I am pleased to learn that Delhi Technological University (DTU) is organizing its eighth Convocation on 24th December, 2021. I take this opportunity to congratulate all the students who are being conferred with Degrees by the University for their academic achievements.

Today DTU is rated as one of the leading Universities in the country offering technical education across 16 different specialties. During the COVID pandemic the University successfully introduced and implemented the online teaching and learning pedagogies with excellent outcomes. The alumni of this University have done exceedingly well in various realms of the economy and society and I am sure that the batch of 2021 will join their ranks and use their learnings to empower fellow citizens.

I extend my heartiest congratulations to the graduating students and wish them the very best in their future endeavours.

MESSAGE

I am immensely proud of Delhi Technological University as it marks another year at the pinnacle of scholastic success by conducting its eighth convocation ceremony. It is an honour to congratulate all the students who are part of this celebration and acknowledge their contributions in the University's historic rise.

Delhi Technological University holds a special place in my heart because of its zealous efforts, progressive vision, and its ability to imbue in its graduates the virtues that will come to define tomorrow's world. As exemplified by the alumni of this institution who have played instrumental roles in shaping society's narrative, these virtues will act as a guiding light for all the graduates of this University as they embark on a search for their true purpose.

After learning of the accomplishments of the batch of 2021, I am confident that the graduates of this institution will follow suit and go on to realise their true purpose and potential in the journey that they embark on today. It is time for them to ascend to their positions as benefactors of the populace and embody the values and morals that are the core tenets of this institution's philosophy.

I would like to convey my heartfelt wishes to all the graduating students and bid them farewell as they start a new chapter in their lives.

MESSAGE

It gives me immense pleasure to know that Delhi Technological University (DTU) is going to organize the 9th Annual Convocation ceremony of its fresh batch of graduands.

I feel happy to know that another batch of fresh and newly educated graduates have been added to the knowledge pool of this world by this premier engineering institution. This moment has the brightest flame in all the year and I hope that it continues forever among the beautiful gathering we have with us today.

As much as I feel happy to see the beaming faces of our graduates today, it is ever more important to remind our degree holders to learn to give back to the society, bring glory to the alma mater and add significantly to the development of the nation. The society has huge expectations from this passing batch as we have all seen the worst of pandemic and the best of India's efforts to recover from it. They must show a clear awareness of their powerful heritage, learning wisdom and collective duties and employ these for the betterment of society.

I extend my best wishes to the students of batch of 2021-22 on their achievements and hope that they shall achieve the best of their dreams in future.

Message from Cheif Guest

Prof. Sanjay Govind Dhande

Former Director, IIT Kanpur

On this memorable occasion of the Ninth Convocation of Delhi Technological University, I would like to congratulate the graduating batch of 2021-22.

My heartiest congratulations to the parents who are sharing in the happiness of their children and to the alma mater which has embraced a new line of knowledge enthusiasts today. I believe that DTU has grown from strength to strength with its treasuries of trust, values and skills-all of which have created this reputed brand in the world of education.

The future belongs to those who can identify the hidden opportunities in adversity. I shall like to appeal to the graduating students to never lose heart in testing situations. Also, they must lead a mindful life so that they can achieve peace, health and happiness in their minds and bodies.

With hopes and prayers of radiant success for the students, once again I congratulate everyone present here.

My heartiest congratulations to Delhi Technological University, all its stakeholders, students and faculty for organizing its eighth convocation. Enabled by its contemporary thinking and conscientious effort, DTU has served as an epitome of excellence for more that eight decades. Having witnessed the achievements of this batch, I am sanguine that the batch of 2021 is capable of shouldering the weight of this legacy and taking it ahead.

The department of education has closely noted the pedagogy of this institution, and it brings me immense pleasure to say that the university's teaching philosophy is a source of pride for not just the state but also the country. The emphasis on application of theoretical concepts and discouragement of rote learning has produced students who are not bound to the confines of their books or lecture materials, but are free to experiment, to use their education for the welfare of others and contribute to the upliftment of the members of society. It is this philosophy that I see reflected in the students of this batch, and it is this very philosophy that has helped them persevere through the pandemic. Even in the face of adversity, the students of this institution put their learnings to good use and dreamt up solutions to help the millions suffering all over the country.

I wish the outgoing batch the very best of luck for their future endeavours and hope that they will give back to the society that has gifted them so much.

MESSAGE

Many congratulations to the glorious batch of 2021-22 who have nurtured their aspirations of a worthy education in the campus of DTU. I am overwhelmed by their resounding success despite the frequent challenges of online and offline education in the last two years of their learning journey.

My heart is warmed by the efforts of the faculty, administration and staff who have created the environment for these aspiring buds to grow in all beautiful colours and directions. I would like to pay my respect to the combined efforts of all the stakeholders who have made it possible for us to see this day.

I want our students to visualise this moment as a reminder that they were never lonely in their endeavours and they shall always be close to our hearts. Their alma mater shall eagerly wait for their future visits, success stories and contributions made to the progress of humanity.

I wish you all good luck and my prayers shall be with each one of them.

Convocation Address

by

PROF. SANJAY GOVIND DHANDE

Former Director, IIT Kanpur

Hon'ble Lieutenant Governor of Delhi, Shri Vinai Kumar Saxena Ji; Hon'ble Vice Chancellor of DTU, Prof. J.P Saini; Special Guests of the Function, Deans, Heads of Departments, members of the administration, faculty members, staff members, distinguished invitees, graduating students and their proud parents, friends from media, ladies and gentlemen. It is an honour for me to address you all on the 9th Convocation of the Delhi Technological University.

