### **Message from the Hon'ble Vice Chancellor**

On behalf of the entire academic community at Delhi Technological University, I extend a warm and heartfelt welcome to all aspirants who have chosen to be part of this distinguished institution. The university has a history of transformative intellectual and professional growth, which reflects the ambition and foresight of its academics.

DTU stands today as a beacon of higher education in India, built upon a foundation of rigorous scholarship, technological innovation, and an unwavering commitment to societal progress. As we navigate an era defined by rapid technological disruption, artificial intelligence, and a reimagining of global economic structures, the university stands true in preparing its graduates not to be merely skilled but truly future-ready individuals capable of leading change with wisdom, integrity, and purpose.

Delhi School of Management (DSM), with its meticulously designed MBA (Executive) programme embodies this philosophy. The programme has been crafted to develop in you a rare amalgamation of analytical rigour, creative thinking, ethical grounding, and leadership acumen. These are not merely academic offerings but pathways designed to shape the managers and entrepreneurs who will define tomorrow's organisations and institutions.

I invite you to immerse yourself fully in the opportunities this university offers — academic, extracurricular, and beyond. Engage with your peers, challenge your assumptions, and contribute meaningfully to the world around you. The legacy of DTU's alumni, who serve with distinction across industries and continents, is both an inspiration and a standard. I have every confidence that you will carry this legacy forward with honour and distinction.

I extend my best wishes and look forward to welcoming you to the DTU fraternity.

### **Message from the Head of Department**

It gives me great pleasure to welcome aspiring professionals to the MBA (Executive) Programme at the Delhi School of Management (DSM), Delhi Technological University (DTU).

In an era characterized by rapid technological advancement, digital transformation, global interconnectedness, and evolving business models, organizations require leaders who can navigate complexity, drive innovation, and create sustainable value. For working professionals, continuous learning has become essential not only for career progression but also for remaining relevant in an increasingly dynamic business environment.

The MBA (Executive) Programme at DSM has been thoughtfully designed to address these contemporary challenges and opportunities. The programme provides experienced professionals with a platform to strengthen managerial capabilities, broaden strategic perspectives, and develop leadership competencies while continuing their professional commitments. Through a rigorous curriculum, contemporary pedagogy, and strong industry engagement, the programme equips participants with the knowledge and skills needed to lead effectively in today's competitive landscape.

At DSM, we believe that management education must extend beyond the acquisition of functional expertise. It should foster critical thinking, analytical ability, ethical decision-making, and the capacity to manage change. Our Executive MBA curriculum integrates foundational management concepts with emerging areas such as digital business, data-driven decision-making, innovation, entrepreneurship, sustainability, and strategic leadership, ensuring that participants remain prepared for the demands of the future.

The learning experience is enriched through case studies, experiential projects, industry interactions, seminars, workshops, and peer learning among professionals from diverse sectors and backgrounds. The exchange of ideas and experiences within the classroom creates a vibrant ecosystem that enhances both personal and professional growth. Supported by a distinguished faculty, accomplished alumni, industry experts, and a strong academic culture, participants gain valuable insights that can be directly applied to organizational challenges.

As a leading institution committed to excellence in management education, DSM seeks to nurture leaders who combine professional competence with integrity, social responsibility, and a commitment to lifelong learning. We encourage our participants to become catalysts for positive change within their organizations and society at large. I warmly invite ambitious professionals to join the MBA (Executive) Programme at DSM, DTU, and embark on a transformative journey of learning, leadership, and career advancement. I look forward to welcoming you to our vibrant academic community and wish you every success in your future endeavours.

(Dr. Saurabh Agrawal)  
Head of Department

## ABOUT DTU

Delhi Technological University (DTU), formerly known as Delhi College of Engineering (DCE), has a distinguished legacy spanning over 82 years in engineering, technology, research, and innovation. Established in 1941 as Delhi Polytechnic, it was founded to address India's growing need for technically skilled professionals. Initially offering multidisciplinary Programmes in engineering, architecture, arts, and commerce, DTU was affiliated with the University of Delhi in 1952 and introduced formal degree Programmes. Over the years, several prestigious institutions, including IIT Delhi, the School of Planning and Architecture (SPA), and the Faculty of Management Studies (FMS), originated from its departments. In 2009, DCE was upgraded to Delhi Technological University, gaining autonomy to evolve as a premier technological institution.

