JOY OF GIVING '25

The Joy of Giving event was organized by the MCE Students Community under the Department of Applied Mathematics with the aim of spreading kindness, generosity, and social responsibility among students and faculty members. The event encouraged participants to contribute to various charitable causes and foster a spirit of community service.

Date: 14/01/2025 to 16/01/2025

Venue: Department Of Applied Mathematics & V.V.S Hostel

Organized By: MCE Students Community

Location: Delhi Technological University

Duration: 3 days

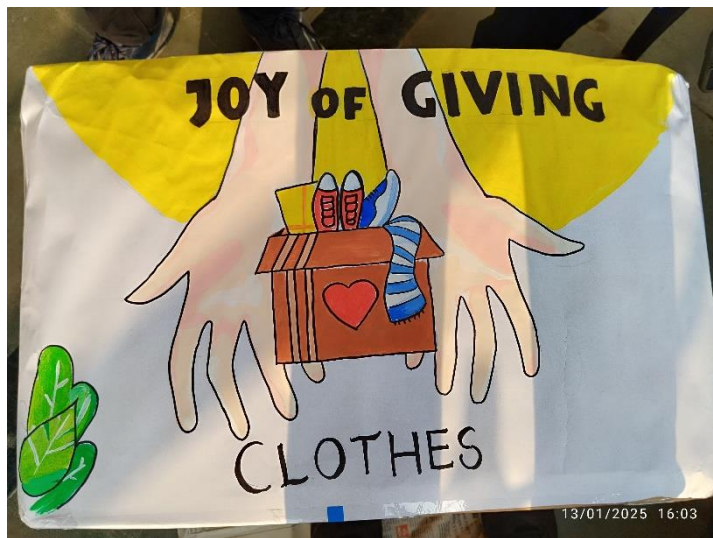

Fig1 & Fig2 : Donation Box prepared by creative members

Objectives of the Event :

- To instil the values of empathy and social responsibility among students.
- To promote the culture of giving by organizing donation drives and awareness programs.
- To engage students in meaningful activities that create a positive impact on society.

Event Highlights :

1. Donation Drive:

- Students and faculty members contributed clothes, books, stationery, food packets, and other essentials for underprivileged communities.
- The collected items were distributed to local NGOs and needy individuals.

2. Awareness Campaign:

- Informative sessions were conducted to highlight the importance of social service and sustainable giving.
- Posters and digital campaigns were used to spread awareness about the power of giving back.

3. Distribution of Collected Items:

The primary focus was on collecting a variety of items, including:

- Stationary items
- Reusable things
- Winter clothes and blankets

Acknowledgments

We extend our heartfelt gratitude to all volunteers, faculty members, and donors who contributed to the success of this event. Special thanks to the **Department of Applied Mathematics** and Dharendra Kumar sir for their unwavering support and guidance.

Feedback and Reflections

Participants expressed their appreciation for the initiative, highlighting the importance of giving back to the community. Many noted that the event not only helped those in need but also fostered a sense of unity and purpose among participants. Feedback collected through surveys indicated a desire for more such events in the future.

Conclusion

The **Joy of Giving** event was a resounding success, fulfilling its objective of fostering kindness and generosity. The overwhelming support and participation reinforced the belief that small acts of giving can make a significant difference in people's lives. We look forward to organizing more such initiatives in the future to continue making a positive impact.
