## MESSAGE

Delhi Technological University has recorded significant progress during the last three years. It has kept its focus on high quality of education and industrially relevant research and innovation. It is also gratifying to note that DTU continues to attract very good talent both among students and teachers.

I am impressed by the presence of the culture of research and innovation right from the under graduate level onwards at DTU which has created a unique advantage for this prestigious institution, having an illustrious history spanning over 71 years.

I am happy to note that the first Convocation of the University is scheduled to be held on 11<sup>th</sup> January, 2013. I extend my heartiest congratulations to the recipients of Degrees, medals and prizes at the Convocation as well as the teaching and non-teaching staff of DTU.

I wish the graduating students all success in their professional careers and personal lives.

*It gives me immense pleasure to know that the first Convocation of **Delhi Technological University (DTU)** is being held on 11<sup>th</sup> January, 2013. The initiative to reconstitute **Delhi College of Engineering** as **Delhi Technological University** was primarily to facilitate the expansion of educational opportunities of high quality in engineering and technology in addition to empower university to take strides into new horizons of research, technology development and innovations.*

*I am delighted to note that the University has made a highly impressive progress during the last 3 years. Not only it has earned its pride position among the top 10 best engineering institutions in India, including the IITs, it is heartening to note that **DTU** campus placements has earned the reputation of being better than some of the well reputed IITs.*

*I am sure with its illustrious tradition to the graduates receiving their degrees, medals and prizes at the Convocation and wish them all success in life.*

## MESSAGE

I am delighted to note that the first Convocation of Delhi Technological University is being held on 11th January, 2013.

The Delhi Technological University has emerged as one of the top ranking technological institution in India imparting world quality education, research and innovations. I am happy to note that during a short span of three years, since its establishment by reconstitution of Delhi College of Engineering as a technological University, DTU has made a highly impressive progress. This is truly reflected in the ranking of DTU among the top 10 best institutions of the country and in highly impressive campus placements.

I extend my very best wishes to the graduates receiving their degrees, medals and prizes at the Convocation and wish them all success in life.

## **MESSAGE**

Delhi Technological University (formerly Delhi College of engineering) is flagship technological university of Government of Delhi. I am pleased to note the highly impressive progress made by this premier institution during the last 03 years.

I am also happy to note that the University has its focus on interdisciplinary engineering is committed to foster seamlessness of science and engineering in its education and research programs.

I am, particularly, impressed by the innovations like the development of Solar Passenger Car, Unmanned Aircraft System, Hybrid Card and development of Biodiesel Reactors by DTU students and faculty. These and many more are the best way to inspire the younger minds to pursue

I am pleased to note that the first convocation of the University is scheduled to be held on 11<sup>th</sup> January, 2013, I extend my warm greetings to the graduates receiving their degrees, medals and prizes and wish them very best in the future endeavours.

## MESSAGE

The Delhi Technological University, having had an illustrious history spanning over 71 years and having a highly distinguished alumni presence worldwide, occupies an eminent position in the field of education, research and technical innovation. I am happy that during a short span of three years after the reconstitution of Delhi College of Engineering into a Technological University, the University has made an impressive progress by adding new UG and PG programs in the areas of high relevance to the industry, besides increasing the intake at the UG level by 150 % and at PG level by 350% and that too, in an inclusive manner as also significantly enhancing its R&D and Innovation activities. It has thus amply demonstrated that “equity and excellence” can coexist and should indeed go together.

It is indeed a matter of great privilege and honour for me to be the Chairman of the Board of Management of this prestigious University. It would be our endeavour in the BoM to provide the necessary propulsive thrust and support, for the further advancement of this great institution so as to enable it to emerge as one of the top ranking world class Technological Universities of the world.

I offer my hearty congratulations to all of you who are receiving the degrees, which is a culmination of your scholarly efforts at this institution and I am sure that it is a fulfillment of a great dream for you and your parents. Congratulations are also due to your parents, your teachers and all those who inspired you, for this achievement in your life.

It is also very important, when the corpus of knowledge is growing at an exponential pace and is said to be doubling every few months, if not earlier,

you need to understand that learning is a lifelong process and one should continue to learn as if one is going to live for ever. Learning should obviously include unlearning and relearning. DTU has, hopefully, set you on this path and has imparted to you the necessary skills to effectively face the challenges of today as well as tomorrow. I hope that, along with the specialized professional knowledge that you acquired from the excellent faculty, you have also learnt a few things about how to be a good human being.