As a leading teaching and research university, Delhi Technological University (DTU) offers 16 undergraduate, 27 postgraduate, and Ph.D. Programmes. DTU has been accredited with an “A<sup>+</sup>” grade by the National Assessment and Accreditation Council (NAAC), achieving a CGPA of 3.47 in its second cycle. With two campuses and 16,033 students, DTU boasts eminent faculty, a strong research impact (h-index: 128), and impressive placements, ranking among the top five institutes in India. It secured the 27th position in NIRF (Engineering) and 48th in the university category. Ranked 801-1000 globally by THE (Times of Higher Education) 2025, DTU published 1,612 Scopus-indexed papers in 2024, reinforcing its academic excellence.

### VISION

## Rankings, Accreditations, and Awards

### RANKINGS

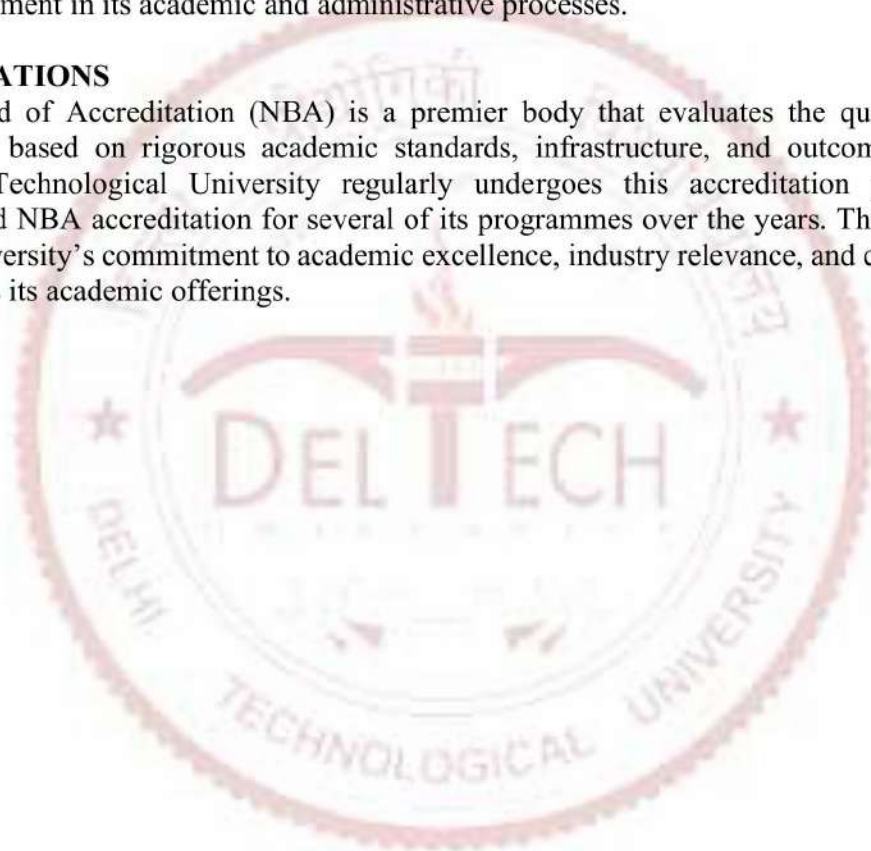

Delhi Technological University (DTU) has consistently been ranked among the best 10 engineering institutions in India, as per the various Independent Surveys on the country's Best Engineering Institutions. In 2025, India Today ranked us 7th in the University category and 9th amongst Government Engineering Colleges. The 2025 NIRF Rankings placed Delhi Technological University at the 30th position among engineering institutions.

### NAAC ACCREDITATIONS

Delhi Technological University (DTU), formerly known as Delhi College of Engineering, received its second cycle NAAC accreditation in 2025, achieving a Cumulative Grade Point Average (CGPA) of 3.47 and A+ grade. These accreditations reflect DTU's commitment to maintaining high educational standards and continuous improvement in its academic and administrative processes.

