NOTICE

The representations received from the researchers of the university after the release of the tentative list of research excellence awards 2021 requesting to consider IET for the inclusion in the award. The representations were submitted to Hon'ble Vice Chancellor and following decisions has been taken: -

1. The present case of IET publication is different on the following grounds
 - a. The year under consideration (i.e., 2020) is year 2020 in which publisher was not asking for any payment. The revised policy of journal has been implemented w.e.f January 1st, 2021. Hence, in 2020, new policy was not applicable and journal(s) published by IET followed the previous policy of non-payment.
 - b. There was no change in policy during the year under consideration.
2. Keeping in view the above, IET publications are allowed only for year 2020. New policy will make this publisher ineligible for consideration of award since 2021 onwards.
3. If publisher will change the policy, such journals be considered as per DTU policy of research awards.