I heartily congratulate all the graduating students and their parents on this graduation day. As you graduate today, I am sure you all are going through a lot of emotions- happiness, anticipation and possibly a little bit of anxiety because of the multitude of professional options available for you to pursue.

You all must be proud that the Delhi Technological University has been committed to quality education and has a legacy of producing great engineers, researchers and entrepreneurs for the last 81 years.

I am delighted to see that, over the years, Delhi Technological University has grown to be an eminent institute in the domains of academia as well as

research. DTU has been ranked as the 8th best institution in the India Today rankings; as the 35th best Engineering Institution in the country and the 38th best University in India according to the NIRF rankings. It makes me proud to share with you that at the international level, DTU has been ranked in the 601-800 bracket in the Times Higher Education World University Rankings. The Emerging Economy ranking (2022) has ranked DTU at the 191th place in the world. Moreover, DTU has secured the first place in the Times Engineering's Top 170 Engineering Institutes in India, 2022. DTU has been ranked 149th in the Asia University Rankings, 2022. In addition, the University has exhibited an unparalleled placement record over the last many years. For the 2021-22 batch, 394 companies visited the campus and offered 2434 jobs to the students. The highest international package offered was Rs. 1.84 crore/annum and the highest domestic package offered at DTU was Rs. 64 lakhs. In addition, offers included 410 offers of above 20 lakhs and 882 offers in the range of Rs. 10 to 20 lakhs. I must also applaud the talented and brilliant faculty members of this University. I am happy to share that in the last year, 18 faculty members of DTU were included in the Stanford's University list of Top 2% Scientists in the World.

You must take pride on graduating from such a glorious institution. Remember that the end of one journey is the beginning of another brighter journey. Do not ever put a limit on your ambitions. Let them fly high. You should have only one goal in your mind- the goal of outperforming yourself, the goal of learning from your mistakes and making your dreams come true. However, remember that this does not mean that you will not fail or that life will always give you what you want! Irrespective of your circumstances, you should never stop dreaming, and must make the best out of what you have. If obstacles come on your way, be ready to change course but never be resentful in life. Wear a smile and keep working towards your dreams.

From what I have learnt throughout my professional journey, I would like to give you some lessons today as you get ready to pursue the dreams of your life.

First, the value of perseverance and faith. A persevering person is always a

successful person. He/she is a person who may fail a number of times in his life, but will always come back stronger and more determined. In fact, failure is a part of the process to achieve success. In the many years of my life as a academician, I can tell you that there is only one magic formula for success- you have to try again and again till you achieve what you want. There will always be moments of despair and breaking down, but you need to pull yourself out of them and try harder each time. You need to have faith and confidence in yourself. Successful people are often not the ones whom everyone supported, they are the ones who never lost belief in themselves. Many of you will become knowledgeable leaders of the future. As a leader, along with self-reliance, you must always win the trust of others also. At the same time, you must be open to learning from others and never take criticism negatively. A successful person works on his weaknesses and makes them his strengths. In addition, I would like to tell you to always have faith in your decisions and ambitions. Never be afraid of taking risks. Remember that the key to innovation is to take risks. If no scientist of the world ever took any risk, we would not be seeing the technologically advanced civilization of today.

The second lesson that I want to share with you today is the value of being a good human being. Thomas Jefferson once said, "Honesty is the first chapter in the book of wisdom". As the educated experts and leaders of tomorrow, you all must understand the value of being honest and truthful in all your actions. Life may offer difficult choices to you- but you have to stand determined to take the one which is RIGHT. You must self-introspect yourself and in all your endeavours, choose the right path over the convenient path. Sometimes, ego and envy can unknowingly but easily shade over to become causes of our unhappiness and negative actions. You must try to stay away from such negative feelings. The sense of responsibility in your actions and moral discipline should always reside deep inside you. All of you will achieve a lot as you pursue your professional journey. In the moments of success, remember that pride will bring you down while humility is what will take you higher.

I know that this day is a very special day for all of you- because you are ready to face the dynamic and vibrant world ahead of you-with the skills and abilities that you have acquired at DTU. However, I must tell you that this day is even more special for your parents who sacrificed their needs and enabled you to work through all the ups and downs with their love and patience. They deserve a louder applause today. I must also congratulate all the faculty members who worked with you all these years and helped you realize your true potential.

I congratulate you all once again and I wish that all of your dreams come true and all of you become successful academicians, entrepreneurs, innovators and above all good human beings. Don't just wait for opportunities to come your way, create your own opportunities and change the world! Always carry the honour of this University in your minds and I am sure all of you will make yourself proud, your parents proud, this University proud and India proud.

SHRI GANESH KRISHNAN

Hon'ble Lieutenant Governor, Shri Vinai Kumar Saxena Ji; Chief Guest of the Function, Prof. Sanjay Govind Dhande; Hon'ble Vice Chancellor of DTU, Prof. JP Saini; Deans, Heads of Departments, members of the administration, faculty members, staff members, distinguished invitees, graduating students and their proud parents, friends from media, ladies and gentlemen.

I am delighted to address you all on the 9th Convocation of the Delhi Technological University. It is a very special day for all of you! Many years of sacrifices, dedication and hard work is culminating in the form of this beautiful day today, not just for you, but also for your parents and teachers.