### NBA ACCREDITATIONS

The National Board of Accreditation (NBA) is a premier body that evaluates the quality of technical education in India based on rigorous academic standards, infrastructure, and outcome-based learning processes. Delhi Technological University regularly undergoes this accreditation process and has successfully secured NBA accreditation for several of its programmes over the years. These accreditations underscore the University's commitment to academic excellence, industry relevance, and continuous quality enhancement across its academic offerings.

Got success at Vimarsh 2023 5G Hackathon, securing the prize of ₹1.5 Lacs for their groundbreaking drone technology

Startup Horse's Mouth Awarded the prestigious TIDE 2.0 Grant from Venture Lab, Thapar University, Patiala

### Programmes offered in Innovation

#### (a) DTU-IIF Incubation Programmes-

Empowering innovators and entrepreneurs at DTU-IIF to turn visionary ideas into impactful ventures.

#### (b) Nidhi iTBI-DST

NIDHI iTBI DST fuels women-led startups with financial support for early-stage growth and investment readiness.

#### (c) Startup India Seed Fund Scheme (SISFS)

SISFS provides financial aid to startups for development, trials, and market entry through incubators.

#### (d) NASSCOM

NASSCOM Foundation's programs drive tech-led social change through education, skilling, and digital inclusion initiatives.

## Centres of Excellence

### 1 Vinod Dham Centre of Excellence for Semiconductors and Microelectronics

The Vinod Dham Centre of Excellence for Semiconductors and Microelectronics (VDCoE4SM) at Delhi Technological University (DTU) center is dedicated to advancing training and research in semiconductor technology and integrated circuit (IC)

### 2 Centre of Excellence for Electric Vehicles and Related Technologies

The centre will help in developing an eco-system for transformation from a traditional to eco-friendly transportation system. State-of-the-art facility for training & testing will be created to carry out interdisciplinary research in Electric Vehicles and associated areas.

### 3 Nodal Center for Excellence in Energy Transition (NCEET)

It is dedicated to advancing research and development in clean energy technologies, aligning with India's commitment to sustainable energy solutions

### 4 Center of Excellence in Disaster Risk Reduction

Taking the lead in disaster risk reduction, Department of Civil Engineering, Delhi Technological University (DTU) is proposing to establish a Center of Excellence in Disaster Risk Reduction (COEDRR)

## CENTRES OF EXCELLENCE

### 5 Entrepreneurship Development Centre (EDC)

The aim of the centre is to develop an institutional mechanism to create entrepreneurial culture in science and technology and to foster techno entrepreneurship and knowledge enterprise development for generation of wealth and employment by personals. The centre guides the budding students to pursue entrepreneurship as their career.

### 6 Centre of Excellence for The Science of Happiness

The primary mission of DTU's Centre is to promote research, training, and education focused on well-being for both students and faculty.

### 7 Center for Community Development and Research (CCDR) rief, Mindful Breaks

This center at Delhi Technological University was established with a vision to promote sustainable livelihoods, inclusive growth, and environmental sustainability while addressing the needs of local and marginalized communities.

### 8 Multidisciplinary Centre for Geoinformatics (MCG)

The MCG has been established with the vision to be a world class multidisciplinary center in the field of geospatial and geoinformatics education, research and consultancy.

## About DSM

The Delhi School of Management (DSM) was established in 2009, following the acquisition of university status by the Delhi College of Engineering (DCE), which was officially renamed as Delhi Technological University (DTU) through legislation passed by the Delhi State Assembly. DSM envisages developing socially responsible and ethically driven innovative managers and future leaders by providing excellent world-class education. DSM was established with a vision of inculcating a penchant for innovation, research, and experimentation in aspiring managers. DSM aims to extend the seven-decade-long legacy of DCE (now DTU) by incubating and developing managers and leaders who are adept at identifying pertinent and critical business problems and applying their technical skills and competencies to solve those issues. To train its students to face the challenges of an information- and knowledge-driven work environment, DSM provides them with the Triple E: *Education, Experience, and Exposure*. DSM strives to instill managerial competence in its students through specialised knowledge and skills, in order to fulfil its role as a vibrant and model institution capable of imparting quality education in the field of Management Studies.

