No. F.DTU/Org/AC/Meeting/01(1)/10/Vol-XII   **Dated : 07.05.2021**

Minutes of the 28ᵗʰ meeting of the Academic Council held online on 30.04.2021 at 11:00 a.m.

The following members were present:

1. Prof. Yogesh Singh, Vice Chancellor, Delhi Technological University and Chairperson, Academic Council.
2. Prof. J.P. Saini, Vice Chancellor, Netaji Subhash University of Technology, Delhi (nominee of University Grants Commission)
3. Prof. B.R. Chahar, Professor, Civil Engineering, Indian Institute of Technology, Delhi (nominee of All India Council for Technical Education)
4. Prof. R.S. Mishra, Dean (Outreach & Extension Activities)
5. Prof. Ashutosh Trivedi, Dean (Industrial Research Development)
6. Prof. S.C. Sharma, Dean Academic (PG)
7. Prof. Madhusudan Singh, Dean Academic (UG), Registrar and Member Secretary, Academic Council, DTU
8. Prof. S. Indu, Dean (Student Welfare)
9. Prof. S.K. Singh, Head, Environmental Engineering Department
10. Prof. V.K. Minocha, Head, Civil Engineering Department
11. Prof. S. K. Garg, Head, Mechanical Engineering Department
12. Prof. Rinku Sharma, Head, Applied Physics Department
13. Prof. S. Sivaprasad Kumar, Head, Applied Mathematics Department
14. Prof. Kapil Sharma, Head, Department of Information Technology
15. Prof. Rajni Jindal, Head, Computer Science &Engineering Department
16. Prof. N. S. Raghava, Head, Electronics & Communication Department
17. Dr. Nand Kumar, Head, Department of Humanities
18. Prof. Pravir Kumar, Head, Department of Bio-Technology
19. Prof. Ranganath M. S., Head, Department of Design
20. Dr. Archna Singh, Head, Delhi School of Management
21. Prof. Naokant Deo, In-charge, B.Tech (Evening) Department
22. Prof. Amit Mookerjee, Head, University School of Management and Entrepreneurship
23. Sh. Kamal Pathak, Controller of Examinations
24. Prof. Pragati Kumar, Professor, Electrical Engineering Department
25. Prof. Reeta Wattal, Professor, Mechanical Engineering Department
26. Sh. Rajesh Birok., Associate Professor, Electronics and Communication
27. Dr. M. Jayasimhadri, Assistant Professor, Applied Physics Department

28. Ms. Divya Narayan, Head, Computer Center

Following persons have also been invited to attend the meeting as special invitee:

1. Prof. Nirendra Dev, Director, IQAC
2. Dr. Girish Kumar, Chief Executive Officer, DTU-Innovation and Incubation Foundation
3. Sh. D.P. Dwivedi, Consultant, Finance & Planning
4. Prof. Rajeshwari Pandey, Associate Dean Academic (UG)
5. Dr. Rishu Chaujar, Associate Dean, Academic (PG)

Prof. Neharika Vohra, Vice Chancellor, Delhi Skill & Entrepreneurship University, Dwarka, Delhi; Prof. D.P. Goyal, Director, Indian Institute of Management, Shilong; Prof. Bhim Singh, Electrical Engineering Department, Indian Institute of Technology, Delhi; Prof. Vishal Verma, Dean (International Affairs); Prof. Narendra Kumar (II), Dean (Student Discipline) & Chief Warden; Prof. Rajesh Rohilla, Dean (Alumni Affairs); Prof. Uma Nangia, Head, Electrical Engineering Department; Prof. S.G. Warkar, Head, Applied Chemistry Department could not attend the meeting due to their pre-occupations.

Agenda 28.1 : Opening Remarks by the Chairperson.

Hon'ble Vice Chancellor, Chairperson, Academic Council welcomed all members and special invitees in the 28th meeting of Academic Council. He also welcomed and congratulated Prof. Madhusudan Singh, Dean, Academic-UG on his joining as Registrar, Delhi Technological University. He informed that former Registrar, Prof. Samsher has been appointed as Vice Chancellor, Harcourt Butler Technical University, Kanpur. He therefore, placed on record his services, contributions and valuable support to the University during his tenure.