It is with fond nostalgia that I remember being on the other side graduating from this august institution four decades back, earlier called Delhi College of Engineering. And five years prior passing out of a Delhi Government Tamil School. Truly grateful to "Saddi Delhi" for what I am now.

I am sure that as graduates of DTU, you are confident and prepared to face the world of tomorrow. With a legacy of 81 years, Delhi Technological

University has grown incredibly. I am very impressed with the current standings and achievements at both domestic and international level by reputed organisations. I wish I were graduating now, hearing compensation packages of Rs 1.84 Crores per annum International and Rs 64 lakhs per annum domestic.

I congratulate you all and the entire DTU fraternity on these achievements.

Today, you are fortunate to be graduating in the current age, with India marching towards a trillion-dollar economy. There are several challenges that present opportunities for you, to solve the big pain points, create solutions, make the world a better place and become unimaginably successful and wealthy. What an incredible opportunity ! Whatever dreams you want to pursue – be it in academics, corporate world or as an entrepreneur or in the social sector or public service, now is the time to do so.

The latest developments in Technology & Internet, Post pandemic changes in consumer behaviour, widespread smartphone penetration, Digital revolution across every nook and corner of the country with UPI, Aadhar, digital payments – all have democratized the opportunity for freshers and levelled the playing field. Seize this opportunity while serving the society and the world , in the process creating a successful and rewarding future for yourself.

I want to share with you three mantras that has helped me in my life and career.

1. Do that little extra – Statistics teaches us most people are average – that's what the word means. So, a simple trick -if you want to be outstanding or want to stand out, its easy, do that little extra, work that bit harder, show up a little more, display that additional initiative – you will see substantially higher rewards. Remember the horse that wins the race gets multiple times the prize money of the horse in second

place but it is faster by few seconds with its nose just ahead. That's true in all aspects of life.

What differentiates a successful person from an average one is the sheer perseverance and being able to put in the extra effort, go the extra mile – not their intelligence, wealth, connections or surroundings.

2.   Take risks – don't follow the well-trodden, safe path. Today the world is undergoing a massive change, technology is disrupting every sector. Mega returns will come when you leverage today's opportunities. You will be much better off playing to win than settling for a draw. This was not the situation when we passed out, the India was different. Today, the new India is ready for you to take charge and create a wonderful future – for yourself, for the society and the world.

3.   Avoid negativity and negative people. Ignore the "nay-sayers", trolls and all the negativity today's social media spreads. Be Strong, believe in your inner self and carry on with your conviction. In the words of Steve Jobs: "Don't let the noise of other's opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition"

Last but not the least, I want to make you aware of the thin line between dignity and pride. Dignity is the quality of deserving respect. Dignity has a strong sense of thankfulness and humility that invites people towards us. It defines who we are- it is not about money or big houses. It is the sense of inner satisfaction that makes us feel worthy. However, pride arises from a feeling of weighing ourselves better than others. Pride is based on how others perceive our success- how much money we make, or how big a house we have. I want you all to be ambitious and achieve great milestones. But I want you to pause in those moments where arrogance and pride hit you hard and to get rid of these as soon as possible. Remember that being a good human being is always more important than being a successful human being. And, in life, it is better to be "Kind" than "Right"

Each and every one of you, was born to win. Do not short change yourself. Whatever you do, wherever you go, strive to put in your best, world will conspire to make your dreams come true.

In the end, I wish to congratulate you all again on this great day. I wish and pray that your upcoming lives bring you success and many more accolades, and all of you take the name of this institution higher and higher.

Go and Conquer the world!

Thank you.

Vice Chancellor's Report

Presented

by

PROF. JAI PRAKASH SAINI

Vice Chancellor, Delhi Technological University, Delhi

With an illustrious history of 81 years, Delhi Technological University (Formerly Delhi College of Engineering) has exhibited unparalleled accomplishments in academic and research excellence. Our University has strived to provide well-formulated, globally relevant quality education to our students. DTU has continued to achieve milestones in the areas of education, research, innovation and entrepreneurship. The University provides state-of-the-art facilities and infrastructure to its students and faculty members to ensure the holistic growth of our institution.

The education at the Delhi Technological University is delivered with an intent to strengthen the three pillars of modern instruction: critical thinking, creativity and collaboration. The University currently offers various inter-disciplinary and industry-relevant programs in Science, Technology, Management (STEM) and, allied areas both at the undergraduate and postgraduate levels. At DTU, our overall aim is to foster a culture of continuous growth and learning so that each one of us can discover new avenues for the development of our institution, city and country. We are committed to nurturing excellence and enriching the educational experience for our students. I want to encourage all of you to use your knowledge and skills for the society and always weigh the needs of society

above your needs. I expect that you respect the principles of sincerity, honesty, integrity and humility in every sphere of your upcoming lives.

This Annual Convocation is a celebration of your sincere efforts, hard work, diligence and perseverance during your stay at DTU. In these years, you have faced numerous challenges and have come out victorious. The students of the current batch have particularly confronted unprecedented circumstances because of the COVID-19 pandemic. I am proud that, even after being confined in their homes, our students have performed exceptionally well. In this difficult phase, we have seen enormous growth as an institution by exploring the depths of online learning and the power of digital media. In fact, these times have made all of us understand the value of resilience and have taught us the skill of maneuvering through unprecedented situations. As a University, we have faced multiple trials during this time, but we have emerged triumphant due to the optimism of our faculty and staff members, and the enthusiasm of our students.

