MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding (MoU) is entered into on this **20th day of August 2026**.

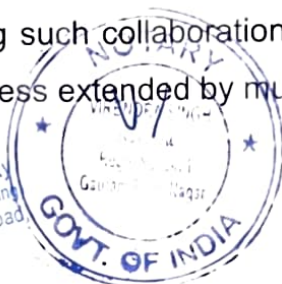

BY AND BETWEEN

Deepmindz Innovations Pvt. Ltd., a company registered under the Companies Act, 2013, and recognized as an MSME and Startup, having its registered office at First Floor, Club 125, Sector 125, Noida, Uttar Pradesh-201013 (hereinafter referred to as "Deepmindz"), and, **Delhi Technological University** (hereafter referred to as DTU), and both are referred to as 'parties'.

Whereas Deepmindz Innovations Pvt Ltd has core competence in designing and deploying scalable AI based software, including real-time analytics, computer vision-based surveillance, voice AI, edge AI and enterprise automation solutions for government and industry applications; and whereas DTU is a high-caliber technical university of national repute known for excellence in engineering, research, and innovation; and whereas both Parties recognize the value of industry-academia collaboration in advancing applied research and real-world technology development.

Now, therefore, the Parties hereto are desirous of strengthening academic, technical, and research collaboration, particularly in the areas of artificial intelligence, data science, and emerging technologies, including development of AI-driven platforms, systems, and solutions, undertaking proof-of-concept (PoC) projects, and jointly pursuing research grants and funding opportunities from government and private agencies, and in formalizing such collaboration for a period of **3 years** from the date of signing, unless extended by mutual consent.

Registrar
Delhi Technological University

Delhi-110042

Under this MoU, the Parties intend to undertake joint academic initiatives, applied research programs, technology development, innovation-driven activities, and grant-funded projects, which may be expanded or modified from time to time, subject to mutual agreement and evolving requirements.

AND THEREFORE, NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERE UNTO AS FOLLOWS:

1. Scope of Collaboration

There will be collaboration between the Department of Software Engineering, DTU and DeepMindz.

The Parties agree to collaborate in the following areas:

- a) Joint research and development in AI, data science, and emerging technologies
- b) Development of innovative products, platforms, and solutions
- c) Academic collaboration, including training, workshops, and knowledge exchange
- d) Industry-academia integration for practical implementation of research

2. Nature of Engagement

- a) The collaboration shall be non-exclusive and based on mutual consent.
- b) Specific projects, programs, or initiatives shall be undertaken through separate agreements or work orders, where required

Shahbad Daulatpur, Bawana Road,
Delhi-110042

- c) Activities may evolve over time based on mutual discussions and requirements.

3. Intellectual Property Rights (IPR)

- a) Any Intellectual Property generated under this MoU shall be jointly owned unless otherwise agreed in writing.
- b) Detailed terms regarding ownership, usage, and commercialization shall be defined on a case-by-case basis.

4. Resource Sharing & Participation

- a) Both Parties may facilitate exchange of professionals, faculty, researchers, and students.
- b) Joint participation in seminars, workshops, training programs, and technical sessions shall be encouraged.
- c) Both parties can share in public domain about their collaboration based on this MoU. Deepmindz can share with its prospects and customers on all channels of communication like LinkedIn, presentations, website of DeepMindz about this MoU to take the solutions to the market which will benefit DTU faculty and students getting insights into the productization aspect.
- d) DTU can also share about its collaboration with Deepmindz as its industrial partner

5. Research & Funding

- a) The Parties may jointly undertake research projects and apply for funding from government or private bodies.
- b) All proposals shall be submitted with mutual consent and necessary approvals.

Delhi Technological University
(Formerly Delhi College of Engineering)
Shahbad Daultpur, Bawana Road,
Delhi-110042

6. Academic Collaboration

- a) DTU faculty and its students may engage with Deepmindz for research, internships, proof of concepts, or project work, scaling their ideation, maintaining the prototypes and converting these prototypes to industrial grade solution and products subject to mutual agreement.

7. Training & Skill Development

- a) Deepmindz may provide training programs in AI, analytics, and related technologies for DTU students and faculty.
- b) DTU may also extend academic, domain-related and technical training support to Deepmindz representatives.

8. Financial & Commercial Terms

- a) Any commercial engagements, financial arrangements, or revenue-sharing models arising out of this collaboration shall be decided separately on a case-by-case basis through mutual discussion and written agreement between the Parties.

9. Confidentiality

- a) Both Parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the collaboration.
- b) A separate NDA may be executed if required for specific engagements.

10. Termination

- a) Either Party may terminate this MoU by giving 30 days written notice.

Registered
Delhi Technological University
(Formerly Delhi College of Engineering)
Shahdara, Delhi-110022

- b) Ongoing projects shall continue as per agreed terms unless otherwise decided.

11. General Terms

- a) This MoU is intended to facilitate collaboration and does not create any legal or financial obligation unless specified separately.
- b) Any disputes shall be resolved amicably through mutual discussion.
