PROGRAMME

December 24, 2020

- 11.00 AM Arrival of the Hon'ble Deputy Chief Minister, Govt. of NCT of Delhi and Principal Secretary, DTTE at Dr. B.R. Ambedkar Auditorium, DTU.
- 11.12AM National Anthem and Invocation
- 11.15 AM Convocation is declared open by the Hon'ble Vice-Chancellor, DTU
- 11.16 AM Presentation of University report by the Hon'ble Vice-Chancellor
- 11.30 AM Presentation of Degrees by Dean Academic UG and Dean Academic PG
- 11.35 AM Signing of Scroll of the Degrees by the Hon'ble Vice-Chancellor, DTU
- 11.40 AM Presentation of Chancellor Medals by Dean Academic UG and Dean Academic PG
- 11.45 AM Address by Shri Manish Sisodia, Hon'ble Deputy Chief Minister, Govt. of NCT of Delhi
- 12.01 PM Convocation Address by Prof. Dharendra Yogi Goswami, University of South Florida, USA & a DCE/DTU Alumnus
- 12.15 PM Address of the Hon'ble Chancellor, Lt. Governor, Govt. of NCT of Delhi to be read by Hon'ble Vice-Chancellor, DTU
- 12.25 PM Administering of Oath by the Registrar, DTU
- 12.30 PM Release of DTU Times, Booklet of Progress & Accomplishments (2015-2020) and Born to Inspire
- 12.35 PM Presentation of Mementos
- 12.40 PM Hon'ble Vice Chancellor, DTU to declare the Convocation closed
- National Anthem and departure of Academic Procession.
- The graduates and the guests will remain standing till the procession leaves the Auditorium.

MESSAGE

I am pleased to learn that Delhi Technological University (DTU) is organizing the 7th Annual Convocation ceremony on 24th December, 2020, On this occasion, I congratulate DTU on the conclusion of another glorious year.

DTU has always proven its prowess in providing its students world class education and research facilities, which is evident from the talent pool of the graduates passing out every year from this premier University. The efforts of students and the University in adapting to the changing environment and maintaining the quality of technical education even in the present time of COVID 19 pandemic, makes this ceremony more special. As the Chancellor of DTU, I also feel proud of the spirit of service inculcated in the students by the University.

Convocation makes an important milestone in the educational journey of students. I am confident that the students crossing this important milestone, would uphold the values they have acquired at their alma mater and strive to work towards the betterment of society.

I convey my heartiest greetings and congratulations to the graduating students, the faculty and staff of DTU on this occasion and wish the graduates all the best in their future endeavours.

MESSAGE

It gives me immense pleasure to learn that the **Delhi Technological University** is organizing its' 7th Annual Convocation Ceremony on 24th December 2020. I would like to take this opportunity to congratulate the students, parents and faculty members of DTU.

DTU being among the top engineering institutions in the country, has been successfully producing diligent and industry ready professionals each year through dedication, discipline and steadfastness. I am extremely gratified to see that the university stood up to its aim of nurturing students to face the bigger challenges in their life, as it set an example by not compromising on quality of education, continuing the semester online, and concluding the session in time, despite all odds of the pandemic.

I am happy to note the significant progress and growth of DTU in the last few years. I hope that each student receiving this degree can go on to become yet another shining example of DTU's glorious alma mater.

I extend my best wishes to all graduating students for their bright future.

MESSAGE

As Delhi Technological University is organizing 7th Convocation, I feel extremely pleased to congratulate all the graduating students for the conferment of their degrees, and also those who are being acknowledged for their scholastic accomplishments.

Delhi Technological University is among the top engineering institutes which has made a place of excellence and fine achievements of thousands of students in their educational and life journey during the defining years. Even in these unprecedented times, DTU has maintained its fervour in the way it impacts the lives of its students-both professionally and personally.

DTU Alumni occupy prominent positions in Indian academia, industry, public service etc., also serving leadership role at international corporations that impact billions of people around the globe. I trust that the graduating students will also work for the betterment of the society, fully applying the skills and training which they have been privileged to receive during their time at the university.

I extend my heartiest best wishes to the graduating students as they move out onto a large ground and wish success in their future endeavours.

MESSAGE

I congratulate all the students of Class of 2020, who will receive their degrees today, as Delhi Technological University celebrates its 7th Convocation, and I would like to extend my wishes to the administration, faculty members and everyone else associated.

DTU has continually produced finest individuals who have set a path for generations to follow over the past 79 years. As students are receiving their degrees persevering through the tough times of the pandemic, I feel proud to see the youth holding in their hands, the key to the door of success. As future leaders, I trust that the students will demonstrate leadership qualities that will reflect the values nurtured during their years at DTU.

I wish the students the very best for their successive endeavors and hope that they attain success in every venture.

MESSAGE

With the graduation of another batch of students this year, is a great moment of joy for me as Delhi Technological University hosts its 7th Convocation on 24th December 2020. I would like to take this moment to congratulate all the students of Class of 2020 who will receive their degrees today, for their well- deserved success.

DTU has been a proud alma mater of alumni who have stood apart in whichever field they have chosen to set their foot in. But this year has been exceptional with the world facing extraordinary circumstances in the face of COVID-19 pandemic. Forever, you would be recognized as a group of students who defied greater challenges, and propelled with blooming colors with your persistence and commitment. Your hard work and individual efforts to achieve this milestone are to be commended and valued. I would also like to thank the parents and the faculty members of the Class of 2020, for their continuous support and affection towards the students which made them reach this milestone.

As all the graduating students prepare to take on the next chapter of their lives, I congratulate them once again and wish them all the success and happiness in their life. I urge you to take upon yourselves the duty to uphold the legacy of this institution as proud alumni members and continue to achieve greater heights in life.

(Yogesh Singh)

Address

by

Shri Anil Baijal

Hon'ble Lt. Governor, Govt. of NCT of Delhi and Chancellor, DTU

Hon'ble Deputy Chief Minister and Education Minister of Delhi Shri Manish Sisodia, Vice-Chancellor DTU Prof. Yogesh Singh, Chief Guest Prof. D. Yogi Goswami, Deans and all heads of departments, faculty members, distinguished guests, medal and degree recipients and our bright and gifted students, I am honoured to be part of the seventh convocation of Delhi Technological University. Each year we gather here to cherish and celebrate the laurels and accolades of the graduating class. This year is special as we not only appreciate the academic proficiency of the students but also acknowledge their collective efforts and perseverance through this pandemic.

In the past few months, you, the graduating students of 2020, have witnessed the situations which have brought massive damage, but have also poised to transform the fabric of society. Yet, your extraordinary determination, sacrifice and an unwavering sense of purpose, helps you to flourish in such dire circumstances. The medals and degrees you achieve today are a testament of your ability to carry on in the face of unforeseeable happenings and each one of you deserves to be proud of making it till here. I would also like to extend my gratitude to every parent and faculty member who helped you traversing this journey and now have the privilege of watching it culminate in this beautiful ceremony.

For the past eight decades, Delhi Technological University has been synonymous with growth, progress and excellence in academia as well as research. The University has kept pace with an increasingly globalized India by constantly upgrading its curriculum, providing state-of-the-art research facilities and equipping students with the latest technological knowledge to ease their transition into an increasingly competitive world. A harbinger of change in the field of holistic education, DTU caters to students from engineering, management as well as design fields, all under one roof. With the introduction of the new bachelor programme in Design, the university has played a crucial role in surpassing the conventional boundaries that have existed among the various streams of higher education.

When it comes to the ranking and credentials, I am happy to share some statistics. This year DTU has been declared as the 5th best Institute in the country by India Today. According to the prestigious National Institute Ranking Framework (NIRF), Government of India, we are placed at 36th position. Internationally, DTU has been ranked between 800-1000th position in the world by Times Higher Education World Rankings of 2021, between 301-350 in Asia University Ranking and 551-600 in Asia QS Ranking.

Today, at the 7th convocation, 2549 students including 2058 UG, 430 PG and 68 Ph.D. students are being awarded degrees. When it comes to training and placements, the total of 1544 offers have been received this year by the DTU Students, with the highest package of 51.75 lacs, which is offered to 6 students by Atlassian and the average package is 12.29 lacs per year in the batch 2019-2020. Now, as for the current batch 2020-2021, 109 companies offered 652 offers with average salary till date is 16.71 lacs per annum along with 41 companies offered 215 internships with the highest stipend of 2 lacs per annum offered to 13 students provided by Sprinklr.

As regards the faculty performance, DTU has not slowed the pace even in this pandemic situation. This year 7 of 23 scientists from Delhi government universities featured in Stanford University list of world's top 2% scientists are from DTU. So, we have achieved many milestones since the last convocation and pace of growth is quite satisfying.

The Delhi Technological University has adapted to the changing educational environment in the times of Corona Pandemic. The University has once again demonstrated its technical capability by successfully conducting AI-proctored online exams for all final year pupils and imparting education through these technologies without letting down its quality. The University also provided students with e-book services, ensuring their safety while providing them with an enormous bank of knowledge.

Once again I appreciate the university administration for their efforts towards successfully transforming a conventional physical process into a completely virtual one, whilst maintaining its true purpose and goal. Whether you define success in terms of scholastic achievements, admissions in the university of your choice, acing an exam, or placements remember that true growth will come your way when your skills contribute to the betterment of humanity and add virtue to our rapidly evolving world. It is this indomitable spirit of yours that will be your weapon in the trials and tribulations that may come your way.

I am extremely proud of the students who have performed exceedingly well and have received the highly coveted Gold Medals and Awards. It is in defining moments like these, that the tremendous hard work, sacrifices, effort and passion that you have put into your education, coalesce together. These few years of schooling will serve as your guiding beacon as you forge your own path to the destiny that beckons you.

I am confident that the future of India is in the hands of individuals who have displayed their ingenuity when it mattered the most, worked as a team and did rise up to the occasion when their country demanded it of them. The lessons you have learnt here will serve as a guiding lamp when you find yourself meandering, and I hope you will utilize your learnings for the welfare of humanity. May your future be glorious, filled with peace, prosperity and unbridled happiness and you navigate the undulating terrain of life as torchbearers of a new India and proud alumni of this celebrated institution.