In our efforts to advance the University on the path of academic and research excellence, we have directed our efforts to support the growth of academic programs at the undergraduate and postgraduate levels, enhance our research productivity, encourage sponsored research, foster international collaborations, and extend support to faculty and students by means of added infrastructural and financial support. In the year 2021-22, we have XX admissions at the UG level, XX at the PG level and XX for Ph.D. In the past years, we have supported our students with financial grants for academic, research and innovation activities. Further, we have encouraged our faculty members by awarding them with the Teaching Excellence and Research Excellence Awards annually.

On the 9th Convocation of Delhi Technological University, we are delighted to award the degrees to 3143 students in this ceremony. There are a total of 2398 undergraduate degrees, 707 postgraduate degrees and 45 PhD degrees being awarded today. I heartily congratulate all the degree recipients and their proud parents on the achievement of this academic milestone.

It is my pleasure to share with you the achievements and accomplishments of our University in the year 2021-22. Even though a part of this year was in the grip of the ongoing pandemic, DTU continued to deliver the best in areas of education, research, innovation, and extension activities. On

this auspicious day, it gives me immense pleasure to share a report of the untiring efforts made by our University with our dignitaries, distinguished guests, alumni, and all stakeholders of DTU.

I NEW INITIATIVES

1. EXPANSION

DTU has always laid a strong emphasis on the development and enhancement of infrastructure for academic and research activities. The Stage 1 of Phase-II construction has been successfully completed in 2022. DTU is fully committed to provide the best facilities and infrastructure to encourage the teaching and learning environment.

a. Master Plan 2022: Delhi Technological University

The overall master plan envisaged for the Delhi Technological University to be constructed in different phases is as below. These projects are in the final stages of completion and are likely to be inaugurated and functional in the later half of 2022:

S. No.	Building Names	Ground Coverage (Sq.m.)	Built Up Area (Sq.m.)	No. of Storey
1	Academic Block AB3	1809	18436	B+G+8
2	Academic Block AB4	2285	23198	B+G+8
	Total	408	4162	

b. Recent Developments in Infrastructure

DTU is dedicated to fostering a positive learning environment by providing state-of-the-art infrastructure and resources. The major additions to infrastructure in 2022 are as follows:

i) Virangana Laxmi Bai Hostel

- The newly constructed two blocks of girls hostel have 12 floors. It is a fully air-conditioned building and can accommodate 685 beds.

- It has facilities of warden house, guest room, gymnasium, parlour, TV/activity room, TT Room, reading room and Internet room on the ground floor.

- Inaugurated by Hon'ble Deputy Chief Minister Manish Sisodia, Govt. of NCT of Delhi.

ii) Dr. A.P. J Abdul Kalam Hostel

- The newly constructed boys hostel has 12 floors. It is a fully air-conditioned building and can accommodate 322 beds.

- It has facilities of gymnasium, TV/activity room, TT room, reading room and Internet room at ground floor.

- Inaugurated by Hon'ble Deputy Chief Minister Manish Sisodia, Govt. of NCT of Delhi.

iii) Computer Centre Lab. 3rd Floor

- Computer center lab has been recently developed with a seating capacity of 174 Students.

- The Computer center is fully air conditioned with VRF system.

- Inaugurated by Prof. Prof. Jai Prakash Saini, Honorable Vice Chancellor, DTU

iv) Cafeteria (Pragya Bhavan)

- The cafeteria which is fully equipped with furniture and other essential items has been constructed in Pragya Bhavan in the DTU Campus. The Cafeteria has a total area of 166.96 Sqmt.

- It has a seating capacity of 54 inside the cafeteria and more than 100 seating arrangements outside the cafeteria.

- Inaugurated by Prof. Prof. Jai Prakash Saini, Honorable Vice Chancellor, DTU

v) Center of Excellence for Electric Vehicles and Related Technologies

- The Electric Vehicle Lab (EVRT Lab) has two floors. The ground floor is the EV workshop, the first floor is the coordinator office and the conference room and the third floor has a computer lab with a student seating capacity of 40.

- The Electric Vehicle Lab (EVRT Lab) has been established to support a wide array of EV integration and technology services. The lab is specialized in two core areas: Electric vehicle power

system integration which covers the electric connection between an electric vehicle and the electrical network to which it connects. This includes smart-grid, interoperability and power measurement studies. It also covers electric vehicle enabling technology covering the electric components and technologies important to the operation, performance and cost of the electric vehicle. This includes R&D and equipment testing.

2. RECRUITMENTS AT DTU

Direct recruitments were held for a variety of teaching positions (Assistant Professor, Associate Professor, and Professor) in numerous fields. This has helped us achieve both improved educational quality and a more equitable student-teacher ratio.

In addition, there were six direct recruitments for non-technical positions and three direct recruitments for technical positions.

3. COVID CARE FACILITIES

The DTU has a well-functioning Health Centre managed by experienced Doctors and other paramedical staff. The services of two general medicine practitioners and other specialists are available to the students, faculty and staff throughout the day.

