<tr>

The reservations for persons with disabilities will be implemented department wise. Candidates seeking admission must fulfill the eligibility conditions as detailed earlier. The 5% reservation horizontally in seat matrix for persons with disability may be allocated as follows.

Against the seats identified for each disability, of which, one percent each shall be reserved for persons with benchmark disabilities under clauses (a), (b), and (c) and one percent, under clauses (d) and (e).

a. Blindness and low vision;
b. Deaf and hard of hearing;
c. Locomotor disability including cerebral palsy, leprosy cured, dwarfism, acid attack victims and muscular dystrophy;
d. Autism, intellectual disability, specific learning disability and mental illness;
e. Multiple disabilities from amongst persons under clauses (a) to (d) including deaf-blindness.
f. Physically handicapped applicants are permitted 5% marks of equivalent CGPA relaxation in eligibility requirement in line with the policies of Govt. of NCT of Delhi. They will not be allowed any other relaxation beyond this limit even if they belong to SC/ST category.

**Formula for conversion of seats**

If the seats remain vacant in some specific categories, with no waiting list available in that categories, the seats shall be converted as per the details given below on the day of spot round of counselling.

**4. Application Process**

For admission to M. Tech programmes 2021, all candidates need to register and fill the application ONLINE only by accessing [www.dtu.ac.in](http://www.dtu.ac.in) from May 21, 2021 to June 18, 2021. The application process is completed only when a print out of the filled ONLINE application form is taken after paying online the registration fee. The candidate must bring a duly signed copy of the same along with two good quality photo (same as uploaded on online application form) affixed in the appropriate place on the form on the day of counselling.

Candidates, whose final year result is awaited, may also fill the online application form. Once the candidate has registered and paid the registration fees, he/she would be sent a separate link to upload their graduation marks by August 31, 2021.

Candidates are requested to ensure that they must fulfill all such requirements before filling and applying for such programmes as their choices. Incomplete application due to any reason is liable for rejection by the University. In this regard, no communication will be entertained.

**4.1 Application Fee**

The registration fee of Rs.1000/- for Gen/OBC/EWS and Rs.500/- for SC/ST/PwD, is to be paid online through credit/debit card /net banking at the time of registration and choice filling. The registration shall not be complete without the payment of registration fee which is non-refundable and would not be adjusted towards any other fee. A convenience charge (online transaction) will be extra as per banking gateway on every online registration fee payment. **If a candidate wishes to apply for admission in a programme offered by different departments then he/she will have to register separately in that department by paying separate online registration fee.**
4.2 Rules for Seat Allotment

A For M.Tech Full Time Programme

- Merit list will be prepared on the basis of GATE score, except for the one branch listed in Table 1B.
- To resolve and determine inter-se-merit of candidates having same GATE score, following criterion will be used in the stated order of preference.
  1. Candidates having GATE score in 2021 will be given preference over candidates having score of 2019, or 2020.
  2. Candidates having GATE score in 2020 will be given preference over candidates having score of 2019.
  3. If the year of GATE score is same, then preference will be given to that candidate who has obtained higher GATE marks out of 100.
  4. In unlikely event of their GATE marks out 100 and the year of GATE score being the same, then preference will be based on the All India Rank (AIR)
  5. In highly unlikely event of candidates having same GATE Year, GATE marks out of 100, and AIR, then Date of Birth will be considered. Elder candidate will be given preference.
  6. In highly unlikely event of Date of Birth is same, then rank will be decided on the basis of marks/CGPA obtained in the qualifying degree.

B For M.Tech (Part-Time) and M.Tech (Sponsored Full-Time) programmes,

- Merit List shall be prepared on the basis of percentage of marks in the qualifying degree.
In case CGPA or conversion formula has not been provided by the concerned institute/university, then equivalent percentage of marks would be computed as per the following formula:
Percentage of Marks=10 X CGPA
- In highly unlikely event of candidates having same percentage of marks in the qualifying degree, then Date of Birth will be considered. Elder candidate will be given preference.
- In highly unlikely event of candidates having same Date of Birth, then marks in Class-XII will be considered.
- the selected candidates need to submit the minimum one-year completion employment certificate by 01.09.2021.
In case, the candidate fails to submit the one-year completion employment certificate by the above said date, his/her admission will stand cancelled.