We hope that you will cherish your days at DTU and will nurture a lifelong relationship and a very strong bond with your alma mater. We sincerely hope that you will all have a very satisfying and successful professional career, serving your motherland with distinction and pride, and would bring laurels to your alma mater.

**R. P. Agrawal**

## **PROF. GOVERDHAN MEHTA, FRS**

Dr. Goverdhan Mehta, FRS, Ph.D., (D.Sc. h.c), National Research Professor and Bhartia-Jubilant Chair at the University of Hyderabad is an internationally acclaimed researcher in organic chemistry with wide ranging research interests. He has held faculty positions at the Indian Institute of Technology, Kanpur and the University of Hyderabad where he was also the Vice chancellor (1994-1998). He was invited to be the Director of the prestigious Indian Institute of Science (1980-2005), Bangalore and served their as CSIR Bhatnagar Fellow (2005-2010). In 2009, he was named National Research Professor by the Government of India and moved to his present position at Hyderabad university in 2010.

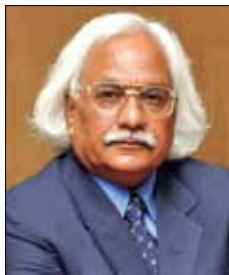

Professor Mehta has made many notable contributions in the area of chemical sciences, particularly in organic synthesis. His forays into synthesis have been marked by brevity, conceptual novelty and originality and his flair for devising simple 'Green' solutions to complex and contemporary problems in organic synthesis have drawn attention internationally. He has been exceptionally prolific in his scientific contributions, publishing more than 470 original research papers in Journals of high repute and has presented over 250 lectures in different parts of the world. He is on the Editorial Boards of over a dozen leading international journals in Chemical Sciences/Organic Chemistry and has mentored over a hundred doctoral and post-doctoral students/scientists. He has also contributed to education and science policy matters and planning of R&D efforts in India and abroad in many ways.

Professor Mehta has over fifty awards and reconitions to his credit, notable being the Shanti Swarup Bhatnagar Prize in Chemical Sciences (1978), Cenetary Medal of the Royal Society of Chemistry, UK, Humboldt Research Prize of Germany, Medals from the Third World Academy of Sciences, Trieste and Science Academies in India. He has been conferred numerous Doctor of Science (honoris Causa) degrees in India and abroad. He has received the civilian honors of 'Chevalier de la Legion d'Honneur' and 'Padma Shri' from the Presidents of France and India, respectively.

## CONVOCATION ADDRESS BY

He is a Fellow of the Royal Society (FRS), Third World Academy of Sciences and many other Science Academies. He has been President of the Indian National Science Academy (INSA, 1999-2001) and of the Paris based International Council for Science (ICSU, 2005-2008) as well as co-Chair of the Inter Academy Council (2000-2005).

We at Delhi Technological University are truly honoured with the gracious presence of Prof. Goverdhan Mehta who has kindly accepted our invitation to deliver the 1st Convocation Address.

**PROF. P. B. SHARMA**  
Vice Chancellor, DTU

## “Celebrating 71 Years of Excellence”

Esteemed Hon'ble Chancellor of DTU, Shri Tejendra Khanna, Hon'ble Minister of Higher and Technical Education Dr. A.K. Walia, Renowned Scientist and National Research Professor Dr. Goverdhan Mehta, Hon'ble Member of Parliament Shri Ramesh Kumar, Hon'ble MLA Shri Surendra Kumar, Hon'ble Chairman Board of Management, Shri R.P. Agrawal and Shri Lalmalsawma, Principal Secretary (Technical Education), Distinguished Guests, Members of the Board of Management and Academic Council, Members of the Faculty and Staff, Degree Recipients, Members of the Press & Media, Ladies and Gentlemen.

