Dr. Aruna Bhat
Associate Professor
Department of Computer Science & Engineering

Qualifications
B.Tech, M.Tech, Ph.D

Specialization
Machine Learning and Pattern Recognition, Campus Incubators

Areas of Interest
Machine Learning Pattern Recognition, Cyber Security & Forensics, Entrepreneurship Cells in Campuses

Teaching Interest
Artificial Intelligence, Business Intelligence, Pattern Classification, Cyber Security & Forensics, Software Engineering, Database Management Systems, Algorithm Analysis and Design, Programming

Dr. Aruna Bhat has been associated with Delhi Technological University (erstwhile Delhi College of Engineering) as an Associate Professor in the Department of Computer Science Engineering since 2018. She was working with Indira Gandhi Delhi Technical University for Women as Assistant Professor in the Department of Information Technology. Prior to that she worked with TATA Consultancy Services as a Software Consultant. She did B.Tech and M.Tech from Indraprastha University, New Delhi. She has done her doctorate from IIT Delhi in the area of Robust Face Recognition. She has been a part of the prestigious International Visitor Leadership Programme (IVLP) conducted by the U.S. Department of State's, Bureau of Educational and Cultural Affairs.