DTU 7th Convocation

Address

by

Dharendra Yogi Goswami

Distinguished Professor, University of South Florida, USA

Respected Vice-Chancellor, members of the administration, distinguished guests, faculty, graduates of the University, ladies and gentlemen. It is an honor for me to be part of celebrations of the graduating Class of 2020 at the 7th Convocation at Delhi Technological University, today.

This institution is special to me for many reasons. I am a proud alumnus of DTU, formerly Delhi College of Engineering. I have also had the pleasure of interacting with faculty and students of DTU on many previous visits here. I, therefore, feel a special kinship with the graduates we honor today. As a globally recognized institute for innovation and excellence, DTU has been preparing you to lead in your chosen field and contribute meaningfully to this global world, by imparting you the right mix of knowledge, along with holistic grooming of your personality. This will surely open up new horizons for you, as it did for me.

To the Class of 2020, in this date and time of the pandemic, though it is not the same as being in the ceremony in person, this virtual ceremony still holds the same connotation as it did in the past. Know that the whole world is waiting for your contributions, and I have no doubt you will make this world a better place to live for all.

As graduates of a university with an international reputation, you are very well positioned to lead and contribute in this world. This day is a moment of pride for you, your family, your mentors, and your institution. As you step out of the maternal bounds of this university, you must remember that you are entering the next chapter of your life with immense opportunities to flourish. As you embark on this journey, you will also face many challenges, but remember that challenges in life are in fact opportunities that will lead to your overall growth and development. The lessons you attained from your time here, not just academic but also inter-personal, will remain with you forever and help you in shaping yourself into a better human being.

I believe, however, that your class has the chance to be the start of something truly extraordinary, to appreciate again the value of ordinary human experience and to cooperate once again for the common good. You enter a world that needs not only your talent, but also your insight, your courage, and your compassion. With those qualities and with the education you complete today, you have the opportunity to chart a new course.

Remember, you were admitted to DTU because you were among the brightest young men and young ladies in the country. Now that you have received this quality education from DTU and the mentorship from the top-notch faculty, you will have the responsibilities and opportunities to do things that improve the lives of others in the society, the country and indeed the whole world.

I want to focus on this responsibility for a moment. Those of you who decide to work for industry; you must commit to provide products and services that improve the quality of life of people in this society. And those of you who work for the government must commit to do your job such that it helps the citizens, especially those at the lower end of the society. However, I have a special message for those that think out of the box; that look at what people around them need and use their innovative minds to find solutions that did not exist before. They are the ones that, instead of looking for jobs, will start companies that will not only fill the needs of the society, but also create jobs for many others. My message to such innovative minds is to look around and see if some technology or a business model

can help the society or improve the quality of life of people around you. And based on your ideas, form a team and start a business. I can give you hundreds of examples, such as Bill Gates that started Microsoft and Steve Jobs that started Apple right out of College because they found computers very difficult to use and felt the need to make them more user friendly. However, your idea does not have to be that big. It can be something small that helps people live their life a little better. My own personal example starts from my family. My son is asthmatic from birth and has many allergies. We could take care of his asthma triggers from foods such as nuts, but I found that there were some triggers in air also. So we needed an air purifier. However, when I looked around for an air purifier that would help him, I found that there was nothing available on the market that could help him. That is when I thought of a solar technology I had developed that could be configured to purify the indoor air to help him breathe better. That technology helped him and my daughter, so we thought we should make it available to other children also. It is now available to the world as Molekule (<https://molekule.com/>), which disinfects and detoxifies the indoor air. This technology is now not only helping other children, it is also helping millions of people in the present COVID-19 pandemic.

I am sure there are many innovative minds in this class of 2020. And I am also sure some of you will look around and find problems of people or society that you have the ideas to solve. And if you are determined, you will find many others who can help you make your dream a reality – whether you need investment for your start-up ideas or mentorship from experienced faculty at DTU – that help will be there. Years ago, when I met former President Dr. Abdul Kalam for the first time he handed me a piece of paper which had written on it – Maharshi Patanjali in Yoga Suthras more than 2000 years ago said: “When you are inspired by some great purpose, some extraordinary project, all your thoughts break their bounds; your mind transcends limitations, your consciousness expands in every direction, and you find yourself in a new, great and wonderful world. Dormant forces, faculties and talents become alive, and you discover yourself to be a greater person by far than you ever dreamed yourself to be.” The words of Maharishi Patanjali shall always ring in our minds towards ushering India as a knowledge superpower in the firmament of developed nation.

Whether you work for the industry, the government or your own start-up, please keep certain values always with you. Number one of those values is your ethics. No matter what, you will always be firm on your ethics. And you will always help those who are less fortunate than you.

As you went through your education at DTU, your teachers not only taught you in the class, but on many occasions also gave you advice unrelated to the subject matter they teach. Remember that your teachers went above and beyond their assigned duties to help you become successful and better human beings. Make sure to always thank them throughout your life.

One final thought - DTU has given you a lot. It has honed your raw talent into well educated people who will earn more money than they need for personal needs. Remember to give back to DTU, whatever you can in your life, so that it can continue to educate future generations. DTU will use that money to give scholarships for future students, attract world-class faculty, improve the educational infrastructure, improve research facilities and many other uses.

I want to congratulate the graduating Class of 2020 for receiving their degrees and distinctions and send you my heartfelt best wishes. As you prepare to take on the next chapter of life, I wish you all the luck and success. I urge you all to take the onus to uphold the proud legacy of this prestigious university. Thank You!

Vice Chancellor's Report

Presented by

Prof. Yogesh Singh

Vice Chancellor, Delhi Technological University, Delhi

I warmly welcome you all to the Seventh Convocation Ceremony of Delhi Technological University with a sense of gratification and ardent pride. For graduating students, it is a profound and defining moment. It represents the culmination of years of their persistence, hard work, and the burning of midnight oil. The convocation ceremony every year gives us all an opportunity to appreciate our past accomplishments, while revealing new challenges that we need to be prepared for in the future.

In the year 2020, we are facing an unprecedented time. The COVID-19 pandemic has brought the world to a slow down the pace. Even in such trying times, Delhi Technological University has shown great preparedness and adaptability to battle the pandemic. Even though our plans have been altered and have come with unforeseen challenges, the students and faculty of DTU have strived together to overcome the obstacles. The commencement of the convocation ceremony in a mixed physical and online mode is testimony that the DTU does not bow down to any circumstances, and passes this baton of resilience to its graduates.

With the University partially closed due to the outbreak of COVID-19, prompt decisions were taken to enable remote learning with the help of internet-based technologies and platforms, arrangement for online internships, conduct of exams in online mode, to name a few. The competent faculty ensured that graduating students receive support and

guidance to complete the semester from remote locations with ease. The University placed measures to ensure that in this extraordinarily demanding and stressful time, all the members of DTU are taken care of, specifically as it relates to their emotional well-being.

Meaningful milestones are not achieved in a day, or by individuals- but are accomplished by a group of individuals working in tandem towards a collective goal. DTU (Erstwhile Delhi College of Engineering) has a glorious history of 79 years, with a ranking in the top ten best in engineering institutions in India in reputed surveys carried out by Outlook and India Today since 2011, and has made its mark in a number of frontier areas of engineering and science at a global level - a feat made possible by unrelenting commitment and passion of students, faculty members and staff. The university has remained powerful in looking beyond education, and it is committed to aspire for a better world where wisdom and compassion can reign supreme.

DTU offers an unparalleled educational atmosphere that promotes interdisciplinary and a profound sense of harmony, and has created a niche for itself in both academia and research. Our dynamic system and constantly evolving curriculum have been the foundations of our success. Emphasis on research and value-based learning are key factors that makes DTU a leading higher technical education and research institution in the country. The wholesome curriculum prepares our students to strive and prosper in the corporate sector, industry and academia. Our students have bagged placements in some of the leading companies of the world and have proven their research skills with publications in well recognized international journals.

DTU is committed to make the students' educational voyage inclusive and holistic. It has always believed in learning beyond education, and it is committed to aspire for a better tomorrow, where knowledge and ethics go hand-in-hand. It provides ample opportunities for its students to engage in co- and extra-curricular activities, to improve their interpersonal and managerial skills by enabling them to form different technological, literary and cultural societies. Such methods allow learners to engage with the outside world and enable them to get acquainted with current technologies and concepts,.

A talk about the strength of the University is incomplete without a grand mention of its cornerstones, the alumni. DTU is proud and gratified for its alumni. The list of laurels the alumni have brought, is endless. Some of the eminent alumni from University include impressive names like Dr. Dharendra Yogi Goswami (Director, Clean Energy Research Center at the University of South Florida), Mr. Ashok K. Baweja (Head, QuEST Global Defence Engineering Services), Mr. Sanjay Nayar (CEO, Kohlberg Kravis Roberts India Advisors Pvt. Ltd.), Mr. Vinod Dham (Co-founder, AlphaCs Corporation, USA, "Father of the Pentium Chip"), Mr. Promod Haque (Senior Managing Partner, Norwest Venture Partners), Dr. Raj Soin (top-ranking Techno Entrepreneur), Dr. Durga Das Agrawal (renowned Techno-Entrepreneur based in Houston), Sh Arvind Saxena, IAS (UPSC chairman), Shri Ashok Kumar Gupta, IAS (Chairperson, Competition Commission of India), to name a few.

For DTU, the year 2019-20 has been a year of remarkable achievements in every sphere, despite the challenges the year 2020 has posed for all of us.

As we prepare for the future, we enlist the milestones that defined our year:

I. NEW INITIATIVES

1. EXPANSION

Stage 1 of Phase-II construction is under progress and is likely to be completed by 2021. DTU will continue to improve and maintain the infrastructure to provide an encouraging environment for teaching and learning. Stage 1 Phase-II construction comprises of two academic blocks (9 storeyed) and three hostel blocks (12 storeyed each). It will provide academic infrastructure for 3000 students and will accommodate an additional 660 girls and 330 boys.