I am delighted to extend a warm welcome to our distinguished luminaries on the dais and to each one of you present on this auspicious occasion of the first Convocation of this prestigious Technological University. We are especially delighted that our Hon'ble Chancellor Shri Tejendra

Khanna Ji, for whom the cause of quality and excellence is dear to his heart and who has provided immense support, guidance and patronage to this prestigious institution, is presiding over this auspicious function. We are also delighted that our Hon'ble Minister of Higher and Technical Education Dr. A.K. Walia who has always shown deep personal interest in the progress of this institution is gracing the occasion by his benign presence. We feel immensely honoured by the august presence of our nation's top ranking scientists and National Research Professor Dr. Goverdhan Mehta who has kindly accepted our invitation to deliver the Convocation Address on this momentous occasion. Dr. Mehta, your august presence on this occasion is a matter of immense strength to our university and a truly a great inspiration to the young graduands receiving their Degrees and Honours at this Convocation.

We are also delighted to have our Hon'ble Member of Parliament Shri Ramesh Kumar, our area MLA Shri Surendra Kumar on the dais. We are delighted to have the presence of our distinguished Chairman, Board of Management Shri R.P. Agrawal, former Secretary, HRD, Government of India and a former Chairman of Board of Governors of IIT Delhi on this auspicious occasion. We also feel highly honoured by the gracious presence of Shri Lalma Sawma, Principal Secretary (Training and Technical Education) and by the presence of our distinguished guests invitees, parents and each one of you ladies and gentlemen.

Let me begin by extending My Very Best Wishes and Warm Greetings to the graduands receiving their Degrees and Medals at the First Convocation of the Prestigious Delhi Technological University (formerly Delhi College of Engineering) and congratulate them for the distinctions they have achieved during their stay in this University.

With its **illustrious history spanning over 71 years**, beginning with the establishment of the institute in 1941 at the famous and historic Kashmere Gate Campus, celebrating golden jubilee in March 1991, shifting to the present lush green new campus adjoining Rohini township in Northwest Delhi in August 1996 and thereafter, achieving name and fame as India's one of the very best colleges of Engineering and Technology, advancing to the level of recognition as a Delhi Technological University in July

2009 through the Delhi Act 6 of 2009 is in itself a path-breaking journey on the path of excellence of this great institution. You all must be proud of the land mark achievements of this institution and the recognition it has received both in India and abroad for its quality of graduates, its relentless quest for world quality R&D and innovative new product developments which all have touched a new high both nationally as well as globally.

Let, **the illustrious clan of our distinguished alumni** which includes **Vinod Dham**, 1971 EC, The Designer of Pentium Chip, **Raj Sooin**, 1969 Mech. Chairman, Sooin International, Ohio, USA, **K.L. Chugh**, 1960 Mech, Chairman Emeritus of ITC LTd., **Ajoy Choudhury**, 1958 Architecture, Eminent Architect, **Dr. Durga Das Agrawal**, 1967 Mech. President and CEO, Piping Technology and Products, Houston, **Prof. Bhuvanesh Goswami**, 1959 Textile, Distinguished Alumni Professor, University of Clemson, USA, **Prof. Yogi Goswami**, 1969 Mech, Distinguished Professor of Solar Energy Technologies, University of South Florida, USA, **Yogesh Sud**, 1969 Mech, NASA Gold Medalist Scientist, **Surya Kant**, President of TCS for US, UK and Europe, **A.K. Puri**, 1975 Mech., Former CMD BHEL, **A.K. Baweja**, Former CMD, Hindustan Aero. Ltd., **Sanjeev Ahuja**, Former Chairman, Orange SA, **Ashwani Kumar**, former CMD, Bharat Electronics Ltd. currently the Hon'ble Member of the Public Enterprise Board of Government of India, **Anil Sardana**, CMD, Tata Power Ltd., **A.K. Purwaha**,

current CMD of Engineers India Ltd., **S.K. Vij**, former Member Railway Board and President, Indian Building Congress, **B.S. Duggal**, former Director General of C.P.W.D., **A.K. Khurana**, current Director General of CPWD and former Member Engineering, DDA, **Satish Kumar** recently superannuated as Director Delhi Metro, **Dr. Krishan Kumar** Director (Technical) Maruti Udyog Ltd., **Karnail Singh**, IPS, DGP Chandigarh Police, **Arun Goyal**, IAS, Minister of Commerce and Industry, Indian Embassy, Tokyo, Japan, **Prof. Phanish Puranam**, Professor at London Business School and many more, must be a matter of great pride and honour for all of you who are receiving your degrees, medals and prizes at this august Convocation.