In addition to the above, University has made following arrangements to deal with any medical exigency arising out of COVID-19: -

i.   Tie up with leading hospitals nearby viz., Ishan Hospital for emergency medical assistance specially for students in case of emergency admission due to the COVID-19 pandemic. Moreover, a large number of hospitals in the vicinity of the University are also on panel such as Saroj Hospital, Mahavir Hospital, Jaipur Golden Hospital and Max Hospital etc., to deal with any further reference and medicine management on account of COVID-19 pandemic.

ii. Started the online consultancy by the UHC doctors for all the stakeholders during the COVID-19 pandemic.

iii. A state of art isolation facility of six beds equipped with all the advance and necessary medical equipment for monitoring has been established at the erstwhile Dean-International Affairs Office.

iv. Three qualified new nursing staff & four additional attendants were deputed to provide adequate 24 x 7 nursing facility to all the stakeholders viz., students, faculty and staff.

Recently various medical diagnostic and procedural equipment specially to deal with the COVID-19 pandemic have been added to further enhance the available capacity and expertise of the University Health Centre.

Auto-refractometer, new dental setup with latest accessories, physiotherapy equipment's like treadmill machine, pulse-oximeters and two oxygen concentrators with six oxygen cylinders are available at the health center.

Purchase of new fully equipped [ICU] ambulance is under process, moreover university is trying to hire the services of super specialist Pulmonologist [Chest Specialist] in the coming times.

4. ADMISSIONS 2021-22: UG/PG

Orientation – cum- Induction Program of the newly admitted B.Tech. first semester undergraduate students was conducted on December 20-23, 2021. There were in total 3194 admissions in UG and 1023 in PG respectively. There were 154 (2021-22 batch) and 80 (2022-23) international admissions in DTU.

5. YourDOST

The COVID-19 pandemic has been a tremendously disruptive force for everyone during 2020 and 2021 and students belonged to one of the most affected segments. Amid several uncertainties of pandemic and COVID protocols in place, it was a challenge to provide unbiased, round the clock, friend- like support to students. DTU has collaborated and signed MOU with YourDOST an online counseling & emotional wellness platform, to enable anonymous and round-the-clock access to counselling services for the students, free-of-cost. During the last few years, this platform has given more than a 1000 counselling sessions of ~30 minutes of average duration each to the students as per their requirements.

6. DTUMITR HELP DESK

The DTU MITR Helpdesk is an information dissemination centre functioning under the office of DSW where students can submit their queries. The helpdesk forwards the queries raised by the students to the respective branch. Students have several queries regarding admissions, appointments, examinations, and internships. In order to provide effective response to such queries, all the information will be available from a single desk. At the same time, this help desk will work like an information center and a customer service center. Apart from landline phones, it has intercom and e-mail facilities. The operating time for the help desk is from 10 am to 5 pm.

7. CENTER FOR EXTENSION AND FIELD OUTREACH

The primary aim of the center for extension and field outreach is to promote a meaningful and sustained rapport between the university and the community. The objectives of the center are:

1. To extend knowledge and other institutional resources to the community and vice-versa.

2. To gain insights from a contact between knowledge resources and socio cultural realities with a view to reflecting these in the entire curriculum system of higher education including teaching and research.

3. To provide two-way process between the experts and the people.

4. To provide an intellectual intervention in the community's live problems.

The Extension & Field Outreach Programme of the DTU strives:

1. To promote the philosophy of extension and outreach as a part of total education program.

2. To reach out to larger section of community specially deprived groups through extension.

3. To enrich the learning process of faculty and students mainly through extension activities.

4. Participation of students in community engagement work is considered for 2 academics credit in addition to its regular course of studies.

Some of the major activities covered under the umbrella of the outreach and extension program are:

a. Lab on Wheels

Delhi Technological University is committed to take education to underprivileged sections of the society. To strengthen the activities in respect of this and vision "शुक्रया शिक्षा आप के पास"the university has launched the project "Lab on Wheels" under the Centre for Extension and Field outreach. This Lab on Wheels is a customized bus and houses 16 computers, two big size TVs, one 3D Printer, ACs, Cameras and one common use printer. It is expected that this project shall empower under privileged and diversified sections of the society to enhance their educational standard, digital literacy and learning skills. Through learning, this project shall also create business and job opportunities for habitats of adjacent residents of DTU and at large of Delhi.

b. Extension and outreach activities in schools

The following schools have been selected for implementation of Outreach Programme:

1. GGSS, K-Block, Jahangirpuri, Delhi	7. SKV, D-Block, Jahangirpuri, Delhi
2. GBSSS, Siraspur, Delhi	8. GCSSS, Barwala, Delhi
3. GCSSS, Sector-15, Rohini, Delhi	9. SBV, Pehladpur Bangar, Delhi
4. SKV, Pehladpur	10. GBSSS, Qadipur
5. GBSSS, D-Block, Jahangirpuri, Delhi	11. SKV, No-2, A-Block, Jahangirpuri, Delhi
6. GGSSS, E-Block, Jahangirpuri, Delhi	

c. Open House for School Students

Students between classes 10th to 12th from different schools are allowed to visit for a day to get exposure to different facilities available in the university. All the open houses are concluded with interactive sessions where students are allowed to interact with faculty in respect of their curiosity, stress management, human value and career counselling.

The notable achievements of the Center include:

1. DTU has adopted 5 villages under "Unnat Bharat Abhyan" namely Barwala, Sahibabad Daulat Pur, Siras Pur, Bhalswa Jahangir Pur and Pehlad Pur Bangar. Academic and social activities are carried out in adopted villages on regular basis.

2. The Centre for Extension and Field Outreach was awarded project "Desh ke Mentor" by Govt of NCT of Delhi. In this project 7419 DTU students mentoring about 29000 Delhi Govt. School Students of Class XI-XII.

3. The centre has started a 2 credit one-year mandatory course on community engagement mentoring school students for UG students of DTU.