- Double-storeyed Design Centre (2500 Sqm area) is near completion.
- A multipurpose hall to accommodate 3500 students is under construction.
- Vigyan Hall has been renovated.
- The sports facility has been upgraded.

- A child daycare center has been constructed and available for the children of the University's employees.

2. RECRUITMENT

Recruitments to various teaching (at the levels of Assistant Professor, Associate Professor and Professor, in various disciplines like Software Engineering, Computer Engineering, Information Technology, Management (DSM), Management (USME), Electronics & Communication Engineering) and non-teaching posts were held by direct mode of recruitment.

3. PROMOTIONS

Timely promotion plays a great role in increasing faculty's work morale. All the pending cases of promotions under the CAS of teachers have been cleared by DTU, and there is no backlog of promotions.

4. ONLINE EXAMINATION

Considering Nationwide lockdown due to COVID-19, online examinations have been conducted by DTU for the first time for final year students. It was ensured that the batch of 2020 does not encounter any delay in the award of the degree and has a smooth transition for their future endeavors. They were awarded provisional e-degrees in July 2020. For intermediate year students, Ph.D. students, and ex-students in even semester of academic year 2019-20, a new grading was successfully implemented.

5. ONLINE SEMESTER

With students' safety being the topmost priority and making no compromise in providing education to the students, online classes were started for students in August, 2020. A novel marking scheme was designed to provide the best possible learning experience for students at home.

6. PG ADMISSIONS

In view of the ongoing COVID-19 pandemic, the whole process of admissions to M.Tech, M.Sc, MBA and Ph.D. programmes of DTU were conducted online.

7. Orientation-cum-Induction Program of Newly Admitted B.Tech 1st Semester Undergraduate Students

Orientation-cum-Induction Program of newly admitted B.Tech 1st semester undergraduate students was conducted on December 02-04, 2020.

8. YourDost

COVID-19 pandemic has disrupted all our lives, with students being affected the most. In these challenging times, and with so many unsettling questions in mind, students may need a friend who could provide anonymous, unbiased, round the clock help. As an effort to cater to the emotional needs of its students, Delhi Technological University has joined hands with YourDOST, one of India's leading online and emotional wellness platforms, to ensure that students are at their happiest and brightest self all the time.

9. CURIE RESEARCH PROMOTION SOCIETY

To ignite the young minds of DTU towards research, the **Curie Research Promotion Society** has been formed with the aim to promote research culture across all branches at DTU.

10. DTUMITR HELP DESK

Students have several queries regarding admissions, appointments, examinations, and internships for which they had to go from person to person. To cater to such queries, now all this information will be available from a single desk. At the same time, this help desk will work like an information center and a customer service center. Apart from landline phones, it will also have intercom and e-mail facilities. The time of the help desk will be from 10 am to 5 pm.

11. DEGREE WITH MAJOR AND MINOR SPECIALIZATION

Introduction of a minor specialization has been introduced in each discipline of all UG programs, and would be implemented from the academic year 2020-21. This initiative has been taken to promote the emerging fields of interdisciplinary research, which require knowledge of more than one field for a student to excel.

II. RANKINGS

DTU is ranked amongst the best Universities in India. Internationally, Delhi Technological University was ranked 801–1000th overall and 601-800th in Computer Science by the Times Higher Education World University Rankings of 2021 and 301-350th in Asia University Rankings 2020. QS Asia ranked DTU 551-600th overall and 37th in India.

Among engineering colleges, Delhi Technological University was ranked 1st by Times Engineering Rankings 2020 and 17th by Outlook India in 2019. It was ranked 5th among universities and 8th among government colleges by India Today in 2020. The National Institutional Ranking Framework (NIRF) ranked it 36th in the engineering ranking of 2020, 45 among universities, and 62 overall.

III. NBA ACCREDITATION

Four UG programs (Electrical Engineering, Civil Engineering, Production & Industrial Engineering, Biotechnology) which were accredited by NBA in Tier-I for academic years 2017-18 to 2019-20, have been further accredited for the Academic Year 2020-21.

IV. ACADEMIC PROGRAMMES AT DTU

1. UG AND PG PROGRAMMES OFFERED AT DTU

The University offers the following B.Tech./BA/BBA/B.Des./M.Tech./M.Sc./MBA/Ph.D. Programmes:

UNDERGRADUATE COURSES		
S. No.	Department	B. Tech. Programme
1	Applied Chemistry	Chemical Engineering with specialization in Plastic & Polymer
2	Applied Mathematics	Mathematics and Computing
3	Applied Physics	Engineering Physics
4	Biotechnology	Biotechnology

5	Civil Engineering	Civil Engineering
		Civil Engineering (Evening)
6	Computer Science & Engineering	Computer Engineering
		Software Engineering
7	Electronics & Communication Engineering	Electronics & Communication Engineering
		Electronics & Communication Engineering (Evening)
8	Environment Engineering	Environmental Engineering
9	Information Technology	Information Technology
10	Mechanical Engineering	Mechanical Engineering
		Production & Industrial Engineering
		Automotive Engineering
		Mechanical Engineering (Evening)

2. A. ADMISSIONS

S. No.	Name of the Program	Number of Students admitted
1	B.Tech (Full Time)	2294
2	B.Tech (Part-Time)	50
3	M.Tech (FT/PT)	312 (FT) + 12 (PT)
4	MBA	150
5	EMBA	49
6	MBA (IEV)	16
7	BMBA	22
8	MBA (FBE)	11
9	MSc	101
10	Ph.D. (FT/PT)	174 + 128 (Winter Admission)
11	BA. Economics (Hons.)	144
12	BBA	133
13	Bachelor of Design	72
	TOTAL ADMISSIONS 2019-20	3668

B. INTERNATIONAL ADMISSIONS

In the academic year 2019-20 the Office of International Affairs, DTU has admitted foreign national students from approximately 30 countries.

Mode	BOYS					GIRLS					Grand Total

Total Foreign National Student Admissions in Academic Year 2019-20											200

INTRODUCTION OF NEW COURSES

- a. M.Tech programme in Artificial Intelligence in the Department of Computer Science and Engineering from the Academic Session 2020-21.
- b. M.Des with specialization in “Interaction Design” program in the Department of Design from the Academic Session 2020-21.
- c. Change in nomenclature of “B.Tech – Polymer Science and Chemical Technology” to B.Tech in Chemical Engineering with specialization in Plastic & Polymer.

V. ALUMNI CONTRIBUTION

DTU has a long-standing and deep-rooted relationship with its alumni. DTU endeavors to open up new avenues for its students, simultaneously enabling the alumni to connect with their alma mater. Amid the unprecedented crisis, the generosity of alumni has been extraordinary. Besides fund-raising, Goswami Brothers Scholarship and Passi Family Scholarships have been constituted for excellence in engineering for B.Tech students.

VI. INTERNATIONAL AFFAIRS

DTU promotes partnership with Foreign Universities and Institutions through the signing of Memoranda of Understanding (MoUs); faculty and student exchange programmes; and providing an opportunity to foreign national students to study in DTU under UG, PG, and Ph.D. programmes. University is connected with various Foreign Embassies and consulates in India to increase the educational relationship with foreign universities.

Some of the international visits in academic year 2019-20 to DTU include Ms. Laura Štāle (Head of International, Cooperation Unit) and Ms. Zane Purlaura (Deputy Director, Foreign Students Department) from Riga Technical University, Latvia; Prof. Yongan Zheng (Director/ Chairman of NUAA Council), Prof. Xu Zhengyang (Vice Dean of Graduate School) and Mr. Cunfa Gao (Dean, College of Aerospace Engineering) from Nanjing University of Aeronautics and Astronautics, China; Prof. Delia B.Senoro

(Visit of Director, Office of International Linkages for R & D) from Mapua University, Philippines; Mr. Philipp von Ritter (Science Counsellor), Ms. Bhumica Chugh (Adviser, Science & Technology), Mr. Apoorv Mahendru (Deputy Director, German Academic Exchange Service (DAAD)) and Mr. Vaibhav Agarwal (Deputy Director, German Research Foundation (DFG)) from Embassy of Federal Republic of Germany; Associate Prof. Li-Wei Chen (Vice Dean of International Affairs) and Ms. Peggy (Coordinator, International Affairs) from National Formosa University, Taiwan; Ms. Wiebke Doerfler (Managing Director) and Dr. Sangeetha Parthasarathi (Director–Bangalore, India) from Bavarian-Indian Centre for Business and University Cooperation from Hof, Germany; Prof Radu Barna (Director of International Affairs) from IMT Mines Albi, France; Prof. Dr. Roland Böttcher and Prof. Frohn-Schauf from Indo German Center for Higher Education, Germany.

VII. TEQIP-III GRANTS AND TEQIP-III MENTORSHIP

DTU receives grants under TEQIP-III Project (with the assistance of World Bank) and utilizes the same for fulfilling the objective of producing high-quality engineers for better employability and scaling-up postgraduate education and demand-driven research, development, and innovation. DTU has been selected as Mentor Institute for the TEQIP-III Project for Mentee Institute is Madhav Institute of Technology and Science, Gwalior, w.e.f. April 1, 2017, and shall conclude on March 31, 2021. The institute is covered under Sub-component 1.3: Twinning Arrangements to Build Capacity and Improve Performance.

Some of the activities carried out under the TEQIP-III project in the academic year 2019-2020:

- Remedial classes for weaker students have been organized in the subject "Applied Mathematics" during the period from 15th to 22nd November 2019.
- An expert Lecture has been organized on "Recent Advances in Thermal Engineering" by Dr. SS Kachhwaha, Professor, PDPU Gandhi Nagar, on 1st November 2019.
- Three (03) students of B.Tech from various departments have purchased raw materials & fabrication for doing their project work.

