Swachhata Abhiyan Activity Report

Name: Department of Applied Physics

Location: Science block, ground floor.

Date: 20/08/2025

Reporting Period: 11:00 AM

1. Objective of the Campaign

The purpose of the Swachhata Abhiyan (Cleanliness Campaign) is to promote cleanliness, hygiene, and sanitation in public spaces, workplaces, and communities, contributing to a cleaner and healthier environment.

1. To create awareness about the importance of cleanliness and hygiene among people.
2. To encourage participation in cleaning public areas, offices, and surroundings.
3. To promote proper waste management and discourage littering.
4. To instill a sense of responsibility and civic duty towards maintaining a clean environment.
5. To support the larger goal of the Swachh Bharat Mission for a cleaner India.

3. Photographs Attached

4. Impact Assessment

- more greenery in the surroundings and a clean area in the premises.
- A lot of students volunteered in the drive and encouraged us to organize such events on regular intervals.
- Sustainability measures were adopted in which biodegradable and non-biodegradable waste dustbins were placed all around the premises.

5. Challenges Faced

Although enough volunteers were present for the drive, some people refused to join.

6. Suggestions/Recommendations

Conduct cleanliness drives at regular intervals to maintain hygiene.

Awareness Campaigns: poster presentations, Oath ceremony, motivational speech.