4.3 First Round of Admission

a. The list of selected candidates will be displayed for first round of admissions along with first round admission schedule on the university website www.dtu.ac.in and department notice boards. In case some seats remain unfilled then second round of counselling may be conducted.

b. The selected candidates in every round of admission shall deposit the requisite fee online as per the given schedule on the university website and submit Fee Receipt back to the Department. Admission shall not be valid without payment of fee and submitting the fee receipt to the department.

c. The candidates shall have to produce the relevant documents (as notified in Section 6) for verification at the time of admission. If a candidate fails to report for admission on the scheduled date
OR he/she is not able to submit the required documents or fee, he/she shall forfeit his/her claim for admission and the seat shall be offered to the next eligible candidate in the order of merit. Further, the candidate will not be eligible for subsequent rounds.

d. A candidate can send his authorized representative with all the required documents and fee to report for admission in case he is unable to report for admission in person. The authorized representative must come with the duly signed authorization letter.

e. The candidates may freeze their admission in a particular M. Tech. programme by filling up a freezing form and submitting the same in the department concerned as per the schedule displayed on the admission website. All such candidates who have freezed their admission in a particular programme will not be considered for automatic upgradation in other programmes.

f. If a candidate is upgraded to another programme which is offered by a different department then he/she will have to take an NOC from the parent department and deposit the original fee receipt along with the other documents in the new department. He/she will not have to deposit fresh fee for the admission in the new department.

4.4 Second/ subsequent rounds of admission (Subject to availability of seats)

a. A list of seats available for admission during second/spot round of admission will be displayed on the DTU admission website as per the schedule given.

b. The second/ subsequent rounds for all the programmes will be held at the same venue i.e. respective department. No separate communication will be sent in this regard.

c. No admission will be made directly to second or higher semester of any programme.

4.5 DTU is inducting one new M.Tech. Programme- 1. Artificial Intelligence in Department of Computer Science and Engineering. Admissions into this programme will be made strictly on the basis of GATE Score. GATE Fellowship will be made available to the candidates selected for admission in the programme.

4.6 If sufficient number of students are not admitted to any programme, then the University reserves the right to terminate /suspend the respective programme. In case of closure of any programme, admission fee deposited will be refunded, in total, without any deductions.

5. FEE STRUCTURE

The annual fee of the M. Tech programme will have to be deposited online by the candidate at the time of admission on university website. Candidates must note that the admission fee must be paid in single instalment failing which the admission offer will be withdrawn immediately. Waitlisted candidates (if offered admission during counselling) will be given one-day time to deposit the admission fee.

If the admission fee is not paid within the stipulated date, then the offer of admission given to them will be withdrawn automatically and the seat will be offered to the next eligible candidate.
The detailed fee structure is given below:

Note: Candidates are advised to visit DTU website www.dtu.ac.in regularly for notification.

6. Documents Required

Candidates are required to submit the following documents in original along with ONE set of self-attested photocopies of the original documents, two recent passport size photographs, printout of the registration form duly signed by the candidates and annual admission fee receipt paid online on the university website, for the purpose of verification, as and when the restrictions for COVID-19 are lifted and students start reporting physically in University. The original documents will be returned to the students after verification. Candidates are advised to visit University website regularly for notification in this regard.

a. Date of Birth proof
b. All mark sheets and certificate of qualifying examination (Graduation).
c. If result for final semester is not declared, then candidate will be required to submit an Undertaking as per format placed at Annexure-4.
d. SC/ST/OBC/Persons with disability Certificate(s) whichever applicable, on the basis of which reservation is claimed.
e. OBC (NCL) candidates are required to produce a caste certificate issued after March 31, 2021 from the authorities as mentioned in Annexure-5. However, if the certificate is issued prior to March 31, 2021, it must be accompanied with an additional certificate regarding the present non-creamy layer status of the candidate, issued by the same competent authority. This additional certificate must have reference of his / her already issued original caste certificate.
f. Candidates applying for admission to seat reserved for Differently Abled Person (PwD) sub-category, the candidate must produce the certificates in original at the time of document verification as per Annexure-6.
g. EWS Income and Asset certificate issued by the Competent Authority (For those who have applied for M. Tech admission under EWS category) as per Annexure-7.
h. The candidates seeking admission under Kashmir Migrants (KM) seats must produce the following documents, in original, at the time of document verification:
   1. Certificate of registration as Kashmiri Migrants issued by the Relief Commissioner, Jammu or Divisional Commissioner, Delhi to establish the status of the applicant as registered migrants as per Annexure-8.
i. Valid GATE Score Card in Original for full time candidates.
j. Experience Certificate (Original), for part time and full time sponsored candidates
k. Sponsorship certificate in the prescribed format by Full-time sponsored candidates as per Annexure-9.
l. A 'No objection Certificate' for Part-time candidates as per Annexure-10.
M.Tech Industrial Biotechnology (IBT)
Department of Biotechnology

