Notice for inviting quotation for consumable items

For the procurement of the required consumable items such as the chemicals for SERB, DST sponsored project titled “Design and development of 2D/3D self-assembled antibacterial nanofibrous structures from regenerated nonmulberry silk fibroins and its blends for medical textile applications”, in Research Laboratory-III, Department of Applied Chemistry, on behalf of Delhi Technological University, invites sealed quotations from vendors within fourteen days of this notice in HoD office, Department of Applied Chemistry, DTU addressing Dr Roli Purwar. The specifications of the items are as follows:

S.No.	Item	Quantity	Name of Company
1.	1-butyl-3-methylimidazolium acetate	100 g	Sigma Aldrich
2.	Dialysis Cassettes	1 No (pack of 4)	Thermofisher
3.	Acryloyl Chloride	100 mL	Thermofisher/Merck
4.	Clay nanopowder	25gX2	SRL

Interested vendors can submit their quotations.

Dr Roli Purwar (PI)
Associate Professor
