Notice for PhD Students

Prime Minister's Fellowship for Doctoral Research scheme is a prestigious initiative of Science and Engineering Research Board, Department of Science & Technology, Government of India towards the advancement of university research engagements in line with industry requirement. The scheme encourages full time PhD scholars to pursue research in "focus areas" identified by industries as well as of national priorities. Federation of Indian Chambers of Commerce & Industry (FICCI) on behalf of SERB implements the scheme.

FCCI is organizing an awareness workshop at ECE department on 24th Feb 2020. FICCI representation shall present the details of the PM Fellowship and answer queries for the attending audience.

The seats for this workshop are limited. So PhD scholars of DTU are required to do the registration through the following link by 20th Feb 2020.

For registration, you can share the link <https://ficci-beta.info/surveyPmfellowship/index.php> with the participants to register online.

The final list will be displayed on 21st Feb 2020.