1. Molecules and their Interaction Relevant to Biology: Structure and functions of biomolecules; Carbohydrates; Fatty acids; Lipids; Amino acids; Proteins; Nucleic acids – DNA, mRNA, tRNA, rRNA; Hormones; Vitamins; Enzymes; Bioenergetics; Cell metabolism; Protein-protein and protein-DNA interactions

2. Cellular Organization: Cell theory; Cell as basic unit of life; Hierarchy of cell organization; Structure and organization of prokaryotic and eukaryotic cells; Structure and function of cell organelles; Biomembranes; Cytoskeletal elements; Chromosome structure; Karyotype; Chromatin organization

3. Fundamental Processes: Photosynthesis; Cellular respiration; Movement through cell membrane; Nutrition; Blood clotting; Human physiological systems; Replication; Transcription; Translation; DNA repair mechanisms; Plant physiology; Bacterial growth; Microbial genetics, Secondary metabolites

4. Cell Communication and Cell Signaling: Tight, adherens and communicating cell junctions; Cell adhesion molecules; Cadherins and Integrins; Extracellular matrix; Cell cycle; Basics of cancer; Basics of cell signaling; Major signaling pathways

5. Developmental Biology and Evolution: Stages of development; Mechanism of differentiation; Germ layers; Potency; Morphogenetic movements; Early and late development in model organisms; Cell division; Gametogenesis and fertilization in animals and flowering plants; Embryology; Seed germination; Dormancy; Evolution and natural selection; Mendel's law of heredity; Evidences of DNA as genetic information carrier; Hardy-Weinberg law; Extra-chromosomal inheritance; Sex-linked inheritance in humans; Mutations

6. Plant and Animal Biotechnology: Plant tissue culture techniques; Totipotency; Organogenesis and Somatic embryogenesis; Suspension culture; Protoplast isolation and somatic hybridization; Production of secondary metabolites; Basic techniques in animal cell and organ culture; Bioreactors for large scale culture of animal cells; Stem cells; Transgenicsplants and animals

7. Immunology and Vaccines: Immunity; Antigen; Structure of antibody; Hapten; Antigen-antibody interaction; Introduction to antigen presentation; Role of MHC; Complement system; Bacterial diseases of humans; Types of vaccines; Immunization; Recombinant vaccines

8. Diversity of Life Forms: General characteristics of life forms; General characteristics of bacteria, fungi, algae, Microbial growth curve; plant and animal viruses; Classification of plant and animal kingdom

9. Ecological Principles and Environmental Biology: Ecosystem; Ecological relationships; Habitat and niche; Ecology of ecosystems; Air, water and soil pollution; Green house effect and global warming; Noise pollution; Pollution abatement; Waste water treatment; Disposal of solid wastes; Biogeochemical cycles of elements; Bioremediation; Bioleaching; Biopesticides; Biofertilizers

10. Applied Biology: Basics of fermentation technology; Microbes in industry; Biosensors; Biofuels; Principles of gene cloning; Methods of gene transfer; Application of biology in agriculture, health, industry and environment sectors

11. Methods in Biology: Basics of Centrifugation; Electrophoresis; Chromatography; Microscopy; UV-Visible spectrophotometry; Radiotracer technique; PCR; DNA sequencing; Southern blotting; Tests of significance; Analysis of variation; Correlation and regression; Hybridoma technology; Basic techniques in bioinformatics

12. Inheritance Biology: Mendelian principles, Extensions of Mendelian principles, Gene mapping methods, Extra chromosomal inheritance, Human genetics, Mutations, Structural and numerical alterations of chromosomes
Details of the eligibility conditions and qualifying degree requirements.

Assistantship as per AICTE norms will be awarded to candidates for the duration of the programmes i.e. two years to the full time students for M. Tech within the sanctioned intake excluding the one branch listed in Table 1B which are marked as * here.
