**Subject: Medium of Instructions**

It has been brought to the notice of Vice Chancellor that some of the faculty members impart instructions to students in Hindi due to which many students specially the International Students are not able to cope up with the course contents. Moreover, it is pertinent that the Medium of Instructions for all programmes offered by the University is English only.

Therefore, all the faculty members are requested to teach all courses in English medium so as to ensure effective teaching-learning process among all the students.