Further, the Chairman, informed that the University launched a *"Lab on Wheels"* with Wi-Fi and 3D printer facilities. This Lab was inaugurated by Sh. Manish Sisodia, Deputy Chief Minister and Education Minister, Government of Delhi on 21st April, 2021. The students of the University will impart computer knowledge among the students of government schools situated in five nearby villages and inculcate the habit of learning different techniques on computer.

The Chairman also informed that the University has directed the students including international students to vacate the hostels during the current wide spread COVID pandemic as it is difficult to provide medical facilities to the students at this juncture. The University is also exploring the possibilities to provide Isolation facilities for the benefit of its faculty and staff. The University has also started admissions to the Ph.D. programme for the session 2021-22.

Decision : The Academic Council took the action taken report on record.

Agenda 28.4 : To consider and approve the proposal for starting of M. Tech. in Industrial Engineering & Management in the Department of Mechanical Engineering from the academic year 2021-22.

It was submitted to the Academic Council that the Department of Mechanical Engineering submitted a proposal for starting M. Tech in Industrial Engineering & Management from the academic year 2021-22. The department planned to start this M. Tech. programme with an intake of 30 students.

The nomenclature was as per the list of M. Tech courses in AICTE.

The scheme and detailed syllabus were first discussed in workshop conducted in the department, participated by outside experts from Industry academia and all faculty of department. The suggestions given by the members in the workshop had been incorporated.

Further, the modified scheme & syllabus were placed before the Board of Studies of Department of Mechanical Engineering and the comments received in the BoS meeting had also been incorporated and were placed in annexure at page 27 to 59 in the agenda note.

Decision : The Academic Council considered and recommended the proposal for starting of M. Tech. in Industrial Engineering & Management in the Department of Mechanical Engineering from the academic year 2021-22 to the Board of Management for its approval.

Agenda 28.5 : **To consider and approve the proposal for starting of M. Tech. in Energy System and Management under Centre for Energy and Environment in the Department of Mechanical Engineering from the academic year 2021-22.**

It was submitted to the Academic Council that the Department of Mechanical Engineering submitted a proposal for starting M. Tech. in Energy Systems & Management from the academic year 2021-22. The department planned to start this M. Tech. programme with an intake of 30 students.

The nomenclature was as per the list of M. Tech courses in AICTE.

The scheme and detailed syllabus were first discussed in a workshop conducted in the department, participated by outside experts from Industry Academia and all faculty of department. The suggestions given by the members in the workshop had been incorporated.

Further, the modified scheme & syllabus was placed before the Board of Studies of Department of Mechanical Engineering and the comments received in the BoS meeting had also been incorporated. The scheme and syllabus were placed in annexure at page 60 to 102 in the agenda note.

Decision : The Academic Council considered and recommended the proposal for starting of M. Tech. in Energy System and Management under Centre for Energy and Environment in the Department of Mechanical Engineering from the academic year 2021-22 to the Board of Management for its approval.

Agenda 28.6 :   To consider and approve the proposal for starting of M. Tech. in Computer-Aided Analysis and Design in the Department of Mechanical Engineering from the academic year 2021-22.

It was submitted to the Academic Council that the Department of Mechanical Engineering submitted a proposal for starting M. Tech. in Computer Aided Analysis and Design from the academic year 2021-22. The department planned to start this M.Tech. programme with an intake of 30 students.

The nomenclature was as per the list of M. Tech courses in AICTE.

The scheme and detailed syllabus were first discussed in a workshop conducted in the department, participated by outside experts from Industry academia and all faculty of department. The suggestions given by the members in the workshop had been incorporated.

Further, the modified scheme & syllabus were placed before the Board of Studies of Department of Mechanical Engineering and the comments received in the BoS meeting had also been incorporated and were placed in annexure at page 103 to 144 in the agenda note.

Decision : The Academic Council considered and recommended the proposal for starting of M. Tech. in Computer-Aided Analysis and Design in the Department of Mechanical Engineering from the academic year 2021-22 to the Board of Management for its approval with following modification:

In the heading "Essential Qualifications", B.Tech in Engineering Physics and B.Tech in Design to be removed.

Agenda 28.7 : To consider and approve the proposal for change of curriculum scheme of M.Sc. Biotechnology and proposal of Generic Electives Syllabi.

It was submitted to the Academic Council that the department of Biotechnology proposed for change in M.Sc. Biotechnology scheme and also proposed for 10 new Generic Electives (GEs) courses duly approved by BOS of Department of Biotechnology.