4. The centre has started the scheme of Laboratory on Wheels with a moto "Education Reaches to You", under this scheme a certificate course of duration 3 months on Basic Computer Course (BCC) started by DTU for the students of schools of Govt of NCT of Delhi and community at large. Under this scheme DTU students intern used to visit schools with Lab on Wheels and teach and assist them in building their careers. In the first batch 213 school students registered for the course and 150 students completed it in the academic year 2021-22 .

5. The Centre is conducting one-month computer literacy courses for juveniles with Delhi Police. In the present A.Y 23 juveniles participated and were taught by 2 DTU interns.

6. The Center conducted a one week long "Exploring Engineering" program during 20-25 June 2022 for X to XII school students, it is one of the annual programs conducted by the Center. This year 116 school students participated in this event.

7. Under the Open House program, the visit of students of Jagannath International School, Pitampura, Delhi took place in which 68 students and three teachers visited on 29.04.2022.

8. The Center in association with IIF-IIC, DTU also arranged educational and entrepreneurial visits to different places which include a company Lal 10 company, Noida, IIIT, Delhi and also at EDII, Ahmedabad. Overall, in these events 63 students of DTU were involved.

9. Additionally, a lecture by SCEE, DTU and Centre for Extension and field Outreach on the topic "CLIMATE CHANGE AND GHG EMISSIONS" by Prof. Krishna Anchuta Rao, IIT, Delhi was organized on 22.3.3022.

II   RANKINGS

The ranking of DTU on national and international parameters is considered one of the best in India. DTU has been ranked as the 6th best institution in the India Today University rankings; as the 35th best Engineering Institution in the country and the 38th best University in India according to the NIRF rankings. It makes me proud to share with you that at the international level, DTU has been ranked in the 601-800 bracket in the Times Higher Education World University Rankings. The Emerging Economy ranking (2022) has ranked DTU at the 191th place in the world. Moreover, DTU has secured the first place in the Times Engineering's Top 170 Engineering Institutes in India, 2022. DTU has been ranked 149th in the Asia University Rankings, 2022.

III   NBA ACCREDITATION

NBA is known for its view on quality parameters and facilities available at educational institutions. Every year DTU proposes and attains approval and accreditation for a gamut of programs through NBA. The year 2021-22 was equally exciting as we achieved NBA Accreditation status for some of our UG and Programs.

Five UG programs and six PG programs were accredited by NBA. Following are the details of NBA accreditation for different UG/PG Programs in Tier II as well as three other programs for which application has been submitted. Following is a list of UG and PG programs accredited by NBA:

S. No.	Name of the Programs	Accreditation Status	Period of validity
1	UG-Electrical Engineering	Accredited	30.06.2021 to 30.06.2024
2	UG-Civil Engineering	Accredited	30.06.2021 to 30.06.2024

S. No.	Name of the Programs	Accreditation Status	Period of validity
3	UG-Production & Industrial Engineering	Accredited	30.06.2021 to 30.06.2024
4	UG-Biotechnology	Accredited	30.06.2021 to 30.06.2024
5	UG-Electronics and Communication Engineering	Accredited	30.06.2022 to 30.06.2025
6	PG-Control and Instrumentation	Accredited	30.06.2021 to 30.06.2027
7	PG-Power System	Accredited	30.06.2021 to 30.06.2027
8	PG-Structural Engineering	Accredited	30.06.2021 to 30.06.2027
9	PG-Geotechnical Engineering	Accredited	30.06.2021 to 30.06.2027
10	PG-Production Engineering	Accredited	30.06.2022 to 30.06.2025
11	PG-Hydraulics and Water Resources Engineering	Accredited	30.06.2022 to 30.06.2028
12	Master of Business Administration (DSM)	Accredited	30.06.2022 to 30.06.2025

The following programs/departments have applied for NBA accreditation and the visits are scheduled in the upcoming semesters:

S. No.	Name of the Programs	Accreditation status	Period of validity
1	PG-VLSI Design and Embedded System	SAR Submitted to NBA	Visit is scheduled in upcoming semester
2	PG-Signal Processing and Digital Design	SAR Submitted to NBA	Visit is scheduled in upcoming semester

IV ACADEMIC PROGRAMMES AT DTU

A. The University offers the following UG Programmes:

i. Bachelor of Technology (B.Tech) Program

Electronics & Communication Engineering (ECE)
Computer Engineering (COE)
Electrical engineering (EE)
Mechanical Engineering (ME)
Civil Engineering (CE)
Production & Industrial Engineering (PIE)
Environmental Engineering (ENE)
Polymer Science & Chemical Technology (PCT)
Information Technology (IT)
Bio-Technology (BT)
Software Engineering (SE)
Mechanical Engineering with Specialization in Automotive (MAM)
Engineering Physics(EP)
Mathematics and Computing (MCE)

ii.   Bachelor of Design (B.Des)

iii.   Bachelor of Business Administration (BBA)

iv.   BA (H) Economics

B. The University offers the following PG Programme

1. M. Tech. Programmes 2021-22:

S. No.	Name of the Department	Programme Name & Code
1	Applied Chemistry	Polymer Technology
2	Applied Physics	Material Science & Technology
3	Biotechnology	Bioinformatics

