Bhawana, N. Delhi

Subject : Request for Impact Analysis of the project- "Training of Women in Delhi for creating women Entrepreneurs/Data Entry operators - reg

Respected Sir,

It is informed that the NIELIT, Delhi Centre is executing the above mentioned project. The project has been approved and funded by Department of Electronics and IT, Ministry of Communication and Information Technology, Govt. of India, New Delhi. The objective of the project is to promote IT literacy among women of Delhi and to create women entrepreneurs. The project started in November, 2013 and the expected closure of the project is on February, 2015.

About the Project:

Objective of the project: The main focus of the project is

- to make women of Delhi(in low income group) IT literate in order to promote digital literacy mission among women .
- to enable the women of Delhi sufficiently capable of using IT/ Internet facilities for day to day activities like e-payment of bills, ticket booking etc.
- for making the women employable thereby not only promoting their own economic status but promoting the economic status of the whole family.(Undergraduate women are taught to operate as Computer Operators/Data Entry Operators so that they can be employed in various small business houses . Govt/private organizations)

Expected Outcomes of the Project:

- 1900 women (with qualification minimum 8th) are to be trained over a period of two years in basic e-literacy programme and would benefit in terms of awareness in IT, security issues, schemes benefitting women
- 700 undergraduate women are to be trained over a period of two years as Data Entry operators .

Beneficiaries of the project: The beneficiaries under this project are women having annual family income less than Rs.5 lacs.

Courses Details: Under this scheme, two courses are being run as mentioned below: (The said courses are recognized courses in India and abroad)

1. Office Automation and General Awareness (NIELIT BCC Curriculum)
2. Office Automation and Data Entry and Introduction to Tally (NIELIT CCC Curriculum).

1/c
Duration: 6 weeks (2 hrs. a day)

Contents: Computer Fundamentals, MS-Word, MS-Excel, MS-Powerpoint, Network Basics, Internet, Awareness to female candidates about the schemes available, safety issues

Eligibility: Females with minimum 8th Qualification and family income less than 5 lacs are eligible

Office Automation and Data Entry and Introduction to Tally

Duration: 12 weeks (2 hrs. a day)

Contents: Computer Fundamentals, MS-Word, MS-Excel, MS-PowerPoint, Network Basics, Internet, Introduction to Tally, Typing on Computer

Eligibility: Females with minimum 12th Qualification and family income less than 5 lacs are eligible

Locations of the Training:

The main aim of this project is to cater to the women candidates of resettlement colonies. NIELIT

Delhi centre has setup ICT labs across Delhi which are in the reach of such candidates.

Department of Women and Child Development, GNCTD (DWCD) has collaborated with NIELIT for providing free space in five of its work centres which cater to the above mentioned requirement.

The location of the training are as mentioned below:

1. Working Women Centre
F-Block, Near Vivekanand Dispensary, Mangolpuri (Sultanpuri),
Delhi-110083
2. Working Women Centre
F-Block, Behind Samrat Cinema, Shakurpur, Delhi-110034
3. Working Women Centre
A-Block, Scooter Wali Gali, Jahangirpuri, Delhi-110033
4. Working Women Centre
Sarkar Ashram, Opp. GTB Hospital, Dilshad Garden, Delhi
5. Working Women Centre
D-II, Community Centre, Near Bhumia Mandir, Madangir, Delhi-110062

Currently 1966 candidates have already been trained under the said project.

As per requirement of the DeitY, the Impact Analysis of the project has to be carried out and an Impact Assessment Report is to be submitted. It is required that a report be prepared by a third party showing the impact of the project on the society and whether women of Delhi City in low income group have been able to get benefit from the current scheme. The report of the same is to be submitted by the end of the project i.e. February, 2015

You are requested to send your Proposal (including Financial aspect and methodology to be adopted for carrying out the Impact Analysis) for the said project. In case of any query you are requested to contact undersigned or Ms. Sheetal Chopra (Training Officer), Mobile-+91-9650054449.

Thanking you,

Yours sincerely,