- Eighteen (18) Ph.D. scholars from various departments have purchased consumable items, chemicals, characterization tests, etc., for doing their research project.
- An online Diagnostic Assessment Test for (2nd, 3rd & 4th year UG students of CS/IT only) has been successfully conducted by '652' students on 18.07.2020 conducted by NASSCOM.
- Many equipments have been purchased in various departments, including the Civil Engineering Department, Applied Physics Department, Mechanical Engineering Department, Biotechnology Department, Information Technology Department and Electrical Engineering Department.
- Procurement of goods (equipment, furniture, books, LR, software, and minor items) and minor civil works for improvement in teaching, training, and learning facilities.

VIII. BEST PRACTICES AT DTU

DTU aims to achieve the highest standards of world-class education and excellence. The University has been following the best practices to foster research excellence and leadership qualities among students. Some of the best practices followed at DTU include:

- Research and innovation culture right from UG onwards.
- Financial support to students for presenting research papers in national and international conferences.
- Financial support to students for Internships in R&D organizations and reputed universities in India and abroad.
- Innovation Fund to support interdisciplinary student teams for innovative product development and participation in international design competitions.
- One seat in each discipline of the B.Tech programme is reserved for admission to a single girl child in DTU.
- Award to faculty and students for research and publications in high-impact factor international journals.
- Award to faculty for excellence in teaching.
- 498 students have benefited from tuition fee waiver of 50% to

100%, for underprivileged students amounting to a total of Rs. 4,16,03,875/- from the Student Welfare Fund.

- In order to provide students with the experience of working in a real-life environment while interning under various offices and departments of the University, 152 students of the University were selected under the University Student Internship Program (USIP) for the academic year 2019 - 2020. The University has disbursed an amount of Rs. 13,99,500/- to the USIP students in the past academic year.
- Financial assistance is provided to B.Tech., M.Tech. and Ph.D. students for presenting research papers or posters in national/international conferences. The travel grant aims to promote research and development activities in various areas of professional education in an academic department by providing opportunities to students to interact at national and international levels to keep themselves abreast with the advancements in the concerned areas of specialization.
- To strengthen the student innovative projects and to facilitate more teams of students venturing for innovative projects, guidelines have been approved for the purchase of components, fabrication, and purchase of accessories, along with participation support for national and international competitions, with an annual budget of one crore from Student Welfare Fund.
- Keeping in view the importance of international exposure and state-of-the-art research, the University encourages and has approved financial assistance for students for international internships, with a total budget of 20 lacs per year from the Student Welfare Fund.

IX. TRAINING & PLACEMENT

The Training and Placement Department of DTU takes pride in the success of students. It has witnessed the high flights and great achievements of DTU students who have been recruited in national and international institutions of high repute. With the mission of helping the leading organizations find the brightest minds of the country, DTU entered the 2019-20 placement season at the end of July with full zest and

vigour. In the academic year 2019-20, 1544 jobs were offered, with 217 offers given since the beginning of COVID-19. Students from Bachelor of Technology (B.Tech.), Master of Technology (M.Tech), Bachelors of Arts (Hons.) Economics, Bachelors of Business Administration (BBA), Master of Business Administration (MBA) programmes in various fields of engineering and technology, participated in the placement process. Although lockdown slowed the recruitment process for a few months, TnP cell was quick to shift the entire process online, and the placement season went smoothly despite a few bumps in between.

- Various diverse profiles like Software Development, Core Engineering, Consultancy, Marketing, Operations, and Finance are offered to students of DTU.
- The companies include Tech giants like Google, Samsung, Amazon, Adobe etc.
- Major recruiters offering Rs. 20 LPA or more packages included Atlassian, Uber, Salesforce, Condensation, Sprinkler, CUREFIT, Morgan Stanley, Myntra, Qualcomm, Goldman Sachs, etc.
- 3 big consulting firms McKinsey, BCG, Bain, visit DTU.
- Accounting firms like EY, Deloitte, PWC, KPMG also visit DTU.
- Companies also comprise of core mechanical companies like Tata Motors, Maruti Suzuki, Hyundai, and Continental.
- Electronics giants like Qualcomm, Texas Instruments, Sandisk, and other globally renowned companies also hired students of DTU.
- Students got a place in companies from Civil Engineering like Larsen & Toubro, JK Cement, Tata Power DDL, CBRE, JLL, Bechtel.
- World's largest banks – Bank of America, HSBC, and RBS, visited DTU for recruitments.

The placement session of the year 2019-20 has been remarkable despite the pandemic. Different companies made approximately 1544 job offers, thus establishing the high score of our students in skills applied by software, IT, Consulting, PSU, R&D, and other industries. Some major highlights from this session are as follows:

- 157 students offered packages of Rs. 20 LPA or more.
- 276 students offered packages between Rs. 10 LPA to 20 LPA.
- Highest Domestic Package of Rs. 51.75 LPA.

The internship statistics were no less promising, with 215 internships being offered on campus by 41 companies. Some highlights are as follows:

- 116 students were offered Stipend above Rs. 50,000 PM.
- Highest Stipend was 2 Lacs PM offered to 13 students.

X. NATIONAL AND INTERNATIONAL COLLABORATIONS

Since knowledge plays a vital role in the globalized world, there has been a growing need for international collaboration. With this premise, DTU has been working towards meaningful collaborations with prominent international institutes of repute. DTU has signed MoUs with various universities, institutions, and organizations. The details of MoUs signed in the year 2019-20 are mentioned below:

S. No	Organisation with which MoU is signed	Year of signing MoU	Duration	List the actual activities under each MoU year wise
1	EPF, ÉCOLE D INGÈNIEUR – E – S, France	2019	5 years	Knowledge sharing
2	Balitar Islamic University, East Java, Indonesia	2019	5 years	Knowledge sharing
3	Dr. Soetomo University, Surabaya, Indonesia	2019	5 years	Knowledge sharing
4	Mandala College of Economics, East Java, Indonesia	2019	5 years	Knowledge sharing
5	PGRI Adi Buana, East Java, Indonesia	2019	5 years	Knowledge sharing

6	STIE Wilwatikta, East Java, Indonesia	2019	5 years	Knowledge sharing
7	STIKI Malang, East Java, Indonesia	2019	5 years	Knowledge sharing
8	STTM, East Java, Indonesia	2019	5 years	Knowledge sharing
9	Universitas Wisnuwardhana Malang, East Java, Indonesia	2019	5 years	Knowledge sharing
10	University of Kanjuruhan, East Java, Indonesia	2019	5 years	Knowledge sharing
11	University of Pesantren Tinggi Darul'Ulum, Jombang Indonesia	2019	5 years	Knowledge sharing
12	Widya Kartika University, Surabaya, Indonesia	2019	5 years	Knowledge sharing
13	PGRI, Madiun	2019	5 years	Knowledge sharing
14	STT Atlas Nusantara, Malang	2019	5 years	Knowledge sharing
15	Nanjing University of Aeronautics & Astronautics, China	2019	5 years	Knowledge sharing
16	Universitas Mercu Buana, Jakarta, Indonesia	2020	5 Years	Knowledge sharing
17	La Trobe University, Victoria, Australia	2019	5 Years	Knowledge sharing
18	Technical University of Crete, Chania, Crete, Greece	2019	5 Years	Knowledge sharing

19	University of Transport Technology, Vietnam	2019	5 years	Knowledge sharing
20	National Formosa University, Taiwan	2020	5 Years	Knowledge sharing
21	Mapua University, Philippines	2019	5 Years	Knowledge sharing

Some collaborations with the industries are as follows -

- Department of Applied Physics has signed MoU with CSIO-Chandigarh on 11th February 2020.
- MoU between Media and Data Science Research Lab, Adobe Inc. (principal place California USA) and DTU (Machine Learning Research Lab, Dept. CSE).
- MoU was signed between DTU and Samsung in 2019 for a period of 3 years.
- The linkage for Student Internship was established with the Central Pollution Control Board (CPCB) from 2019 till date for B.Tech., and M.Tech. Students.
- The linkage for Student Internship was established with Delhi Pollution Control Committee (DPCC) from 2019 till date for B.Tech and M.Tech Students.

In addition to the above-stated list, DTU also has MoUs with various national and international institutions like the Embassy of France, HB Software solutions, Babol Noshirvani University of Technology (BNUT), Iran, CSIR - Central Electronics Engineering Research Institute, Pilani, India, College of Engineering, Texas A&M University etc. for the purpose of knowledge sharing and research collaboration, and various others are in the pipeline, including the MoU with Houston GHP.

XI. DTU INNOVATION AND INCUBATION FOUNDATION (DTU-IIF)

Currently, the following startup companies are incubating at "DTU INNOVATION AND INCUBATION FOUNDATION" (DTU IIF), established as per the policy guidelines of Govt. of NCT of Delhi on summary recommendations for setting Incubators in Higher Education Institutions in Delhi of a working group established by the Government of National Capital Territory of Delhi, under order No.F.75(73)/2015-16/Incubation/ADPL/321-330 dated 5/6/15:

NAME OF REGISTERED STARTUP (INCLUDE OFFICIAL NAME OF THE STARTUP)	REGISTRATION NO. (CIN)
FAUCET LABS PRIVATE LIMITED	CIN: U72900DL2019PTC347110
ZEFI LABS PRIVATE LIMITED	CIN: U74999DL2017PTC323170

HANUSHA NETWORKS PVT. LTD.	CIN: U74999UP2018PTC101537
ZALVIT ENTERPRISES PRIVATE LIMITED	CIN: U74994DL2019PTC350402
WAARIS GREEN LABS PRIVATE LIMITED	CIN: U37200DL2019PTC350610
ROADUST ENTERPRISES PRIVATE LIMITED	CIN: U72900DL2019PTC351002
DSWM LABS PVT. LTD	CIN: U74999DL2019PTC349234

RASPIL PRIVATE LIMITED	CIN: U74999HR2020PTC089802
SEUTUS WASTE MANAGEMENT TECHNOLOGIES PVT LTD	CIN: U74999DL2019PTC347363

XII. R&D ACTIVITIES AT DTU

1. Achievements in Research

- It is a moment of pride for Delhi Technological University that seven faculty members of DTU have been listed in the world's top 2% scientists in a survey conducted by Stanford University.