**This institution, your alma-mater has a unique distinction of being the mother institution of IIT Delhi, School of Planning and Architecture, College of Arts** and it may not be wrong if we add to this premier league the famous Faculty of Management of Delhi University and Shri Ram College of Commerce, both having been nurtured by the initial genes from the then Delhi Polytechnic of Government of India at Kashmere Gate.

On this momentous occasion when you receive your degrees, medals and prizes from this prestigious university, let you **get a renewed inspiration from our distinguished alumni** and also from all those who have provided this institution the vital strength to stand among the tallest in the community

of engineering institutions in India and have enabled us to earn a high recognition and repute abroad. And let this inspire us to march forward on the path of professional excellence and inspire you to serve the society with utmost devotion and commitment expected from people of capability and knowledge such as yourself, the graduates of this great institution.

I had the privilege of being associated in the conceptualizing the design of this new campus to its final implementation and shifting the institution from its Kashmere Gate to the **lush green magnificent New Campus designed for innovation and energy efficient building designs** and have the privilege of being associated with this institution for the last 22 years ever since I joined as the Principal of Delhi College of Engineering at Kashmere Gate in December 1990. What could be a greater honour than to witness the march of excellence of this great institution to the levels of India's one of the most prestigious Technological University. It's a matter of great pride and privilege to me being the Founder Vice Chancellor of this prestigious University.

You must also feel immensely proud of the **transformation of Delhi College of Engineering into Delhi Technological University in 2009** through the Delhi Act 6 of 2009 as it marks a historic milestone in the march of this premier institution from strength to strength. **This premier institution as a non-**

**affiliating Teaching-cum-Research Technological University is equipped with the necessary academic and administrative autonomy which gave the opportunity to excel beyond the milestones of achievements already accomplished as DCE.** During the last 3 years of functioning of DCE as DTU it has been our endeavour to ensure that the growth with quality becomes the guiding principle besides pursuing new frontiers of knowledge and innovations in emerging and new areas of engineering and technology.

**New Master's Programs have been added** in the area of Microwave and Optical Communication, Nano-Science and Technology, Bio-Informatics, Information Systems, Software Engineering, Geo-Tech Engineering and VLSI Design and Embedded System, in addition to new Under Graduate programs in areas of Automobile Engineering, Electrical and Electronics Engineering, Software Engineering, Engineering Physics and lately Mathematics and Computing. Here again, the major focus has been on nurturing the vital synergy between science and engineering as also to foster inter-disciplinary and trans-departmental approaches. This has further enhanced our focus on industry-relevance and renewed our quest for excellence in an era of knowledge creation and innovations.

We have also **established Delhi School of Management** in DTU to nurture managerial excellence in a campus full

of thrill and excitement of engineering and technology. The purpose here is to create a niche advantage in management education in areas of Technology Management, Knowledge and Innovation Management, Info-System Management and Supply Chain Management all requiring a technology temper and scientific bent of mind. The establishment of the Management School in the campus also equipped the institution with the necessary professional connect with the corporate and the world of business.

The last three years of this great institution as Delhi Technological University have been full of achievements and recognitions coming from society at large, industries at home and abroad, from professional societies in India and abroad and also from the global engineering fraternity. The DTU achieved a new high of its glory with its ranking in Top 10 Best Engineering Institutions in India in reputed independent surveys carried out by Outlook and India Today. **DTU was ranked at No. 7 by India Today and at No. 8 by Outlook among the Top 10 Best Engineering institutions in India in 2011 and in 2012 Outlook also ranked DTU among the Top 10 Best Institutions including the IITs, even placing DTU among the Top 3 in the Campus Placements, surpassing a good number of IITs, and achieving the distinction of being No. 1 in "Return of Investment"**, not an ordinary achievement by any means as the IITs continue to receive the very best

support from the Central Government as institutions of high national importance. With a meager present budget of around ₹ 60 crores p.a. for the DTU it is not an easy task to compete with the high and mighty IITs well stocked with enormous faculty talent and with an annual budget several times that of the DTU. Yet we made it in the top league of the IITs in India Today 2011 as well as in the Outlook Survey 2012. I owe this achievement and recognition to all of you who graduated during the last 03 years and to those who mentored you as members of the faculty, supported you from the Administration and Management of this premier institution.

Let you rejoice the achievements we have made together with your presence in this great institution and let the fire of imagination and the power of knowledge and innovation you have assimilated during your sojourn in this institution inspire you to scale the unscalable and serve the society with utmost humility and distinction.