The curriculum is designed to meet the requirements of the present-day technology-intensive business functions. The students are equipped with management knowledge to navigate the complex, global, and dynamic business environment. Internships and field projects are integral to the curriculum. DSM also encourages students to form committees/forums that undertake different activities. The emphasis is on striking the right balance between classroom learning, hands-on experience in the corporate world, and sharing the rich experiences of practitioners. To provide students with the required exposure, DSM brings them into close contact with industry executives and eminent academicians through a series of lectures, sponsors students to conferences and seminars, and facilitates their participation in paper and case study competitions. Overall, DSM aims to develop and inculcate knowledge, skills, and the right attitude with responsibility, commitment, professionalism, moral & ethical standards amongst the students.

### Vision

To be among the leading world-class management education and research institutions for meeting the contemporary and emerging challenges of business and society.

### Mission

- To develop socially responsible and ethically driven innovative managers and future leaders.
- To evolve a system of quality education and research in management through sustained institutionalized efforts of students and faculty.
- To equip the students with contemporary and emerging developments in the field of management.

## **About Master of Business Administration (Executive) Program**

MBA (E) Programme is a two-year weekend programme spread over four semesters, which combines grueling academic schedules with proactive efforts to develop new perspectives and a higher level of knowledge and understanding.

The Programme focuses on inculcating effective managerial and leadership skills. The first year of the programme offers core courses to develop the right attitude, knowledge and skills which are essential for a leader in the long term. The elective courses offered in the second year give students an opportunity to delve deeper into their respective areas of specialization and thus cater to the role and sector-specific career objectives. Our MBA (Executive) graduates can have dual specialization.

### **Specializations Offered:**

- **Operations and Supply Chain Management**
- **Finance**
- **Human Resource Management**
- **Marketing Management**
- **International Business**
- **Information Technology Management**
- **Entrepreneurial Management**
- **Business Analytics**

*However, as per the policy, a particular elective paper shall be offered only as per the University norms. The department may also restrict certain combinations of specialisations/electives, keeping in view industry trends, job opportunities, and students' preferences.*

## Why MBA (Executive) from DSM?

### DSM - Your Path to Excellence

### Beyond Academics – Events @ DSM

Various clubs and committees within DSM organise events throughout the year. These events reflect the diverse interests of our student community, encompassing entrepreneurship, industry engagement, skill development, community welfare, and professional development.

### Entrepreneurial Initiatives

The E-Cell actively promotes an entrepreneurial mindset among students through a series of engaging and practical initiatives. Key activities include Business Plan competitions that provide a platform for students to develop and present innovative ideas, enhancing their strategic thinking, financial planning, and pitching skills.

The club also organizes insightful guest lectures and E-Talks by industry experts and entrepreneurs, offering valuable perspectives on startup funding, business strategy, and venture creation. These interactions help bridge the gap between academic learning and real-world business challenges. Through competitions, expert sessions, and experiential learning opportunities, the E-Cell plays a vital role in strengthening students' entrepreneurial capabilities, industry awareness, and readiness to become future business leaders.

## HR-Focused Initiatives

Netritva, the Human Resource Club, plays a vital role in enhancing students' HR and analytical competencies through diverse and engaging initiatives. Key activities include events like Case-a-thon and Guesstimates, which develop problem-solving, reasoning, and strategic thinking skills.

The club also conducts HR-focused workshops and hosts an HR Conclave featuring industry experts, providing valuable insights into recruitment, leadership, and evolving workplace practices. Interactive activities such as the HR Escape Room Challenge further promote teamwork and practical application of HR concepts.

Overall, Netritva contributes significantly to students' development by fostering leadership, empathy, and industry-relevant HR skills.