2. Journals and Publications

- A total of 652 papers/ research/ review articles were published in various reputed national and international journals.
- 421 papers were presented in various reputed national and international conferences during the academic year 2019-20.
- A total 81 book chapters were published with reputed publishers in the year 2019-2020.

3. Sponsored Research

DTU is well equipped to provide a conducive environment for encouraging ideas and conducting research activities to address the needs of society. Several projects have been sponsored by highly prestigious organizations like SERB, DST, DST-INSPIRE, UGC, Central Pollution Control Board (CPCB), and DST-Kiran WOS-A, among others.

16 ongoing research projects are being sanctioned by external agencies and the same number being sanctioned by DTU as well. The research driven environment in DTU also involves consultancy projects with total consultancy project income being 9.3 crores and 3.39 crores from research project in FY 2019-20.

4. National and International Conferences/Courses

All departments at DTU are actively engaged in pursuing research and have taken initiatives for knowledge sharing and building collaborations. One of the best ways this can be done is by organizing and participating in seminars, conferences, workshops, and courses that help scaling up

the boundaries of knowledge and academics. The pandemic prevented group meetings but could not budge the University's aim to provide a conducive research environment as the workshops and webinars were held online to keep the students motivated. Some of the courses, seminars, conferences, and workshops held in the year 2019- 20 (offline and online) are as follows:

- Two-day IEEE Workshop and Exposition on "Grid Integrated Renewable & Electric Transportation" at the Electrical Engineering Department from December 17th to 18th December 2019 under the aegis of IEEE PELS-IES and IEEE PES-IAS Delhi Chapters.
- Department of Applied Physics organized "International Conference on Atomic, Molecular, Optical and Nano Physics with Applications (CAMNP-2019)" on December 18-20, 2019 at DTU.
- 4th International conferences on Advanced Production & International Engineering ICAPIE -2019, December 20-21, 2019 organized by Department of Mechanical Engineering.
- 2-Days Form Exploration Workshop 2020 (FeW), during January 27-28, 2020 By Prof. Peer M. Sathik, Nanyang Technological University, Singapore and Prof. L K Das Honorary Distinguished Faculty, Department of Design, DTU.
- The Department of Applied Physics organized a One Day National Seminar on Recent Trends in Applied Physics and Engineering (RTAPE-2020) by Shanti Swarup Bhatnagar (SSB) Awardees on 10th February 2020.
- One-week workshop on Typography conducted by Prof. G V Sreekumar, IIT Bombay.
- National Conference held in association with GIRD on Strategy for Water Sustainability for Human and Development needs with 60 participants in February 2020 was organized by the Department of Environmental Engineering, DTU.
- Awareness workshop on PM fellowship for doctoral research organized by FICCI was conducted by ECE department on 24 February 2020.

- Promotion of Electric Vehicles organized by Department of Mechanical, Automotive and Production and Industrial Engineering in collaboration with International centre for Automotive Technology on 28th February, 2020.
- Experts talks on Animation and Interaction Design in Lockdown during April-May 2020.
- Workshop organized by DoD 4 Week Internship Program 2020 (4WIP-2020) on Animation and Game Design during June 01-27, 2020.
- The Electronics & Communication Engineering Department, Delhi Technological University, conducted a Technical webinar on EM simulation of RF modules and antenna using CST studio suite in association with M/S Jyoti Electronics, Ahmedabad from 8-9 June 2020.
- The Electrical Engineering Department of Delhi Technological University, in association with the EEE Department of Bhawan Parshuram Institute of Technology (BPIT) Delhi, organized an "e-quiz" on 1st July 2020 for a one-week duration in the area of Electrical Engineering in India and abroad.
- Online Faculty Development Programme on "Power Quality and Reactive Power Management," organized by the Department of Electrical Engineering, Delhi Technological University, Delhi in association with Clariant Power System Ltd., Pune, during 06th -10th July 2020. It was an Industry driven course.
- The ECE department conducted a webinar on ANSYS High-Frequency Application in 5G Antenna on 5th August, 2020.
- An expert online session on "Introduction to Virtual Labs" was organized on Aug. 26, 2020.
- Mechanical Engineering Department held 2nd International Conferences Recent Advances in Mechanical Engineering RAME -2020 from 18-19 September 2020.
- National Workshop was organized on "Igniting Young Minds for Research" on 28th September 2020.

- ECE Department organized a one-week online FDP on Nascent Methodologies, Challenges and Realms of Research, on October 03-07, 2020.
- Online Management Development Programme on “Organisational Effectiveness in the age of Agility” was organized by Delhi School of Management on November 27-29, 2020.
- Online Short Term Training Programme on “Structural Audit for Earthquake Safety” was organized by Department of Civil Engineering, DTU and Resilient Infrastructure Division, NIDM on November 27-29, 2020.
- One-week International E-Workshop on Bioinformatics was organized by Department of Biotechnology, DTU on December 14-18, 2020.
- International Conference on Innovations in Biotechnology and Life Sciences was organized by Department of Biotechnology, DTU on December 18-20, 2020.

5. TEQIP-III Sponsored Events

- One-week FDP on “Recent Research Directions and Key Concepts in Electrical Engineering” on December 02-06, 2019 by Electrical Engineering Department.
- Three days International Conference on “Atomic, Molecular, Optical and Nano Physics with Applications” (CAMNP-2019) during December 18-20, 2019 by Applied Physics Department (partial funding).
- One-week STTP on “Graph Theory and Its Applications” on November 25 - 29, 2019 by Applied Mathematics Department.
- TEQIP-III sponsored an FDP program on “Recent Research Directions and Key Concepts in Electrical Engineering” conducted by the Electrical Engineering Department from December 2nd to 6th December, 2019.
- Faculty Development Programme on Developing Competencies to enhance Performance viz a viz Organizational Image organized by

National Institute of HRD and Advancement (NIHA) and TEQIP-III sponsored by TEQIP III@DTU.

- Training Program: Conflict Resolution & Financial Management organized by National Productivity Counselling, at Gangtok (Sikkim).

6. Research Excellence Awards 2020

DTU offers three categories of awards annually, namely, Outstanding Research Awards, Premier Research Awards, and Commendable Research Awards. The University has awarded 155 researchers with 116 SCI/SCIE indexed publications in March 2020, amounting to Rs. 45.6 Lakhs.

7. Teaching Excellence Awards 2020

DTU has taken inspiring initiatives for the faculty, marking recognition of excellence in teaching, and for their precious contribution to the society. First Teaching excellence award ceremony of Delhi Technological University was held on September 04, 2020, in which 02 teachers were honoured with a cash award of Rs. 50,000/- each, along with a citation.

XIII. DTU TIMES

DTU Times is the official newsletter of Delhi Technological University and provides essential correspondence, news updates, achievements of faculty and students, interviews of prominent academicians, alumni, visitors, and palatable articles brought out by the students of the University under the guidance of faculty.

XIV. A GLIMPSE OF EVENTS @ DTU

The campus of DTU is enlivened by the numerous activities and events organized throughout the year. These events provide a great platform to students while exposing them to a world of ideas beyond academics and research.

1. NATIONAL SERVICE SCHEME (NSS)

The overall aim of NSS-DTU is to give an extended dimension to the higher education system and orient the students towards community service while studying in the University.

- **Paathshala**

Paathshala is a program under the education wing of NSS DTU in which a group of volunteers from NSS DTU provide classes to students five days a week at the Amar Jyoti Colony.

- **Saarathi**

Saarathi is the latest venture of NSS DTU to provide quality education to the underprivileged. Volunteers send recorded video lessons in computer skills and training to Parivartan, an NGO operating in Uttarakhand.

- **Kalam ko Salaam**

Kalam Ko Salaam is an initiative by NSS DTU to combine the conventional modes of teaching and extra-curricular activities. The program continued in online mode during the quarantine, where volunteers used various online methods of teaching.

- **RAKT**

RAKT is an initiative under NSS DTU wherein a database containing the details of blood donors was created. This database was further expanded to include relevant details of COVID-19 recovered plasma donors to help patients requiring Plasma therapy during the pandemic. The team managed to help connect various donors with patients successfully.

- **Voice of animals**

Voice of Animals is an initiative under NSS DTU, which aims to protect animals and voice their problems by creating awareness. Jivivisha, a collaborative online campaign of NSS DTU and Rotaract Club of DTU, was organized in July 2020 with an aim to feed stray dogs and birds.

- **Recycle Today**

Recycle Today is an initiative by NSS DTU that aims to collect used articles from the various departments and hostels in the University and recycle them.

- **Sakshi Foundation Seminar**

NSS DTU conducted an interactive seminar titled "Awareness Sessions on Rights and Responsibilities for Gender Equality" in collaboration with Sakshi Foundation and the Rakshin Project on 8th November 2019.

- **Rural Camp 2019**

NSS DTU organized its annual Rural Camp from 20th to 25th December 2019, at Gopalpura, Alwar. The camp aimed to promote the preservation of natural resources and indigenous practices.

- **Juvenile Visit**

NSS DTU conducted one of its routine visits to the Juvenile Justice Board on 18th January 2020 on the 71st Republic Day occasion. The volunteers shared the tale of independent India and engaged the inmates in activities on themes of helping and living for others.

- **Sevaarth**

NSS DTU volunteers participated in the event Zariya organized as part of NSS PGDAV's annual fest Sevaarth on 20th January 2020. The volunteers participated in the work presentation competition, Sangharsh, the journey of change-makers.

- **Donation Drives**

NSS DTU conducted donation drives on 22nd and 23rd January 2020 in which blankets and hundreds of kgs of warm clothes were distributed to Rain Baseras and NGOs. Books, stationery, and toys were also distributed to schools across the city.

- **Blood Donation Camp 2020**

NSS DTU organized a blood and stem cell registry camp on 31st January 2020 in collaboration with AIIMS and DATRI Blood Stem Cell Registry.