The following changes were proposed:

1. The scheme for M.Sc. Biotechnology curriculum shall be altered such that GE1 is offered in Semester II and GE 2 is offered in Semester IV.

2. Ten new GEs courses along with syllabi have been proposed for approval in academic council.

3. The course DCC MSBT 110 Genomics and Proteomics is being shifted to Semester IV and GE 1 being added in semester II.

Reference to the proposal to modify the M.Sc. (Biotechnology) scheme for 2nd and 4th semester as projected in the tables below:

Existing 2nd Semester Scheme					Proposed 2nd Semester Scheme			
S. No.	Subject Code	Course Title	Course Type	Cr	Subject Code	Course Title	Course Type	Credit
1.	MSBT 102	Immunology	DCC	4	MSBT 102	Immunology	DCC	4
2.	MSBT 104	Microbiology and Industrial Application	DCC	4	MSBT 104	Microbiology and Industrial Application	DCC	4
3.	MSBT 106	Genetic Engineering	DCC	4	MSBT 106	Genetic Engineering	DCC	4
4.	MSBT 108	Genetics	DCC	4	MSBT 108	Genetics	DCC	4
5.	MSBT 110	Genomics and Proteomics	DCC	4	MSBT 110	Genomics and Proteomics	GE	4
6.	MSBT 112	Project Proposal Presentation	DCC	2	MSBT 112	Project Proposal Presentation	DCC	2
		Total Credits		**22**			**Total Credits**	**22**
7	MSMA 114	Fundamentals of Computer	SEC	4	MSMA 114	Fundamentals of Computer	SEC	4

Each Generic Elective paper will be of 4 Credits and Students have the choice of taking 2 GE's across the 4 semesters. Each student has to take Generic Electives from Department other than the parent Department. Core/DS

Electives will be offered as Generic Electives. (CBCS Template Structure UG-PG Regular Mode 16-17, 31-Jan-2017.pdf).

The shifting of Generic Elective Ge-1st to 2nd semester will not affect the overall structure/scheme and Credit of the M.Sc. (Biotechnology) program as Genomics and Proteomics Core Course will be shifted to 4th semester from 2nd semester.

Total credits for all M.Sc. programs Physics, Chemistry, Mathematics & Biotechnology is uniform and will remain unchanged:

Total	Core	Generic Electives (GE)	Department Specific Electives (DSE)	Ability Enhancement Courses (AEC)	Skill Enhancement Courses (SEC)
90	70	8	12	4	4

It was pertinent to mention that the proposed shifting of Generic Elective Course will now enable the students pursuing M.Sc. (Chemistry) to opt for these courses as M.Sc. (Chemistry) scheme has GE-1 in 2nd semester and GE-2 in 4th semester.

Hence it was requested to kindly approve the proposed shifting/modification in M.Sc. (Biotechnology) Scheme. The scheme and syllabus were placed in annexure at pages 145 to 153 in the agenda note.

Decision : The Academic Council considered and approved the proposal for change of curriculum scheme of M.Sc. Biotechnology and proposal of Generic Electives Syllabi.

Agenda 28.8 : **Formal registration to following Ph.D. Students upon successful completion of course work and comprehensive examinations and approval of research Plan by respective DRCs.**

It was submitted to the Academic Council that Dean Academic (PG) forwarded a list of **33 candidates** to consider their registration for Ph.D. candidature upon successful completion of course work and comprehensive examinations and approval of Research Plan by respective DRCs. List of the candidates (department-wise) is placed below:

Department of Applied Chemistry

9.	2K18/PHDBT/510	Anand Kumar Pushker	Biotechnology
10.	2K18/PHDBT/509	Richa Nayak	Biotechnology
11.	2K18/PHDBT/506	Indrani Chakraborty	Biotechnology
12.	2K14/PHDBT/03	Divya Joshi	Biotechnology

Decision : The Academic Council approved the cancellation of admissions of above mentioned 12 candidates.

Agenda 28.10 : Rationalization of intake in 05 undergraduate programs (Computer Science & Engg, Information Technology, Software Engg, Mathematics & Computing Engg and Electronics & Communication Engg).

