**DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
DELHI TECHNOLOGICAL UNIVERSITY
DELHI**

NOTICE

Prime Minister's Fellowship for Doctoral Research scheme is a prestigious initiative of Science and Engineering Research Board, Department of Science & Technology, Government of India towards the advancement of university research engagements in line with industry requirement. The scheme encourages full time PhD scholars to pursue research in "focus areas" identified by industries as well as of national priorities. Federation of Indian Chambers of Commerce & Industry (FICCI) on behalf of SERB implements the scheme.

FICCI is organizing an awareness workshop at ECE department on **24th Feb 2020 at Pragyan Hall from 2PM -5PM**. FICCI representatives shall present the details of the PM Fellowship and answer the queries of the attending audience. The program will be followed by High- Tea.

The M.Tech second year students(MOCE, VLSI& SPDD) and PhD first year students are encouraged to register for the same.

All the interested students are required to do online registration for this workshop and attend the same. For registration, the link is as follows:

<https://ficci-beta.info/surveyPmfellowship/index.php>

All the participants are required to be present there at 1.30 PM sharp.