- **Convergence 4.0**

Volunteers from NSS DTU participated in Convergence 4.0, a case study competition, as part of Samarpan 2020, organized by NSS SRCC on 6th and 7th February 2020.

- **EWS camp**

NSS DTU organized an EWS admission campaign from 21st to 23rd February 2020 in an attempt to familiarize the Economically Weaker Sections of the reservations in private schools and assist them in the process.

- **IIT Roorkee Case Study Competition**

NSS DTU volunteers participated in the National Social Summit organized by NSS IIT-Roorkee from 14th to 16th February 2020. Six volunteers represented the NSS chapter of our University and secured the second position in the Work Presentation Competition.

- **Kartavya**

Kartavya was the first-ever social e-fest organized by NSS DTU. Partnering with DU Beat and the Rann Foundation, a number of events were organized to raise awareness about social issues.

- **International Day of Rural Women**

NSS DTU organized a discussion on the International Day of Rural Women with the members of the ETASHA society and the women engaged in their entrepreneurial program. The session revolved around highlighting how organizations like ETASHA assist rural women in selecting the most viable and profitable business models and providing them with a platform to flourish.

- **Mask Awareness**

NSS DTU organized a live online session on "Mask Awareness" on 17 October 2020. The session was led by the team of "Vidhan" and NSS DTU alumnus to lay emphasis on the importance of face masks and the safe techniques to dispose of them.

- **Margdarshan- An Alumni Talk #1**

NSS DTU organized an online interactive session, "Margdarshan- An Alumni Talk," on 25th October 2020. The session hosted alumni members of the NSS DTU fraternity who threw light on the importance of NSS in the professional and personal journey of a volunteer.

- **Sustainability Day- Panel Discussion**

NSS-DTU hosted a panel discussion on 28th October, on the occasion of Sustainability Day. The discussion was centered around the impacts of small steps like segregating waste, planting trees, and making small lifestyle changes on our ecosystem.

2. NCC Orientation Program

National Cadet Corps, DTU organized their first orientation program in October 2019 at B.R. Ambedkar Auditorium. NCC is the youth wing of Indian Armed Forces and grooms its members to become disciplined and patriotic citizens of the country.

3. DELTECH MUN'20

The 9th edition of DelTech Model United Nations was organized by DelTech MUN and Debating Society in January 2020. The presence of Justice R.K. Agarwal graced the opening ceremony as the Hon'ble Chief Guest. The event simulated 5 committees: The United Nations General Assembly, United Nations Security Council, United Nations Human Rights Council, Development Committee, and the Delimitation Commission of India. With a footfall of over 350 from over 15 institutes, the conference witnessed unique constructive on global issues such as the right to self-determination, arms control, and the refugee crisis. Amity International School, Noida won the Best Delegation award.

4. Homecoming Alumni Meet 2020

The alumni homecoming meet for Golden Jubilee batches was organized on January 10-11, 2020 to mark the Golden Jubilee of the Batch of 1970. The meet was attended by 160 members worldwide. Mr. Mukesh Chander Gupta, Chief Technical Adviser, International Labour Organization, United Nations, was the Chief Guest, and Prof Anu Singh Lather, Vice Chancellor, Ambedkar University, Delhi was the Guest of Honor in the inauguration function. The meet was a whirlwind of emotions, nostalgia, and euphoria. It concluded with some alumni visiting the DCE campus at Kashmiri Gate, visiting their old stomping grounds and reliving their days of absolute bliss and youthful vigor.

5. Arena 2020

Inter-departmental Sports Fest ARENA 2019-20 was organized by the Sports Council of DTU for the students of all the departments, including M.Tech, BBA & DTU East Campus. Following sports were played in the sports ARENA - Athletics, Badminton, Basketball, Chess, Cricket, Football, Handball, Kabaddi, Lawn Tennis, Table Tennis, and Volleyball.

6. Student-Faculty Sports matches

DTU Sports Council organized Student-Faculty Sports matches on the occasion of 71st Republic Day of India – 26th January 2020, at DTU sports complex. Hon'ble Vice-Chancellor, Prof. Yogesh Singh flagged off the event.

A cricket match was organized between faculty and students, and wherein everybody relished camaraderie moments during the afternoon. The event also promotes the importance of Physical Education and Wellness in an individual's life. The sporting events have its importance in DTU to inculcate a good understanding among the students and employees apart from residents.

7. Aahvaan 2020

The third edition of Aahvaan, the inter-college sports fest of Delhi Technological University, was organized on February 21-23, 2020. With approximately 2500 participants, the festival saw massive participation from colleges all over Delhi and beyond. Aahvaan 2020 saw VJ Aman, the video jockey of The Hind Radio and Brand Ambassador of Ashman Foundation. as the Celebrity Guest at Culture Combat.

8. Yuvaan 2020

Delhi Technological University held the fourth edition of Yuvaan - the Literature and Film Festival on January 23-25, 2020. The three-day extravaganza saw a huge turnout as students and experts alike congregated to celebrate literature and cinema. The inauguration ceremony was graced by the esteemed presence of the Chief Guest, Dr Sachidanand Joshi (Member Secretary, IGNC, Ministry of Culture) and the Guests of Honour, Mr Ran Mor (Founder, Life Art Festival) and Mr Kim Kum Pyoung (Director, Korean Culture Centre).

The festival saw the Filtercopy team comprising of Ayush Mehra, Devika Vats, Kriti Vij, Priyam Saha, and Sanjana Sanghi alongside Rohit Varghese interacting with the students of DTU in La Gossipe. Mandira Bedi launched her book 'Happy For No Reason.' The next day, actress Mithila Palkar and YouTuber Prajakta Kohli fascinated the crowd with their affable interaction. Shabdutsav, a literary event comprising a slew of sub-events such as Stand-Up Comedy, Hindi Paricharcha, and Urdu Mushaira, was organized in association with Kavi Kumbh. Farhat Ehsas, Lakshmi Shankar Vajpayee, and many other acclaimed poets recited their poetry and engaged in conversations about their art. On the final day, Entretien, a panel graced by actor and director Dhruv Sehgal and content creator Viraj Ghelani intensified the fest's fervor. The literature and film festival provided an enlightening experience through its various filmmaking, debate, and poetry competitions, among many more.

9. Entrepreneurship Summit

E-Cell DTU, in collaboration with DCE-DTU Alumni Association, organized the 13th version of its annual flagship event UDAAN Entrepreneurship Summit in January 2020. The keynote speaker was Mr. Alok Goel, Managing Director, SAIF Partners; other speakers included Mr. Adarsh Nair, CEO, Wynk, Mr. Ashwani Lohani, Chairman & MD, Air India, Mr. Rajesh Sawhney, CEO & Founder, InnerChef, and Ms. Vishakha Singh, Actress, Producer & Entrepreneur. This was followed by a panel discussion between YouTube Entrepreneurs RJ Abhinav, Mr. Ameen Khan, and Mr. Pawan Yadav from NazarBattu Productions, Slay Point, and Mr. Pranav Panpolia, Founder, Opraahfx. The day ended on a hilarious note, with comedian, artist, and singer Kenny Sebastian amusing the crowd with his talent and humor.

Startupthon: Business Plan Competition, saw the top 15 startups present their pitch to the judges. The final day saw 800 passionate students flock to the Startup Internship Fair, where more than 40 startups offered internships. The summit wrapped up with a highly scintillating performance by the band Lagori.

10. Engifest 2020

Making the people fall in love with the dreamscape of eternity was 'Papon' with his soulful melodies. The three-day extravaganza saw

performances by the King of the Punjabi Music Industry - Sidhu Moosewala. The fest signed off with EDM NIGHT by DJ maestro with psychedelic alchemy - Vinai, the wistfully melodious melancholic.

Performances from International Artists coming in from Israel, Ukraine, and other parts of the globe, topped up by hilarious sets performed by belly pain-inducing satirical comic Bassi, kept the campus flooded with over 1,00,000 people coming in from various parts of the subcontinent to witness the most significant cultural fest in North India and to participate in the multiple contests hosted during the 3 days.

To boost morale among quarantined students across the subcontinent, Team Engifest and DTU Cultural Council came up with the idea of Engifest 2.0 - Quarantine Edition. First, of its kind, a 3-day online cultural extravaganza was organized by the Cultural Council from 22 May to 24 May 2020. It was a grand renaissance to the idea of online concerts, providing the luxury and thrill of concerts and events all brought to the audience at the comfort of their homes.

11. Cultural Evenings

The DTU Cultural Council organized various cultural evenings in 2019-20. These include Lohri night, Freshers week, Diwali Mela, etc. The cultural evenings are an amalgamation of performances by all the cultural societies of DTU, including Pratibimb, Madhurima, Nrityangana, VIBE, DTU Bhangra, Panache, and Sahitya.

12. Online Events@2020

As the year 2020 began with various grand events like Yuvaan, Aahvaan, and Engifest, among many more, the plethora of other events planned further like the Technical fest of DTU were brought to a halt with the COVID-19 pandemic causing a nationwide lockdown. However, the faculty and students were quick to adapt, as various departments shifted their technical fests online, some of which included KARYON (Department of Biotechnology) and Tatva (Department of Applied Chemistry). What followed were a series of online events, webinars, and lectures, which kept the students motivated throughout the lockdown.