It was submitted to the Academic Council that in the 9th meeting of University Admission Committee held on 01.04.2021 it was decided to rationalize the existing seats of following five programmes as detailed below :-

Branch	Sanctioned Intake (JAC) (2020-21)	Revised Intake (JAC) (2021-22)
Computer Science& Engg(CSE)	450	480
Information Technology Engg(IT)	150	180
Software Engineering(SE)	150	180
Electronics & Communication Engg (EC)	230	240
Mathematics & Computing Engg (MC)	150	180

Decision : The Academic Council considered and recommended the matter of rationalization of intake in 05 undergraduate programs (Computer Science & Engg., Information Technology, Software Engg., Mathematics & Computing Engg. and Electronics & Communication Engg.) to the Board of Management for its approval.

Agenda 28.11 :   **To consider the recommendations of the committee to re-examine the existing rules for change of name of student in academic records.**

It was submitted to the Academic Council that a committee was constituted by the Competent Authority vide office order No F.No 105 No 105(806)/DTU/Policy-ruling name change/2020-21/9996-10004 dated 05 Mar 2021 to re-examine the existing rules for change of name of student(s) in academic records of DTU and also to suggest points to be included in the said rules. A detailed discussion was made by the committee on the existing DTU rules. Subsequent to review of existing rules, the committee went through/referred relevant policies/ rules/documents of other reputed educational institutions/universities like, CBSE, Delhi University & GGSIPU and made following recommendations :-

The cases pertaining to such requests may be divided into two categories: -

(a) **Category `A'- related to Correction.** Correction in name to the extent of correction in spelling errors, factual typographical errors in the candidate's name/ surname, name of father/mother/guardian/date of birth etc. may be considered within 03 years of the declaration of results.

The Scheme of Teaching and Evaluation was placed in annexure at page 154 to 184 in the agenda note.

The selection criteria will be valid GATE score in CS/IT/SW and the eligibility of the candidates will be as follows:

B. Tech./B.E. degree in Computer Science/Computer Engineering/Software Engineering/Information Technology/Mathematics and Computing/Electronics and Communication

OR

MCA/M.Sc. (Computer Science/Information Technology) with Mathematics at B.Sc./BCA Level.

Decision : **The Academic Council considered and recommended the proposal for starting of M. Tech. in Data Science along with Scheme of Teaching and Evaluation in the Department of Software Engineering from the academic year 2021-22 to the Board of Management for its approval.**

Agenda 28.14 : Approval for minor Changes in Scheme of B.Tech Software Engineering.

It was submitted to the Academic Council that with reference the first minutes of the meeting of the HoD (Software Engineering) with all the Class Representatives called by Hon'ble Vice-Chancellor held on 17.03.2021, the competent authority has directed HOD SE to revise the scheme of B.Tech Software Engineering as per the suggestions given by the Class Representatives.

The third meeting of the BOS of the Department of Software Engineering was called to discuss and deliberate on the Scheme of B.Tech (Software Engineering). The following members were present in the meeting:

1. Dr. Ruchika Malhotra HoD, Software Engineering (SE)
2. Prof. N. S. Raghava HoD, ECE
3. Dr. Shailender Kumar, Associate Professor, CSE
4. Dr. Aruna Bhatt Associate Professor, CSE
5. Dr. Abhilasha Sharma Assistant Professor, SE
6. Dr. Divyashikha Sethia Assistant Professor, SE
7. Ms. Shweta Meena Assistant Professor, SE
8. Mr. Dhananjay Deswal, B.Tech SE 3rd Year, Special Invitee
9. Ms. Anushree Mahur, B.Tech SE 3rd Year, Special Invitee

Below changes were recommended by the BOS:

1. As discussed with HOD ECE, Analog Electronics be replaced with Digital Electronics and Digital Electronics with Computer System Architecture (syllabus attached).
2. After deliberated discussion and consideration of suggestions by students the following modifications in the scheme are recommended:

Semester	Current Code	Current Title	New Code	New Title	Current Scheme (New Course)			New Scheme (New Course)

VI	SE302	Software Testing	SE302	Empirical Software Engineering	3	0	2	3	0	2

The list of departmental electives was placed in annexure at page 185 to 191 in the agenda note.

Decision : The Academic Council considered and approved the minor changes in Scheme of B.Tech Software Engineering applicable to the students admitted from 2020-21 onwards.

Agenda 28.15 : To consider the Guidelines to Determine Seniority of the University Teacher in the University/Department/Discipline.