As you all are aware of the success we registered in respect of **phenomenal placement of our students in highly reputed organizations**, industries and corporates during the last 03 years. As many as 961 job offers were received in 2011 from 176 companies which visited us during 2011-12. This year, by end of December, 2012, 96 highly reputed

What more, all eligible post graduates also were placed through campus placement in 2011-12 marking a unique departure from the previous years. This also goes to demonstrate that the industry in India is now graduating to a higher plateau of industrial activity requiring technology development and new product innovation as an initiative to scale new horizons of local as well as global businesses. The companies which visited DTU includes Microsoft, Facebook, Google, EPIC, Yahoo, Oracle, IBM, Alstom, Samsung, McKenzie, Deloitte, Freescale, Mentor Graphics, Texas Instruments, L&T, Maruti, Tata

Motors, BHEL, NTPC, EIL, GAIL, Indian Oil, CSC, C-dot and even Indian Railways and DRDO visited DTU for the first time for campus placement.

**On innovation front,** DTU Solar Car participated in the World Solar Challenge held in Australia from Darwin to Adelaide in October 2011, our Robotic Submarine and Super Mileage Vehicle also participated in the International Design Competition in US. **DTU UAS team has registered its place in the best top 03 in the international AUVSI design competition held at Maryland in June 2012** and that the **Next Generation Unmanned Arial Vehicle for urban applications, designed and developed by DTU team in collaboration with Lockheed Martin of US** has also been unveiled on November 2, 2012 by Dr. V.K. Saraswat, Director General of DRDO in the august presence of our Chairman BoM, Shri R.P. Agrawal and a

host of scientists and technologists from DRDO and industry captains.

On top of all this **the first Solar Passenger Car of India** designed and developed by our student team led by Shri Dheeraj Mishra and supported by Dr. J.P. Kesari and myself as the faculty mentors was flagged off by Hon'ble President of India from the Rashtrapati Bhawan on September 4, 2012, a rare privilege for DTU innovators and undoubtedly a rare honour to be bestowed by the Hon'ble President of India by flagging off this highly innovative Solar Passenger Car developed by the DTU innovators.

**Another major achievement of the University was to strengthen its interface with the industry and with the world class universities.** DTU entered into MoU with world leader in electronics and mobile

communications, namely M/s Samsung Electronics (India) alongside with MoUs with LaTrobe University, Australia, MoU with National University of Singapore, MoU with National Physical Laboratory, MoU with Indian Institute of Petroleum, Dehradun. An M.Tech program in Software Technology for 20 Samsung Professionals was also started by DTU thus marking the beginning of a new era of academia - industry partnership.

**DTU has also launched two International Journals** in the year 2012. Software Engineering: An International

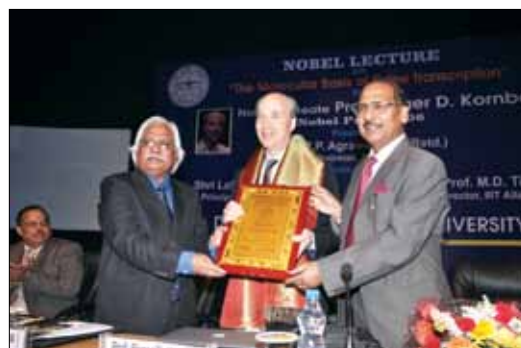

Journal, SEIJ, and the International Journal of Advanced Biotechnology and Bioinformatics, IJABB. IJABB was launched on 2nd November, 2012 - Editor-in-Chief Dr. S.K. Brahmachari,

Director General, CSIR, Executive Editor Dr. Yasha Hasija, Assistant Professor, Department of Biotechnology, DTU. The International Journal was released by Shri R.P. Agrawal, Chairman, BoM, DTU in presence of Director General, DRDO and other dignitaries. Earlier International Journal of Software Engineering launched by DTU was released by Hon'ble Smt. Sheila Dikshit, Chief Minister, Delhi.

The **visit of the Nobel Laureate Prof. Roger D. Kornberg (Nobel Prize 2006) and his Nobel Lecture at DTU** on "Molecular Basis of Gene Transcription" on December 19, 2012 has further inspired all of us in this technological university to pursue the cause of

science for the betterment of the human society. We in DTU have kept our focus on seamless integration of science and engineering and have strengthened this cause by our conscious efforts to add programs such as Engineering Physics, Nano Science and Technology, Mathematics and Computing and Microwave and Optical Communication at UG and PG levels.

