

About the Workshop

The broad theme of the workshop shall be “**Professional Excellence through Values, Meditation and Self-Management**”. In today’s world, when values are losing its relevance, it is very important to make the highlight the relevance of values. The true worth of a person is only achieved when the value system is practiced.

Values-based Education has a positive effect on people and on their behaviour. It is a philosophy to inculcate values in teaching leading to a strong human being and a robust learning environment. This will lead to holistic development and true growth of human intellect.

Theme of the Workshop

The main theme of the workshop is “**Professional Excellence through Values, Meditation and Self-Management**”.

About the University

"75 years of Tradition of excellence in Engineering & Technology Education, Research and Innovations" Delhi College of Engineering, (initially established with the name – Delhi Polytechnic) came into existence in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The erstwhile DCE has functioned from its historic Kashmere Gate Campus for almost 55 years and has shifted in 1996 to its lush green sprawling campus of 164 Acres at Bawana Road, Rohini, Delhi. Its shifting to new campus has added the dimension of research and caused innovations in plenty, which has received high national and international acclaim.

As a Delhi Technological University, it has the desired autonomy to excel and shape itself as a world class Technological University.
