## INTRODUCTION

Delhi Technological University has completed 79 years – with a deep sense of satisfaction and pride over its record of contributions, achievements and recognition received. As a young and vibrant Institution, it has introspected over the past and embarked on the pursuit of its vision of becoming the leading world class university in the emerging areas of science, engineering, technology, management and allied areas and playing its role as a key node in national and global knowledge network thus empowering India with the wings of knowledge and power of innovations and has the mission to promote the Engineering Spirit of product development through effective integration of design, engineering and rapid prototyping.

In the growth of any Institution, along with Government, the members of the society play an important role. They contribute in several ways like donating to University donation and contribution fund, University Corpus Fund, by instituting medals and scholarships for meritorious and needy students. DTU has the tradition of getting such support from its alumni, faculty and others which has been highly appreciated. Recently the University has formalized this by crafting guidelines for this very purpose.

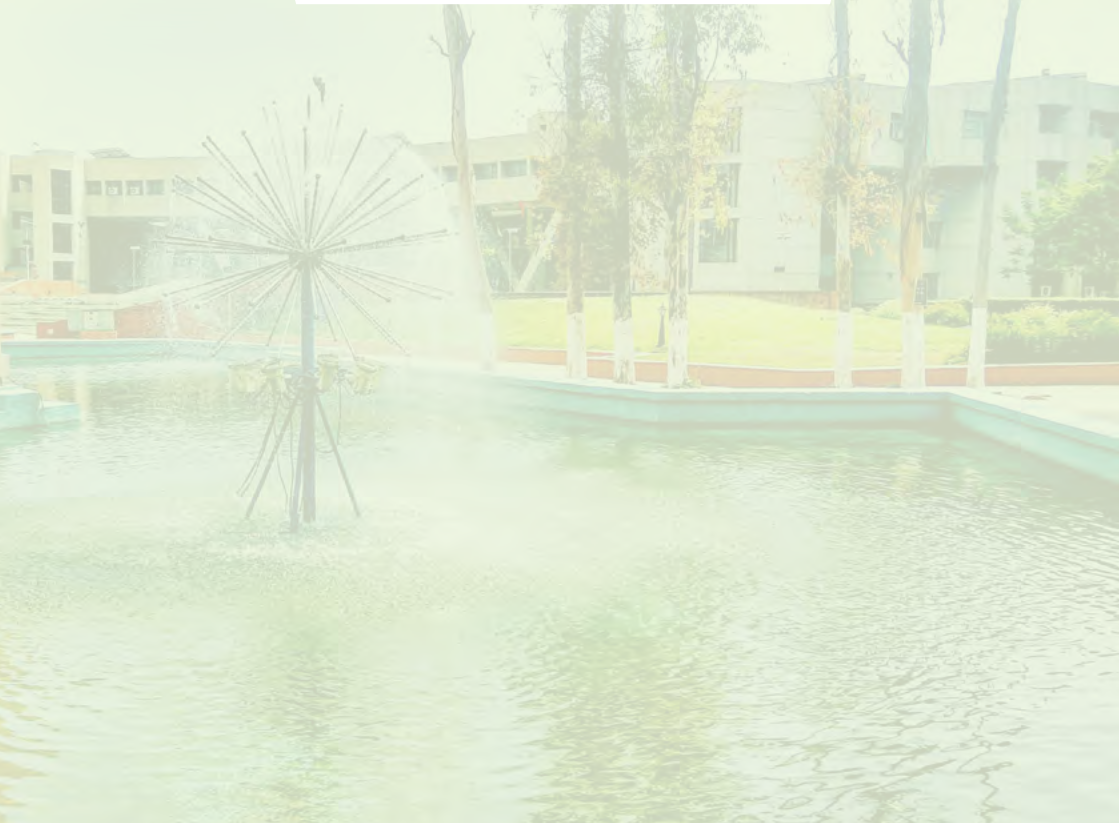

We take this opportunity to

# GUIDELINES FOR DELHI TECHNOLOGICAL UNIVERSITY CORPUS FUND

Higher education including Technical Education in India is mainly funded by the government through Grant in Aid or budgetary support. With the expansion of higher education as well as to improve the quality of education through better infrastructure and other facilities the fund requirements in future will increase. The world over, including India, many institutions have established the Corpus Fund in order to generate funding from sources other than GIA and also to meet the needs of funds of the university.

Therefore, building of a corpus fund is important, in order to ensure smooth sustenance of university. Though, core activities of the university will continue with the help of University Generated Fund, Grant-in-Aid from Government, creation of corpus fund is envisaged by Delhi Technological University Act 2009 for specific purpose and it will be generated from different sources. Delhi Technological University Corpus Fund may involve contributions from alumni, parents businesses, Corporates, professionals, and friends in building up a strong financial base for the purpose of extending support to young talents to achieve their dreams without any financial constraints.

## **A Objectives of the Fund**

1. To enlarge the resource base by mobilizing participation of society
2. To evolve a process for the participation of Society in the University development
3. To develop the best human resource for teaching and research activities in the University
4. To create research infrastructure
5. To support in enhancing healthy and motivating environment in the University
6. To create and modernize facilities in the University

## **B Sources**

University may mobilize such external resources through

- (a) Conferences, Seminars, Faculty Development Programs
- (b) Consultancy, Projects, Patents
- (c) Industrial/business Houses, Cooperatives, Professional Associations
- (d) Alumni, Parent and society

## C Utilisation

The university may utilize the Corpus Fund on the following items:-

1. Construction, Renovation of existing buildings and land scaping.
2. Purchase of equipment, books, journals etc.
3. Enhancing facilities for students and staff
4. Establishment & Modernization of laboratories and research centers.
5. Funding research projects patents, innovation, incubation, entrepreneurship and research centers etc.
6. Establishment of Chairs
7. Scholarship/Funding
  - a) For meritorious students for innovative entrepreneurship
  - b) For research and higher studies
  - c) For innovative projects
  - d) For enhancing incubation facility
  - e) For Research and/or Teaching Assistantship
8. Any other purpose in the interest of University with the approval of BOM.

The Cheque/Draft may be issued in the name of "DTU-Corpus Fund A/C "A/C No.: 31007877869 in SBI, Delhi College of Engineering Branch. IFSC: SBIN0010446. The fund transfer may also be made online with an intimation to DTU. For details visit: [www.dtu.ac.in](http://www.dtu.ac.in).