XV. INFRASTRUCTURE

The main campus of DTU has a lush green campus spread over 164 acres of land having Academic blocks, Hostel and Residential area, Sports Complex, and a Green/open area with the following major facilities –

- Well-equipped library
- Central Workshop
- Computer Centre
- Health Centre
- Sports facility
- Gymnasium and two open Gyms
- Boys and Girls hostels
- Dr. BR Ambedkar Auditorium
- Open Area Theatre
- DTU Studio
- Other campus amenities (Canteen, SBI Branch, Post office, MTNL exchange, Amul kiosk, Nescafe kiosk, Night canteen)
- Transportation facilities
- Administrative Block
- Academic Blocks
- Delhi School of Management
- Science Block
- Day Care Centre
- Sewerage Treatment Plant (STP), one MLD capacity
- Waste to energy plant (1 TPD capacity)
- Zero discharge campus

The major facilities/centers/campus are as follows (besides departments and hostels) -

1. The Central Library

Situated in the heart of DTU, a three-storied centrally air-conditioned central library, spreads over an area of 5000 square meters, is a central place for academic and research activities. The library has a vibrant collection of print as well as electronic books and journals, satisfying the information needs of the faculty and students. The total collection of books is approx. 2,24,656 consisting of 1,51,757 main collection, 58,363 Book Bank, 9,057 SCP Book Bank, and 5,479 donated books. Library also subscribes to a large number of reputed magazines and newspapers. Keeping in view the fast changes in technology, the knowledge base of the library is updated regularly by way of adding new literature in the form of textbooks, reference books, reports, proceedings, abstracts and indexes, encyclopedias, data books, standards (National and International), Journals and databases. Apart from adding the new literature, the basic literature is also procured for the new programmes along with current ones.

2. DTU Studio

The Television Studio at Delhi Technological University is an example of Innovation and Industry-Academia Collaboration. The spacious television studio can handle pre-production, production, and post-production activities for various activities like interviews, panel discussion, short plays, lectures, etc. DTU Studio comprises of a multi-camera setup with lighting grids and a Teleprompter, a Production control room with control panels which can handle multiple video and audio sources online and offline, Graphics and special effects generators, video edit suites with a Mac equipped with Final Cut Pro Video Editing software, Motion, Live-Type, EDIUS 9.0 video editing software and Photoshop CS6, etc. The students of Delhi Technological University are engaged in a whole range of in-house and outdoor production activities. These activities are widely admired for their timely execution, promptness, and hassle-free operations.

3. Computer Centre

DTU has a well-equipped centralized computer centre to cater to students and faculty's needs in the University. It is housed in a state-of-the-art building with specialized laboratories to provide various

platforms and computing environments for UG, PG, and research students. The centre possesses HP ML370, ML570 standalone servers & DL360, Dell R630 & R720 rack servers, Dell blade servers (power edge 1000e), and about 290 desktop computers of latest configuration (Intel Core i5 processor). These are working on Windows 7/8/8.1/10, server 2008, and Linux platforms. Additionally, it provides a Microsoft product license for registered Windows and MS Office to DTU faculty.

4. Sports and Gymnasium

The students of Delhi Technological University are provided with excellent facilities and are encouraged to take part in the tournaments held in and around NCR Delhi. Delhi Technological University has a 400m running track, grounds for football, hockey, and cricket; two courts for volleyball, two courts for basketball, three courts for tennis, five courts for badminton, and three kabaddi courts. In addition, indoor game facilities are also provided, including table tennis rooms, chess rooms, and carrom rooms. The University has two well-equipped gymnasiums with modern equipment. The university students, faculty, and staff utilize this facility.

5. Health Centre

DTU has a full-fledged 20-bed hospital block. The University has a tie-up with the ambulance service of nearby leading hospitals in case of emergency. A service of two general medicine practitioners is available to the students throughout the day. Specialized medical practitioners also visit the University health center for Eye, Dental care, Orthopedic, Gynecologic, Psychiatry, etc. University also has tie-up with nearby leading hospital viz., Ishan Hospital, for students' emergency medical assistance. A large number of hospitals in the vicinity of the University are also on the panel, such as Saroj Hospital, Mahavir Hospital, Jaipur Golden Hospital, and Max Hospital etc. Moreover, a state of art sports medicine-cum-physiotherapy center has been providing the necessary expert advice.

The University has also taken the initiative towards tackling the issue of depression and anxiety by providing the students with a counselor. DTU also issues health insurance cards for any additional treatment required outside the campus.

6. Solar Power Plant

Solar power plant of capacity 432 kWp has been installed for power generation at DTU campus, and it is best in terms of technological parameters currently available commercially as per MNRE guidelines. The plant is installed on rooftops, and it covers an area of 7050 Sqm. The plant through LT power feeds to Electrical, Electronics, Mechanical, Science and Civil blocks of the campus.

7. Indian Flag of height 131 feet

Indian Flag Post of 130 feet height was been installed in the lawn of DTU Campus and was inaugurated at the ceremonial occasion of 6th Convocation of Delhi Technological University by Hon'ble Chancellor, Lt. Governor, Govt. of NCT of Delhi.

8. East Delhi campus

DTU east campus is located at Vivek Vihar, and East Delhi is having non-engineering courses like MBA, BA Economic (Hons), BBA, etc. It has been spread over two acres of land, having one four-storeyed block, two double-storeyed blocks, and one single-storeyed block. It has excellent teaching facilities and other facilities which include Auditorium, library, sports, and Canteen.

XVI. AWARD OF DEGREES AND GOLD MEDALISTS 2019-20

The degrees to the successful students of the following programs are being conferred in the Seventh Convocation of DTU:

S. No.	Program	Number of Students
UNDERGRADUATE		2063
1	Bachelor of Technology	1787
2	Bachelor of Technology (Evening)	98
3	Bachelor of Arts (Hons.) Economics	86
4	Bachelor of Business Administration	92

POSTGRADUATE		520
1	Master of Technology (Full Time)	262
2	Master of Technology (Part-Time)	21
3	Master of Business Administration	167
4	Master of Business Administration (Executive)	43
5	Master of Business Administration (Business Analytics)	27
DOCTOR OF PHILOSOPHY		78
TOTAL		2661

Our Gold Medalists' deserves special mention here as they bring pride and glory to the University. At B.Tech. level, one student is honored with the Chancellor's Gold Medal, and 15 students shall receive the Vice Chancellor's Gold Medal, while in the B.Tech Evening Programme, 4 students shall receive the Vice Chancellor's Gold Medal. One student each shall receive the Vice Chancellor's Gold Medal from BBA and BA(H) Economics, respectively. One M.Tech student shall receive the coveted Chancellor's Gold Medal, while another 19 shall be given the Vice Chancellor's Gold Medal. In MBA, MBA(USME), EMBA, and BMBA, one student from each of the programmes shall receive the Vice Chancellor's, Gold Medal. Also, in the consecutive year for the second time, some selected students will be felicitated with sponsored scholarships and medals such as 04 students will be awarded "Class of 1969 Scholarship", as 03 students will be awarded "Class of 1959 Scholarship", 01 student will be awarded "Promod Jain Merit Scholarship", 03 students will be awarded "Fidelity Charitable Grant", 01 student will be awarded "Hari and Shashi Batra Scholarship", 01 student will be awarded "Late Sh. JL Pahwa Scholarship", 02 students will be felicitated with "Goswami Brothers Alumni Gold Medal", 01 student will be awarded "Neena Nagina Memorial Award", 01 student will be awarded "Gp. Capt. (Retd.) RS Bhola Scholarship", 01 student will be awarded "Late Dr. D. Roy Choudhury Memorial Medal", 04 students will

be awarded "Prof. P. Kundu Medal" 04 students will be awarded "MRSV Award", 01 student will be awarded with "Rajeshwari Garg Memorial Gold Medal" and 02 students (One male and one female) will be awarded "Passi Family Scholarship". The students of DTU have always set new benchmarks with their creative and academic endeavors. We are glad to present this honor to our students as they scale new heights and acquire top positions across branches. Our best wishes are with each one of you.

DTU, through its education, research, and innovation, has contributed to the vitality of the society, global completeness, and international relations and would continue fostering opportunities for collaboration, knowledge exchange, and social empowerment.

ACKNOWLEDGEMENT

DTU is grateful to the financial support provided by GNCTD, MHRD, DST, AICTE, UGC, CSIR, DBT, World Bank, ISRO and DRDO. I acknowledge the efforts of all the faculty members, employees, students and alumni for their devotion and hard work invested in DTU.

I am deeply indebted to the Hon'ble Chancellor, Shri Anil Bajjal, Lieutenant Governor of NCT of Delhi, Hon'ble Shri Arvind Kejriwal, Chief Minister, Govt of NCT of Delhi, Hon'ble Shri Manish Sisodia, Deputy Chief Minister, Govt of NCT of Delhi, and Minister of Higher and Technical Education, for their guidance, support and co-operation, which play a pivotal role in helping DTU attain its highest goals. I take this opportunity to thank the Chief Secretary, Principal Secretary (Finance), Secretary (Higher Education) and Director TTE, for their incessant cooperation by providing grants for the development of DTU. My sincere gratitude to the members of Board of Management, Finance Committee, Planning Board, Academic Council and other committees of DTU for their valuable contribution which enables DTU to achieve its mission.

With best wishes.

Prof. Yogesh Singh
Vice Chancellor, DTU

DOCTOR OF PHILOSOPHY (Ph.D.)