V ALUMNI CONTRIBUTION

DTU has a long-standing and deep-rooted relationship with its alumni. DTU endeavors to open up new avenues for its students, simultaneously enabling the alumni to connect with their alma mater. Amid the unprecedented crisis, the generosity of alumni has been extraordinary. Besides fund-raising, multiple scholarships have been constituted for excellence in engineering for B.Tech students. A number of other scholarships are available to DTU students in different semesters of their study life. Some of them are given below:

S. No.	Name of the Scholarships
1	Class of 1969 Scholarship
2	Class of 1959 Scholarship
3	Pramod Jain Merit Scholarship

S. No.	Name of the Scholarships
4	MRSV Award
5	Fidelity Charitable Grant
6	Hari and Shashi Batra Scholarship
7	Late Sh. J L Pahwa Scholarship
8	Neena Nangia Memorial Award
9	Gp. Capt. (Retd.) R S Bhola Award
10	Late Prof D Roy Choudhury Scholarship
11	Prof.P. Kundu Medal
12	Rajeshwari Garg Memorial Medal
13	Goswami Brothers Scholarship
14	Passi Family Scholarship for Excellence in Engineering
15	Suraaj & Prem Bhatia Scholarship
16	Hari Johri Scholarship
17	Leelawati and Mangat Ram Soni Scholarship
18	Scholarships initiated by Mr. CP Nehra (a) Shri Brijlal & Smt. Prakashwati Nehra Scholarship for Mech. Engg. (b) Colonel Vidyasagar and Smt. Vimla Devi Nehra Scholarship for Civil Engineering. (c) Shri Narendra Kumar and Smt. Manju Nehra Scholarship for Electrical Engg.
19	Dr. Alok Goyal Scholastic Award for Academic Excellence
20	Group of Best Friends-2005 Scholarship
21	Mr. and Mrs. Laxmi and Raj Mrig Scholarship

Fund-raising and Donations by Almuni:

- On 04/03/2019, Prof. Yogi Goswami and Mrs. Karuna Goswami pledged to donate $ 100,000 (Rs. 79,41,150/-) for establishment of clean energy centre at DTU, out of which $ 50,000 (Rs. 39.70.575/-) has been received till now.

- Dr. Alok and Mrs. Gopina Goyal donated Rs. 5,00,000/- for DTU medals and Scholarships.

- Mr. & Mrs. Laxmi and Raj Mrig donated Rs. 5,83,070/- for DTU medals and Scholarships.

Events conducted for/by the Alumni:

- On 30th Jan, 2022, book title "The class of 2006" authored by DTU alumnus Mr. Akash Kansal was launched in presents of move superstar Mr. R Madhavan.

- On 22 March 2022, a webinar was held on the topic "Alternate careers for engineering graduates," during which alumni discussed alternative career options with students.

- On 28th April 2022 an interaction program with Prof. D. Yogi Goswami was organized for students of university was organized by DTU Innovation and Incubation Foundation (DTU IIF) and in association with the office of Dean Alumni office DTU

- On 27th July 2022, Deans of DTU hosted and honoured Alumni of 1971 & 1972 Batches.

VI INTERNATIONAL AFFAIRS

DTU promotes partnership with Foreign Universities and Institutions through Memoranda of Understanding (MoUs), faculty and student exchange programmes and, by providing an opportunity to foreign national students to study at DTU under UG, PG, and Ph.D. programmes. University is well connected with prestigious Foreign Embassies and consulates in India to enhance the academic relationships with foreign universities. The campus also invites professionals from industry and research institutions every year to give maximum exposure to the students and faculty members to ensure that they are aware of the major global trends.

VIII   BEST PRACTICES AT DTU

DTU aims to achieve the highest standards of world-class education and excellence. The University has been following the best practices to foster research excellence and leadership qualities among students. Some of the best practices followed at DTU include:

• Research and innovation culture right from UG onwards.

• Financial support to students for presenting research papers in national and international conferences.

• Financial support to students for Internships in R&D organizations and reputed universities in India and abroad.

• Innovation Fund to support interdisciplinary student teams for innovative product development and participation in international design competitions.

• One seat in each discipline of the B.Tech Programme is reserved for admission to a single girl child in DTU.

- Awards to faculty and students:
  - For research and publications in high impact factor international journals.
  - For excellence in teaching.
- Tuition fee waivers- DTU students received Fee Waivers in 2021-22 owing to the difficulties they faced in continuing studies without financial assistance. DTU continues to support the journey of these and many more students through various schemes. 737 students received tuition fee waivers with the total fund amounting to Rs. 7,98,23,750/-.

IX TRAINING AND PLACEMENT

Owing to its brand value and the performance of the several students recruited every year, it is no surprise that DTU offers great placements. Some of the past recruiters are Google, Samsung, EPIC, Cisco, Microsoft, IOCL, BHEL, GAIL, NDPL, IAF, Indian Navy, Texas Instruments, Walmart Labs, Goldman Sachs, Samsung Research, Amazon, Adobe, Directi, C-Dot, Infibeam, Qualcomm, Futures First, HT Media, RBS, Maruti, Tata Motors, Deloitte, Mckinsey, Coca Cola, Idea, Bata, TCS, Oracle and many more. Some of the prominent statistics for placements in the last year are given below:

Placements 2021-22 till 15th July 2022	
No of Companies	394
No of Offers	2434
Highest International CTC	1.84 Cr PA
Highest Domestic CTC	64 (Apple)

Average CTC	14.85 LPA

X DTU IIF (INNOVATION AND INCUBATION FOUNDATION)

DTU IIF was a novel way to encourage entrepreneurial skills and give a boost to start up ideas of faculty and students. It is a venture that calls for creativity, imagination and innovation. DTU IIF was started with the following mission:

1. To create a culture of entrepreneurship, Start-ups, and, and Intellectual Property Creation that can to value creation, jobs and employment and do social and economic good.

