NOTICE FOR SELECTION OF USIP INTERNS

Delhi Technological University has launched **University Student Internship Program (USIP)** to engage DTU students in various activities of the university in December 2016. The impetus of the program is to provide opportunity to expose students to real life environment and to help university in improving processes and activities undertaken time to time. The interns have to contribute towards various portfolios like: report and documentation preparation, data analysis, coordination and networking, preparation of speech and creative writing, website preparation management, operations and monitoring of gadgets/appliances, event management, etc.

The university has also launched the **DTU- Innovation and Incubation Foundation (DTU-IIF)** program within DTU Campus. The impetus of the program is to provide opportunity to expose students to real time projects and novel innovations to bridge the gap between Industry and Academia. This also helps university in improving processes and activities undertaken time to time. The USIP interns for startup companies incubated at DTU-IIF have to contribute towards various portfolios like: Content writing, Social Media Marketing, Graphic Designer, Electronics Engineer, Human Resource, Product Research & Dev., 3D Animator, Mech. Design & Siml., Backend Dev., Flutter Dev., UI Design, BioTech Research, Marketing and Research, ML AI Programmer, Content Creator, Front End Dev., Full Stack Dev., Embedded Soft., Android Dev., Web Dev., React JS Dev..

The University has also launched the project **Lab on Wheels** under **Centre for Extension and Field Outreach (OEA)**. The Lab on Wheels is a customized bus and house 16 computers, two big size TVs, one 3D Printer, ACs, Cameras and one common use printer. It is expected that USIP interns in this project shall empower under privileged and diversified sections of the society to enhance their educational standard, digital literacy and learning skills by teaching them such as Basic Computer Course (BCC) and Basic Python Programming (BPP).

The student interns are required to work for minimum eight hours a week including weekends and holidays, and will be paid Rs. 3500/- per month on successful completion.

It is now planned to select interns for next round tentatively in first or second week of August, 2025.

The interns are expected to work in OFFLINE mode ONLY, so only those who are really interested and can report to DTU campus, need to apply. All the interested students are required to fill in the online form for anyone of the above three at the link:

<https://forms.gle/ZZk7m57y2S6eq6az7>

The last date for submitting the form is 01/08/2025, Friday, 05:00 PM. Shortlisted applicants will be informed through notice on DTU website. The applicants are required to see the university website for further updates.

The students who have applied/deployed/selected earlier in USIP need to apply afresh.