It was submitted to the Academic Council that a meeting of the Committee constituted by the Competent Authority, DTU to determine the seniority of the University Teacher in the department/ discipline and University was held on 01.04.2021 at 04:00 pm & 08.04.2021 at 04.00 pm respectively on online mode. The following members of the committee were present:

1.	Prof. A. Trivedi, Dean (IRD)	Chairperson
2.	Prof. Madhusudan Singh, Dean (UG)	Member
3.	Prof. Nirendra Dev, COF	Member
4.	Prof. Amit Mookerjee, HoD (USME)	Member
5.	Sh. D.P. Dwivedi, Consultant (F&P)	Member
6.	Prof. Samsher, Registrar	Member Secretary

Discussion started taking reference of 16.3 of UGC & 3.3 of AICTE guidelines of implementation of 7th CPC which are as below:

Definitions:
i.   **"University"** means Delhi Technological University (DTU).
ii.   **"Department"** means a department of studies of the university
iii. **"Functional Cluster"** means Industrial research & development, undergraduate studies, post graduate studies, student welfare, alumni affairs, continuing education, outreach and extension activities, international affairs, student discipline and such functional clusters created to deal with such other aspects as the Board of Management deems it necessary.
iv.   **"Dean"** shall be the head of the functional cluster assigned to him and shall be responsible for the conduct and maintenance of the standards of the work in the functions assigned to him.
v.   **"Head"** means head of department.
vi.   **"CAS"** means Career Advancement Scheme
vii. **"University Teacher"** means Professor, Associate Professor and Assistant Professor including Professor, Associate Professor and Assistant Professor of the erstwhile Delhi College of Engineering, working in the university.

16.3   **Inter-se seniority between the direct recruited and teachers promoted under CAS**
       The inter-se seniority of a direct recruit shall be determined with reference to the date of joining and for the teachers promoted under the CAS with reference to the date of eligibility as indicated in the recommendations of the selection committee of the respective

---

candidates. The rules and regulations of the respective Central/State Government shall apply for all other matters of seniority.

3.3 **Inter-se seniority between the directly recruited and teachers promoted**

The inter-se seniority of a directly recruited shall be determined with reference to the date of joining and for the teachers promoted with reference to the date of eligibility as indicated in the recommendations of the selection committee of the respective candidates. The rules and regulations of the respective Central/State Government/UT Government shall apply for all other matters of seniority. Similar issues of seniority between directly selected and under CAS in the past, if any, be fixed on the same basis. The seniority list thus prepared be posted on the institute website.

After detailed deliberations, the following points have emerged.

After taking cognizance of clause 16.3 of UGC & 3.3 of AICTE guidelines for implementation of 7th CPC and considering the other practical aspect, Committee recommended the following for determination of seniority of University Teacher within the discipline/department and at the level of university, also seniority of HODs/Deans:

(A). Seniority (within Discipline)

(i) Date of seniority of the direct recruited University Teacher should be taken from the date of their joining in the university. In case more than one University Teacher joins on the same date then the seniority shall be considered according to the date of birth of the University Teacher. If date of birth is also same then the University Teacher having more experience in university as regular University Teacher shall be the criterion for the determination of seniority.

(ii) The seniority of the University Teacher promoted under CAS shall be from the date of their eligibility in the same discipline as indicated in the recommendations of the selection committee of the respective candidates.

(iii) Regarding the cases where the University Teacher has been selected to the higher post initially through CAS promotion, later also selected through direct recruitment or vice versa, the seniority of such University Teacher will be considered from the earlier date of joining either by CAS or direct recruitment in the same discipline.

(B).   Seniority (within Department)

A department may consist of one or more disciplines. If there is only one discipline then the procedure mentioned at (A) shall be applicable. If there are more than one discipline then seniority shall be determined as

The seniority of Professor/Associate Professor/Assistant Professor in the department shall be maintained separately and shall be determined on the basis of their date of joining in the department. However, in case of different disciplines within the department, the earlier date of joining will be considered for determination of the seniority of the University Teacher. The University Teacher joining on an earlier date shall be senior to the later. In case more than one University Teacher joins on the same date then the seniority shall be considered according to the date of birth of the University Teacher. If date of birth is also same then the University Teacher having more experience in university as regular University Teacher shall be the criterion for the determination of seniority.