## Finance-Oriented Events

Finesco, the finance club, organized a range of impactful activities during the year to enhance students' financial knowledge and industry exposure. Key initiatives included expert sessions on Artificial Intelligence in finance, workshops on investment literacy—particularly empowering women students—and guest lectures by industry experts on taxation, GST, and mergers & acquisitions. The club also conducted a Finance Case Competition to strengthen analytical and strategic skills.

Beyond campus, Finesco contributed to community development through a Financial Literacy Program at Sarvodaya Kanya Vidyalaya, promoting awareness of money management among young learners. Students also actively participated in the National Financial Literacy Quiz (NFLQ) 2026, reflecting their growing interest in financial awareness.

Overall, through community outreach, expert interactions, and competitive learning platforms, Finesco has significantly enriched students' MBA journey by enhancing financial competence, strategic mindset, and industry readiness.

Students also actively participated in the college round of the National Financial Literacy Quiz (NFLQ) 2026, an initiative by SEBI and NISM to promote financial awareness among youth. The competition provided a valuable platform for students to enhance their knowledge of financial concepts and showcase their analytical skills. Their enthusiastic involvement reflects a growing interest in financial literacy as an essential life skill.

## ***Alumni Engagement & Mentorship***

The Alumni Relations Committee (ARC) plays a pivotal role in strengthening connections between students and alumni through meaningful engagement initiatives. Events like *Sangam 2025* and interactive alumni sessions provide students with valuable networking opportunities, mentorship, and insights into diverse career paths.

Flagship initiatives such as Pitch-A-Thon offer a platform for students to present innovative ideas and enhance their pitching skills, while also gaining exposure through interactions with alumni from leading organizations.

Overall, ARC significantly contributes to students' professional growth by fostering industry connections, mentorship, and career readiness.

## **Industry Exposure and Experiential Learning**

The Industrial & Academic Research Committee (IARC) actively promotes industry exposure, innovation, and research-driven learning among students. Key initiatives include industrial visits to organizations like Mother Dairy and NSE India, providing practical insights into operations, supply chain management, and financial markets.

Flagship events such as PitchCraft 2.0, focused on AI-driven business solutions, offer students opportunities to apply innovative thinking, enhance strategic and pitching skills, and engage with industry experts. Through industry interactions and experiential platforms, IARC effectively bridges the gap between academic concepts and real-world applications, preparing students for the evolving business landscape.

### Skills Development and Career Readiness

The PR Club plays a vital role in enhancing students' professional development, communication skills, and industry readiness through diverse initiatives. Its *'Beyond Book Hours'* weekly Programme promotes continuous learning beyond the classroom, focusing on practical skill-building and engagement. The club organizes workshops and expert sessions on areas such as resume building, corporate readiness, data analytics, fintech, AI, and entrepreneurship, providing students with valuable industry insights. Industrial visits and interactive activities further strengthen experiential learning and teamwork.

Overall, the PR Club fosters holistic development by integrating academic enrichment, skill development, and industry exposure, preparing students for successful professional careers.

### ***Creativity and Student Life Enrichment***

Z-axis organized a ‘Photography Workshop’ in March 2025, enriching the creative and technical competencies of students. This hands-on session provided practical training in photographic techniques and visual storytelling, catering to students interested in developing multimedia and visual communication skills.

### ***Sustainability and Environmental Responsibility***

Sanrakshan, the eco-club, demonstrated a strong commitment to environmental and social responsibility through a ‘Cleanliness & Plantation Drive’ organized on 18<sup>th</sup> August 2025. The initiative brought students together for a meaningful sequence of activities including a sustainability pledge, a cleanliness drive, and a plantation drive, reinforcing the message that small actions can create lasting impact. By combining environmental conservation with community service, the event fostered values of sustainability, civic consciousness, and collective ownership of a cleaner, greener campus, encouraging students to “be there and be the change.”

One of Netritva’s meaningful social initiatives was a donation drive for the needy, reflecting a strong spirit of empathy and social responsibility. Such efforts help students appreciate the human side of management and the broader, interdisciplinary nature of sustainability, where people, wellbeing, and equity are central. By engaging directly with community needs, students develop sensitivity, ethical awareness, and inclusive leadership qualities that are particularly vital for HR and people-centric roles.

