How important a plan is? I have also some goals but
success rate is not too much. Should I do coding as
a plan & then my work is

11 AE Apna 11:31 PM
No, do you ever face situations when the business
started stalling? If you, what caused the start and
how did you overcome it?

EC-262 Yash Jaisi 11:31 PM
What was the USP that set you apart from
competitors in initial days. Are you already had some
complaints offering healthy products and
experimenting with this model?

3K20_EC_260 GAN/VAASU SUREJA 11:31 PM
What growth strategy you in a pre-launch offering
like an on-boarder to my startup?

EC-238 Vansh Singh 11:31 PM
I have found a lot of people asking which is the
proper skill to be an entrepreneur or to start up
is that how that you must start with some kind of
skill sets.
And I'm just, what are those skills?