Well, with its landmark achievements, taking DTU to new high, the University is all set to greet 2013-14 with **new PG programs in M.Tech in Biomedical**

**Engineering, M.Tech in Industrial Biotechnology and Hydraulics and Water Resources in addition to Dual Degree program B.Tech and MBA** to empower the nation higher end manpower in 06 years of high national and international relevance. Further, we have also opened 07 MBA courses to the B.Tech students currently enrolled in DTU so that they could acquire the management acumen and expertise and pick-up these courses as a major value addition to their B.Tech Degree. A landmark decision to offer **one seat in each of the UG disciplines for the toppers of the Centre / State Board of Senior Secondary Education** has also been taken by the Board of Management of DTU. This will empower DTU with the presence of 15 toppers in our UG programs in addition to high-performers who continue to opt for admission in this prestigious university.

DTU celebrated its 70 years of excellence and organized **Global Alumni Conclave**

**2012 on January 7th – 8th, 2012** at which its Global Alumni Power congregated at DTU Campus. A Pan DCE DTU Portal has also been launched by DTU to provide the vital alumni connect to its alma-mater. The great alumni power of this premier institution has a unique opportunity to pool together their brainwaves to envision their support to shape their alma-mater as an institution of their dream, a world class technological university, in fact a global knowledge enterprise, such that it not only provides the necessary academic and professional ambience to produce engineers of tomorrow but is equipped with the necessary knowledge infrastructure, technology incubation and innovation support mechanism to give rise to student and faculty startups, training and shaping them as highly successful techno-entrepreneurs of the new knowledge age. Towards this end, we expect our alumni to support the rise of highly specialized centres of research and development in areas of high relevance such as solar energy technologies, tomorrow's digital technologies, new and smart materials and composites, nano devices, nano machines and mechanisms and to foster newer vistas of engineering related to tomorrow's medical engineering, sports engineering, music engineering and mind engineering. We shall be pursuing this agenda at the **Global Alumni Conclave this year being organized at DTU on January 19-20, 2013.**

You as the young alumni of this prestigious institution must join

us at this Conclave and share your joy as the young alumni with your distinguished alumni and get further inspirations from their achievements and accomplishments. I invite you all to attend the forthcoming Global Alumni Conclave and join in the **PanDCEDTU Alumni Connect** initiative.

Our quest for excellence in education, research and innovations is greatly value added by the presence of the **Student Chapters of a number of international and national professional societies** such as IEEE DTU Student Branch, SAE DTU Student Club, IET DTU Chapter and student chapters of SPIE, CSE and

IIIE. We successfully bridge the gap between a professional world quality engineer and a graduating engineer by organizing a host of professional

programs and activities under the banner of these professional societies to provide the vital professional connect to our students and faculty.

Annual professional events like TROIKA, INNOVA, THROTTLE, TATVA, PHOENIX, KARYON and AURORA attract the very best minds from within DTU and also from leading colleges of engineering and the IITs to showcase their highly innovative and creative genius to create the vital vibrancy and excitement of engineering in our technological university. The School of Management of the University has also organized during the last 03 years a host of highly relevant programs and activities and made the Delhi School of Management of DTU a buzz in the arena of leading management institutions in India.

I accord my great admiration to the leaders of the professional societies at DTU for their exemplary leadership qualities empowering our technological University with the vibrancy of professionalism and for strengthening our industry interface.

Well the **last three years have been professionally highly rejuvenating, full of excitement, thrill and unprecedented achievements.** As we embark into future years of growth and advancement of this premier technological university we wish to commit ourselves to creating an environment in which scholarship shall find expressions of creative and innovative genius and inspire our faculty and students for effective integration of their capabilities with human values so that we become a major partner in progress in supporting

the advancement of this great nation to one of the most prosperous and developed nation of the world where prosperity and happiness shall co-exist as it has been in the days of glory of our mother land when it was the “Wonder of the World”, a heaven on earth for the humanity.

Let you, the graduands receiving your Degrees, Medals and Prizes today from this prestigious institution, join us in this great march of glory on the pathways of academic, research and innovation excellence of your alma-mater.

