

Department of Applied Mathematics

Delhi Technological University, Delhi

Organizes

an

International Invited Lecture

By

Dr. Dietmar Oelz

School of Mathematics & Physics,
The University of Queensland, Brisbane,
Australia

Title of Talk: **Patterns in mathematical models for
epithelial cell migration and actin filament turnover -
mathematical and computational analysis**

Date: 10th June, 2025

Time: 11:30 am

**Venue: Room no. 116, 1st Floor, Dept. of Applied Mathematics
(AB-3 Building), DTU**

Chairman: Prof. Ramesh Srivastava, HOD (AM)

Coordinator: Dr. Vivek Kumar Aggarwal

Coordinator: Dr. Nilam