2. To facilitate creation of incubation centres that offer incubation infrastructure- space, computing resources, connectivity, common tools; and environment for co-working, collaboration and innovation.

3. Create entrepreneurship challenges based upon existing problems to foster Innovation.

A total of 37 companies have been incubated at DTU by the efforts of IIF centre. The list of companies are as follows:

XI Research and Development at DTU

• Our Research and Development activities help us see the changing world at close quarters. To keep pace with new developments, we have ensured that we explore every possible means to adopt and adapt to better quality in journal selection, choice of journal database for publication, best subscriptions in the library and encouragement through award to best papers/articles published.

• DTU has 25 sponsored projects with UGC, DST, ICSSR, AICTE as major funding agencies.

• MOUs bolster DTU's international presence and facilitates student exchange across countries and organizations of high reputation.

• In 2021-22, the h-index of the university is 97 with 1747 Scopus-indexed publications and 22905 citations (as reported by Scopus).

• In addition, the Directorate of Education, Govt of NCT of Delhi awarded DTU a Project entitled "Youth for Education" at the total cost of Rs 2,15,67,100/-. It includes initial fixed cost and recurring cost for the first year to established project management unit for the design, development and implementation of youth for education program.

FDPs, Workshops and Guest lectures in 2021-22

The departments and centers at DTU have organized multiple Faculty Development Programmes, Workshops, Guest Lectures and interactive sessions for the students, faculty members and people from academia and industry. Some of the prominent FDPs organized in the last year include:

- "IEEE IOT Workshop: The Future of Connectivity" was organized by IEEE-SA from October 28th - 29th, 2021.

- One Week Online Short Term Training Programme (STTP) on "Recent Advances and Challenges in Computer Vision" was organized from December 3rd - 7th, 2021.

- One-Week Online Faculty Development Program on "Machine Learning Applications in Signal Processing and Wireless Networks" was organized from December 20th - 24th, 2021.

- One-week Online International Faculty Development Program on "Computational Techniques for Electromagnetics" was organized from December 27th – 31st, 2021.

- A seminar on "An overview of Outcome based Education (OBE) and NBA Accreditation" was organized by the Department of Electronics and Communication Engineering on December 30th, 2021.

- One-week Faculty Development Program on "Wireless Sensor Networks and IoT" was organized from January 10th – 14th, 2022.

- A webinar on "Solar Cell and OLED Modelling and Simulation Using SETFOS S/W" was organized on March 15th, 2022.

- A webinar on "Business Model Canvas (BMC)" was organized on April 27th, 2022.

- 3 Weeks Summer School Program on "Machine Learning for Wireless Network and Computer Vision with Hands-on-Experience" was organized from July 11th - 29th, 2022.

- DST Sponsored 21 days L-1 Level program in "Geospatial Science and Technology" was organized in online mode from 15th Nov to 09th Dec 2021. A total of 27 faculty members from across the country participated in the program and certificates were issued to 24 successful candidates.

- Training of NDMC Engineers was conducted on "Structural Safety Audit to Improve Earthquake Resiliency of Lifeline Buildings and Upcoming Constructions" from 25-27th July, 2022. The training was imparted to 54 participants.

- An International workshop was organized in online mode on "Role of Early Warning System in Geo-Meteorological Hazards risk Reduction" during 8-10 December, 2021, in collaboration with South Asia Alliance of Disaster Research institute (SAADRI), Commission on Education and Outreach, International Association of Seismology and Physics of the Earth's Interior (IASPEI), National Science and Technology Center for Disaster Reduction (NCDR), Taiwan and National Institute of Disaster Management (NIDM), Ministry of Home Affairs, Govt of India. The workshop was attended by 264 participants.

- Conference cum Training program was organized in online mode during 5th April to 7th April 2022 on "Disaster Risks, Climate Change and Resilient Development", in collaboration with National Institute of Disaster Management (NIDM). The training was imparted to 116 participants.

- DST sponsored Geo-innovation program in Defense Security and Intelligence was organized in online mode during 7th Feb to 9th Feb 2022. The program involved submitting innovative Geospatial Technologies based innovative proposals relevant to Defense, Security and Intelligence. A total of 24 proposals were received. Eleven proposals were shortlisted and given to a Committee of three members constituted of a Professor, a member from research lab and a member from Defense. Three shortlisted candidates were awarded Rs 12000/-, Rs 8000/- and Rs 5000/-

XII DTU TIMES

DTU Times is the official newsletter of Delhi Technological University and provides essential correspondence, news updates, achievements of faculty and students, interviews of prominent academicians, alumni, visitors, and thoughtful articles brought out by the students of the University under the guidance of eminent faculty coordinators. January 2009 saw the publication of the first edition of DCE Times, a seven-page issue developed by a team of six. Several years on, the fledgling newsletter has developed into a DTU's

very own media body. Over the past decade, DTU Times has aimed to be in the vanguard of university journalism through experimentation and creativity.

A. GLIMPSE OF EVENTS AT DTU

DTU offers the right environment to support the complete development of students by facilitating their participation in various activities of their interest. The year 2021-22 was no different and saw various student-led activities.

1. Technical Societies

The technical societies help the students to explore their hidden talent.