Let you **pursue the profession of engineering with great passion** and bring glory to your parents and to this great country by your relentless pursuit of excellence and by your unclenching faith in the dignity of man and your selfless service to the society.

Young graduands, the nation has high hopes from you and I have no doubt in my mind that you will live up to the high expectations of your alma-mater and that you will meet the challenges with courage and confidence. **May the God Almighty be with you in your service to the mankind and let the torchlight of knowledge, which you have acquired during your stay at this prestigious university, enable you to manifest your life to the fulfillment of the cherished objectives of human existence.** This University, your alma-mater shall always be proud of your

achievements and we, who have been associated with you during your sojourn at this premier institution, shall always pray for your success.

Let me finish by reminding you that you are the new generation professionals equipped with immense capabilities. It is important therefore, that you **exercise all care and caution to exhibit your high moral and ethical commitment to your work activity and throughout your professional life.** I hope you remember the famous Nachiketa story in the Kathopnishad whereby having realized that Nachiketa has acquired the requisite knowledge and expertise to decode the secret of creation, he was ordained as “यस्तु विज्ञानवान भवतु मनसा सदा शुचि” meaning thereby that Let you adore science but ensure that you retain the purity of mind so that your actions largely benefit the people and cause no harm to anyone. You being the Nachiketas of the modern world equipped with world-class science, technology capabilities and managerial acumen have also to maintain purity of your thought and actions so that

you rise to the high expectations of the people of this country and enrich our age-old traditions of scholarship and service to the mankind and Mother Nature.

May I pray, let you all excel in your profession and achieve perfection through your worship of work. Let the Vedic command “कुशलाना प्रमदितव्यम्” be your inspiration. Let the “स्वाध्याय ना प्रमदितव्यम्” be your life philosophy to achieve life-long enlightenment and let your efforts lead the humanity to its destined divine goal of “सहनौ बृहम् वर्चसम्” i.e. to march together to manifest the divinity within to attain eternity during one’s life time.

Thank you young graduands, ladies and gentlemen.

## Lt. Governor's Gold Medal

Awarded to outgoing student of final year adjudged—as the best student on the basis of best academic performance

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4EC634	JAYESH JAYARAJAN	Bachelor of Engineering	Electronics & Comm. Engineering	2007-08
2	2K5EC644	K R RAGHUNANDAN	Bachelor of Engineering	Electronics & Comm. Engineering	2008-09
3	2K6BT017	TUSHAR SRIVASTAVA	Bachelor of Engineering	Bio- Technology	2009-10
4	2K7ME262	MAYANK GARG	Bachelor of Engineering	Mechanical Engineering	2010-11

## Chief Minister's Gold Medal

Awarded to outgoing student of final year adjudged—as the best student on the basis of second best academic performance

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4CE443	RAHUL JAIPURIYAR	Bachelor of Engineering	Civil Engineering	2007-08
2	2K5EC662	PIYUSH ARORA	Bachelor of Engineering	Electronics & Comm. Engineering	2008-09
3	2K6BT012	POOJA JOSHI	Bachelor of Engineering	Bio- Technology	2009-10
4	2K7EC670	PRANAV AGGARWAL	Bachelor of Engineering	Electronics & Comm. Engineering	2010-11

## Principal's Gold Medal

Awarded to the outstanding performer of B.Tech. (Part-time) student

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	28307	Lalit Kumar Pardasani	B.Tech. (Part-time)	Mechanical Engineering	2007-08
2	19822	Sonal Sharma (W)	B.Tech. (Part-time)	Electronics & Comm. Engineering	2008-09
3	16320	Satish Kumar Kaushal	B.Tech. (Part-time)	Electronics & Comm. Engineering	2009-10
4	17723	Shalini Rajput (W)	B.Tech. (Part-time)	Electronics & Comm. Engineering	2010-11

## Dr. S. P. Luthra Gold Medal

Awarded to the best performer in Mechanical / Electrical Engineering from amongst the graduates of the year

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4EE815	GUNJAN JAIN	Bachelor of Engineering	Electrical Engineering	2007-08
2	2K5EE843	PRERIT SHISHODIA	Bachelor of Engineering	Electrical Engineering	2008-09
3	2K6ME270	MAYANK JAIN	Bachelor of Engineering	Mechanical Engg.	2009-10
4	2K7ME262	MAYANK GARG	Bachelor of Engineering	Mechanical Engg.	2010-11