S. No.	Department	Roll No.	Name	PhD Thesis Title
1	Applied Chemistry	2K12/PHDAC/01	Aradhana Sharma	Isolation and Quantification of Psychoactive Substances in Medicinal Formulations

BBA 2017-2020 BATCH

S. No.	Roll No.	Name
VICE-CHANCELLOR GOLD MEDAL RECIPIENTS		
1	2K17/BBA/77	RIDHI KOHLI

BA(H) Economics 2017-2020 BATCH

S. No.	Roll No.	Name
VICE-CHANCELLOR GOLD MEDAL RECIPIENTS		
1	2K17/BAE/04	AAYUSH SHARMA

B.TECH. (EVENING) 2016-2020 BATCH

S. No.	Roll No.	Name
VICE-CHANCELLOR GOLD MEDAL RECIPIENTS		
1	2K16/CECE/18	PANKAJ PRAKASH SINGH
2	2K16/CEEE/114	HARDEEP SAHU
3	2K16/CEEC/158	VIVEK KUMAR GUPTA
4	2K16/CEME/62	MANOJ KUMAR GUPTA

Recipients of Scholarships (2019-2020)

S. No.	Name of Recipient	Roll No.	Name of Scholarship/Medal	Amount (₹)
1.	Sunny Kumar	2K18/CE/123	Class of 1969 Scholarship	60,000/-
2.	Kanak Sharma	2K19/CE/061		60,000/-
3.	Vishesh	2K18/CO/390	Class of 1959 Scholarship	50,000/-
4.	Neil Malhotra	2K18/EE/125		50,000/-
5.	Aryan	2K19/EC/32		50,000/-
6.	Manika Jain	2K19/EE/151		50,000/-
7.	Kartik Bansal	2K18/IT/064	Pramod Jain Merit Scholarship	30,000/-
8.	Shubhang Gopal	2K18/IT/115		30,000/-
9.	Arnav Goel	2K16/EE/028	MRSV Award	50,000/- (To be shared equally by all group members)
10.	Daksh Dobhal	2K16/EE/043		
11.	Kumar Kartikeya	2K16/EE/63		
12.	Manpreet Kaur	2K16/EE/69		
13.	Nakul Dodeja	2K17/IT/74	Fidelity Charitable Grant	30,000/-
14.	Varji Kumar	2K17/EE/229		20,000/-
15.	Yashika Garg	2K17/EE/246		10,000/-
16.	Vaishali Sharma	2K18/EE/233	Hari and Shashi Batra Scholarship	60,000/-
17.	Amartya Sinha	2K18/CE/018	Late Sh. J.L. Pahwa Scholarship	60,000/-
18.	Anubhav Chaturvedi	2K18/EE/035	Goswami Brothers Scholarship	60,000/-
19.	Chetan Shakra	2K19/EC/044		60,000/-
20.	Himanshu Jindal	2K19/EE/110	Neena Nangia Memorial Award	60,000/-
21.	Ayush Garg	2K17/CE/016	Gp. Capt.(Retd.) R.S. Bhola Scholarship	15,000/-
22.	Yogesh Narang	2K18/CO/407	Late Dr. D. Roy Choudhury Memorial Medal	40,000/- + Medal
23.	Anjali Goyal	2K18/EN/009	Rajeshwari Garg Memorial Medal	40,000/- + Medal
24.	Anamika Sarkar	2K18/CECE/05	Passi Family Scholarship	60,000/-
25.	Sushant Sunder	2K18/BT/044		60,000/-
26.	Ishika Jain	2K17/CO/141	Prof. P. Kundu Medal	Medal (To be provided by IEEE DTU)
27.	Naman Jain	2K17/EE/135		
28.	Vivel Goel	2K17/EC/192		
29.	Harshit Gupta	2K17/PS/025		

CHANCELLOR'S GOLD MEDAL

Awarded to the best student (M.Tech./MBA & B.Tech. Programmes) of the university on the basis of his/her overall performance in academics

PRANEESH GUPTA

2K18/SPD/11

M. Tech. (Signal Processing &
Digital Design)
2018-2020

RACHIT GOEL

2K16/PS/33

B. Tech. (Polymer Science &
Chemical Technology)
2018-2020

VICE CHANCELLOR'S GOLD MEDAL

Awarded to the best student in respective discipline (M.Tech., MBA & B.Tech.) of each department of the university on the basis of his/her overall performance in academics

SHALEEN JAIN

2K18/BME/02

M. Tech. (Bio Medical Engineering)
2018-2020

SHUBHAM MITTAL

2K18/BIO/10

M. Tech. (Bioinformatics)
2018-2020

MEDAL RECIPIENTS

PAWAN KUMAR PULIJALA

2K18/CDN/05

M. Tech. (Computational Design)
2018-2020

PRERNA PATEL

2K18/CSE/11

M. Tech. (Computer Science &
Engineering) 2018-2020

AMAN SHARMA

SCHOLARSHIPS / MEDALS / AWARDS

Class of 1969 Scholarship (2019-20)

based on annual family income & CGPA upto 4th Semester and securing more than 8 CGPA upto 2nd Semester in B. Tech. Civil Engineering Branch

SUNNY KUMAR

2K18/CE/123

B.Tech. (Civil Engineering)

KANAK SHARMA

2K19/CE/061

B.Tech. (Civil Engineering)

Pramod Jain Merit Scholarship (2019-20)

for securing highest marks upto 4th Semester in B. Tech. Information Technology Branch

KARTIK BANSAL

2K18/IT/064

B.Tech. (Information Technology)

SHUBHANG GOPAL

2K18/IT/115

B.Tech. (Information Technology)

Class of 1959 Scholarship (2019-20)

based on annual family income & merit

VISHESH

2K18/CO/390

B.Tech. (Computer Engineering)

NEIL MALHOTRA

2K18/EE/125

B.Tech. (Electrical Engineering)

ARYAN

2K19/EC/032

B.Tech. (Electronics &
Communication Engineering)

MANIKA JAIN

2K19/EE/151

B.Tech. (Electrical Engineering)

MRSV Award (2019-20)

for Student innovative project "Lights and Sound Synchronization" and "Design of Controller for Automation of Residential Water Pump Controller" in B. Tech. Electrical Engineering Department Branch

ARNAV GOEL

2K16/EE/028

B.Tech. (Electrical Engineering)

DAKSH DOBHAL

2K16/EE/043

B.Tech. (Electrical Engineering)

KUMAR KARTIKEYA

2K16/EE/063

B.Tech. (Electrical Engineering)

MANPREET KAUR

2K16/EE/069

B.Tech. (Electrical Engineering)

Fidelity Charitable Grant (2019-20)

based on merit, social responsibility, leadership in science & technology and annual family income

NAKUL DODEJA

2K17/IT/074

B.Tech. (Information Technology)

VARJI KUMAR

2K17/EE/229

B.Tech. (Electrical Engineering)

YASHIKA GARG

2K17/EE/246

B.Tech. (Electrical Engineering)

Rajeshwari Garg Memorial Medal (2018-20)

for securing highest CGPA upto 4th Semester amongst female students in B. Tech. Environmental Engineering Branch

ANJALI GOYAL

2K18/EN/009

B.Tech. (Environmental Engineering)

Hari and Shashi Batra Scholarship (2019-20)

for non hostler female student in B.Tech. Electrical Engineering Branch securing highest CGPA upto 4th Semester

VAISHALI SHARMA

2K18/EE/233

B.Tech. (Electrical Engineering)

Prof. P. Kundu Medal (2019-20)

for securing highest CGPA upto 6th Semester in B. Tech. Computer Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering Branch and amongst IEEE DTU student members

ISHIKA JAIN

2K17/CO/141

B.Tech. (Computer Engineering)

NAMAN JAIN

2K17/EE/135

B.Tech. (Electrical Engineering)

VIVEL GOEL

2K17/EC/192

B.Tech. (Electronics &
Communication Engineering)

HARSHIT GUPTA

2K17/PS/025

B.Tech. (Polymer Science &
Chemical Technology)

Late Sh. J. L. Pahwa Scholarship (2019-20)

for securing highest CGPA upto
4th Semester in B. Tech. Civil
Engineering Branch

AMARTYA SINHA

2K18/CE/018
B.Tech. (Civil Engineering)

Neena Nangia Memorial Award (2019-20)

based on annual family income and
merit upto 2nd Semester in B. Tech.
Electrical Engineering Branch

HIMANSHU JINDAL

2K19/EE/110
B.Tech. (Electrical Engineering)

Late Dr. D. Roy Choudhury Memorial Medal (2019-20)

for securing highest CGPA upto
4th Semester in B. Tech. Computer
Engineering Branch

YOGESH NARANG

2K18/CO/407
B.Tech. (Computer Engineering)

Gp. Captain (Retd.) R. S. Bhola Scholarship (2019-20)

for contribution in sports activities
in Delhi Technological University

AYUSH GARG

2K17/CE/016
B.Tech. (Civil Engineering)

Goswami Brothers Scholarship (2019-20)

for securing highest marks upto 2nd & 4th Semester in B. Tech. Polymer Science and Chemical Technology Branch

ANUBHAV CHATURVEDI

2K18/EE/035

B.Tech. (Electrical Engineering)

CHETAN SHAKRA

2K19/EC/044

B.Tech. (Electronics & Communication Engineering)

Passi Family Scholarship

shall be awarded to TWO students (One male and one female) from economically challenged backgrounds of 3rd year in any engineering or computer science discipline based on their academic performance from I to IV semester (At least one of them must be from core Engineering branch).

ANAMIKA SARKAR

2K18/CECE/005

B.Tech. (Evening) (Civil Engineering)

SUSHANT SUNDER

2K18/BT/044

B.Tech. (Bio Technology)

East Delhi Campus

Future Expansion New Academic Blocks

मैं प्रतिज्ञा करता/करती हूँ कि मैं सदैव ही अपनी इस उपाधि के प्रति, जो मुझे आज विश्वविद्यालय द्वारा प्रदान की गई है, पूर्ण निष्ठा रखते हुए उसके सम्मान एवं गौरव की रक्षा करूंगा/करूंगी। मैं अपनी शिक्षा एवं ज्ञान का उपयोग अपने देशवासियों एवं सम्पूर्ण मानव जाति की सेवा के लिये करूंगा/करूंगी। मैं अपने मन, वाणी एवं कर्म से मानव जाति के उच्च आदर्शों की सदैव रक्षा करूंगा/करूंगी। अपने ज्ञान एवं कर्म कुशलता का उपयोग सदैव ही मानव जाति के कल्याण के लिये करूंगा/करूंगी। मैं अपने विश्वविद्यालय के गौरव एवं मानव जाति के लिये पूर्णतया सचेत रह कर आजीवन कार्यरत रहूंगा/रहूंगी।

I solemnly affirm that I shall have an abiding faith in and shall live upto the honour and dignity of the Degree conferred on me by the University. I shall use my knowledge for the service of my countrymen and mankind at large. In my speech, deed and action I shall always uphold the high ideals of humanity. I shall use my knowledge and expertise for the welfare of the people. I shall consciously work for the glory of my Alma Mater and for the dignity of mankind.
