

Govt. of NCT of Delhi
DELHI TECHNOLOGICAL UNIVERSITY
(Formerly Delhi College of Engineering)
Shahbad Daultapur, Bawana Road Delhi – 110042

NOTICE

Delhi Technological University is starting new Post-Graduate programme, M.Tech. by Research in emerging/thrust areas in the various departments from the Academic Year 2024-25. M.Tech. by Research, is a Two-year degree that emphasizes on research and scholarly inquiry in a particular field of study. The traditional Master of Technology (M.Tech.) program has a substantial coursework component whereas M.Tech. by Research places a stronger focus on conducting original industry-focused research and development under the guidance of a faculty supervisor. It will develop a strong base for joining research organizations as well as pursuing Ph.D level research in India and abroad.

M.Tech. by Research aims to produce highly skilled professionals and researchers who can meaningfully contribute to the development and understanding of specific area of interest within their discipline, while also deepening and widening their knowledge and skills in a research-intensive environment and its applications in modern society.

DTU invites applications from bright and dedicated candidates interested in joining the M. Tech. by Research programme in 11 departments for the session beginning in August 2024. Information on eligibility, minimum qualifications, Fee Structure and stipend rules are briefly provided in the admission brochure 2024-25 at DTU Website (www.dtu.ac.in).

Interested candidates who fulfils the eligibility criteria and desirous of taking admission to M.Tech. by Research programme can apply on DTU Admission portal https://saarhi.dtu.ac.in/admissions2024_25/.

Last date of registration for M.Tech. by Research is 9th July 2024.