(C).   Seniority (University level)

The seniority of Professor/Associate Professor/Assistant Professor in the university shall be maintained separately and shall be determined on the basis of their date of joining in the university. However, in case the date of joining of the University Teacher working in different discipline/department is same then the date of birth will be taken for determination of the seniority. The person of earlier date of birth shall be senior to the later one. In case more than one University Teacher joins on the same date then the seniority shall be considered according to the date of birth of the University Teacher. If date of birth is also same then the University Teacher having more experience in university as regular University Teacher shall be the criterion for the determination of seniority.

(D).   Inter-se Seniority of Head of Departments and Deans

i.   Seniority of the Head of the Departments shall be determined on the basis of total cumulative tenure of Headship in DTU/DCE irrespective of the gap between tenures.

ii.   Seniority of the Deans shall be determined on the basis of total cumulative tenure of Deanship in DTU/DCE irrespective of the gap between tenures and functional cluster.

(E). Substantive position - Professor/ Associate Professor/ Assistant Professor

    (i) If the University Teacher is appointed on direct recruitment but later promoted under CAS, in such cases the substantive post shall be the post on which University Teacher has been directly recruited.

    (ii) If the University Teacher is appointed on CAS but later he is promoted under direct recruitment on the later date within discipline, in such cases the substantive post shall be post on which University Teacher has been directly recruited.

    (iii) If the incumbent University Teacher of any discipline joins other discipline on direct recruitment, his seniority shall be decided according to the seniority of Professor/Associate Professor/Assistant Professor in the new discipline. He will hold the substantive post in the new discipline.

(F). Power to remove difficulties:

    (i) Subject to the provisions of the Act, Statues and Ordinances, the issues not covered or in the event of differences of interpretation, the Vice Chancellor may take a decision. The decision of the Vice Chancellor shall be final.

    (ii) In special circumstances, the Vice Chancellor may approve amendment, modification, insertion or deletion which in his opinion is necessary or expedient for the smooth running of the university.

Decision : The Academic Council considered and recommended the Guidelines to Determine Seniority of the University Teacher in the University/Department/Discipline to the Board of Management for its approval.

Agenda 28.16 : Matter for Ratification.

    i. **Ratification for M. Tech. Part-Time Eligibility criteria for the academic session 2021-22.**

        It was submitted that the Revised Eligibility criteria for M. Tech. Part-Time students for the academic session 2021-22 is as under:

Existing Eligibility Criteria	New Eligibility Criteria
"Only employees of Public Sector	*"Faculty or Scientists from Educational*

Undertakings or Government Departments or Educational & Research Institutions are eligible for admission to these programmes."	*Institutions, R&D organizations, and Government Department/Public Sector Undertaking/Candidates from industry of high repute and a medium sized enterprise with turnover Rs. 75 crores or above along with standing commitment to the exemplary standards namely ISO/CMM level 3 or similar standard of respective area provided that the applicant possesses the minimum eligibility qualifications for the degree."*

ii.   Degree offered in B.Tech (Software Engineering) and M.Tech (Software Engineering).

It was submitted to the Academic Council that the Competent Authority has approved that the degree offered by this University in B.Tech (Software Engineering) is equivalent to B.Tech (Computer Engineering) for recruitment and teaching positions.

Further, it was also approved that the degree offered by this university in M.Tech (Software Engineering) is equivalent to M.Tech (Computer Science and Engineering) for recruitment and teaching positions.

     iii.   **Fee Structure for various UG/PG programmes 2021-2022.**

The Competent Authority had approved the fee structure for all UG/PG programmes running in the University for the Academic Year 2021-22. Fee structure for all programmes had been notified vide no. F.DTU/Reg/Uni.Adm.Com./2021-22/6809 dated 07.04.2021.

The Fee Structure is placed in *Annexure at pages 01 to 15.*

Decision : The Academic Council ratified the above three actions taken by the University.

Agenda 28.17 :   Any other item with the permission of the Chair.

Following other matters were considered and approved.

1. Admission Brochure of Doctor of Philosophy (Ph.D) programme for the session 2021-22 has been approved by the Academic Council.

2. The student intake in Bachelor of Design (B.Des) programme has been increased from 95 to 120 from the session 2021-22.

The meeting ended with a vote of thanks to all the members and special invitees.