## Dr. J. N. Moudgil Gold Medal

Awarded to the best performer in Mechanical/ Electrical/ Civil Engineering from amongst the graduates of the year

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4CE443	RAHUL JAIPURIYAR	Bachelor of Engineering	Civil Engineering	2007-08
2	2K5EE843	PRERIT SHISHODIA	Bachelor of Engineering	Electrical Engineering	2008-09
3	2K6ME270	MAYANK JAIN	Bachelor of Engineering	Mechanical Engineering	2009-10
4	2K7ME262	MAYANK GARG	Bachelor of Engineering	Mechanical Engineering	2010-11

## Prof. Arun Kumar Memorial

Awarded to the best performer in Civil Engineering from amongst the graduates of the year

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4CE443	RAHUL JAIPURIYAR	Bachelor of Engineering	Civil Engineering	2007-08
2	2K5CE425	KUNAL SONI	Bachelor of Engineering	Civil Engineering	2008-09
3	2K6CE409	ALIND SHEKHAR	Bachelor of Engineering	Civil Engineering	2009-10
4	2K7CE409	ANKUR SAPRA	Bachelor of Engineering	Civil Engineering	2010-11

## Smt. Jagdamba Devi Shukla Gold Medal

Awarded to an outgoing female student of final year who secures highest marks in B.E. Programmes irrespective of any branch of engineering

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4PS568	NEHA DHAR	Bachelor of Engineering	POLYMER SCIENCE & CHEMICAL TECHNOLOGY	2007-08
2	2K5CO154	VARSHA SHANKAR	Bachelor of Engineering	COMPUTER ENGINEERING	2008-09
3	2K6BT012	POOJA JOSHI	Bachelor of Engineering	Bio-Technology	2009-10
4	2K7EC666	NEHA CHATURVEDI	Bachelor of Engineering	Electronics & Comm. Engineering	2010-11

## Pt. C. L. Shukla Gold Medal

Awarded to an outgoing male student of final year who secures highest marks in B.E. Programmes irrespective of any branch of engineering

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4EC634	JAYESH JAYARAJAN	Bachelor of Engineering	Electronics & Comm. Engineering	2007-08
2	2K5EC644	K R RAGHUNANDAN	Bachelor of Engineering	Electronics & Comm. Engineering	2008-09

4	2K7ME262	MAYANK GARG	Bachelor of Engineering	Mechanical Engineering	2010-11

## DCE Alumni Gold Medal

Awarded to the topper of B.E. (EC) of Delhi College of Engineering

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4EC634	JAYESH JAYARAJAN	Bachelor of Engineering	Electronics & Comm. Engineering	2007-08
2	2K5EC644	K R RAGHUNANDAN	Bachelor of Engineering	Electronics & Comm. Engineering	2008-09
3	2K6EC694	SALONI	Bachelor of Engineering	Electronics & Comm. Engineering	2009-10
4	2K7EC670	PRANAV AGGARWAL	Bachelor of Engineering	Electronics & Comm. Engineering	2010-11

## SEMDCE Prof. D. Goldar Gold Medal

Awarded to a member of SEMDCE Student Chapter for securing highest marks in the subject of Determinate structure analysis (CE-201).

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4CE450	SAMEER AHMAD	Bachelor of Engineering	Civil Engineering	2007-08
2	2K5CE425	KUNAL SONI	Bachelor of Engineering	Civil Engineering	2008-09
3	2K6CE409	ALIND SHEKHAR	Bachelor of Engineering	Civil Engineering	2009-10
4	2K7CE409	ANKUR SAPRA	Bachelor of Engineering	Civil Engineering	2010-11

## Kewal Krishan Gera Memorial Gold Medal

Awarded to outgoing student of Mechanical/ Production Engineering

S. No.	Roll No.	Name	Programme	Specialization	Academic Session
1	2K4PE354	DEEPAK	Bachelor of Engineering	Production & Industrial Engineering	2007-08
2	2K5ME242	JAYANT RAMCHANDRAN	Bachelor of Engineering	Mechanical Engineering	2008-09
3	2K6ME270	MAYANK JAIN	Bachelor of Engineering	Mechanical Engineering	2009-10
4	2K7ME262	MAYANK GARG	Bachelor of Engineering	Mechanical Engineering	2010-11