## Mani-Fest 2026

Mani-Fest 2026, the annual management fest of the Delhi School of Management (DSM), Delhi Technological University, was organized on 27th–28th February 2026 under INVICTUS 2026, DTU's flagship techno-management festival, bringing together students, industry professionals, and participants from various institutions to celebrate innovation, leadership, and managerial excellence. The fest provided a dynamic platform for industry interaction, intellectually stimulating competitions, and practical exposure to real-world business challenges through engaging speaker sessions, panel discussions, and events that fostered analytical thinking, creativity, and strategic decision-making.

### Day 1: E-Talks'26 & Competitions

The first day of Mani-Fest 2026 commenced with *E-Talks'26*, organized by the Delhi School of Management (DSM), Delhi Technological University, featuring engaging sessions by industry leaders and entrepreneurs who shared insights on entrepreneurship, leadership, and navigating corporate challenges. The interactive sessions provided students with valuable industry exposure and direct engagement with experienced professionals. The speakers were Ankit Garg (CEO, Eemu Masale); Pankaj Dubey (Founder & CEO, DSPIN Consulting); CA Tushar Makkar (Audit & Finance Expert); Rohit Thakur & Anmol Pandey (Co-Founders, Future Animations). The day also featured competitions such as *Black Ops – The Treasurer Hunt*, organized by Arth (Operations & Supply Chain Management Club, DSM), which tested financial acumen and problem-solving skills, and *The 360° Product Leadership Challenge*, organized by ITech (IT & Analytics Club, DSM), focusing on product strategy and innovation.

### Day 2: HR Conclave'26, Competitions, Stalls & Cultural Evening

The second day of Mani-Fest 2026 (28th February 2026) featured *HR Conclave'26*, organized by Netritva – The HR Club of DSM, centered on the theme “*Aligning Aspirations with Workplace Realities.*” The conclave brought together eminent HR leaders, including Dr. Sanjeev Dixit (Former CHRO, Jindal Shadeed Iron & Steel) and Ms. Lipika Verma (VP–HR, Schneider Electric), who shared insights on workplace dynamics, talent management, and the evolving role of HR.

The day also hosted key competitions such as *Crisis Catalyst – The Corporate Turnaround Simulation* by IARC, *Stratedge – The Marketing Growth Challenge* by MCube, and *M&A StrategE* by Finesco in collaboration with Assets (DTU), focusing on strategic thinking, marketing innovation, and mergers & acquisitions.

A vibrant lineup of *Stalls & Engagement Activities* added energy to the fest, with initiatives like *Brand Bazar* (MCube), *ARCade* (ARC), *Money Mayhem* (Finesco), and *Abhigyaan* (Sporticus) offering interactive and competitive experiences. Unique efforts such as the *Period Cramp Simulator* by PRC in collaboration with NGO Bandishe promoted social awareness, while *Chill n Cheer Corner* by EMC provided a recreational space for participants.

The day concluded with an energetic *Cultural Evening* at the Open Air Theatre (OAT), featuring a live performance by Somil Kansal followed by a DJ Night by DJ Mini, bringing together students for a memorable celebration.

## OUR PROMINENT RECRUITERS

## Alumni Testimonials

**Adarsh Kumr**  
**2024-26 – EMBA**

“The EMBA program at the Delhi School of Management (DSM) provided a truly transformative experience. The meaningful environment fosters value-based leadership, ethical qualities, and a sense of social purpose, training us to work towards sustainable solutions for problems at large.

Collaborating with a diverse group of talented peers in multi-disciplinary teams was invaluable for enhancing my interpersonal and communication skills. Most critically, the strong emphasis on conceptual framework-based learning equipped me with the ability to apply core business concepts and essential managerial and technical tools to complex decision-making, which has become a powerful foundation for my professional journey.”

**Lt Col Arun Singh Rawat**  
**2024-26 – EMBA**

“Pursuing my Executive MBA at DSM has been a highly enriching and rewarding experience. I joined the 2024 batch and since then the program has provided a balanced combination of academic knowledge and practical business insights while enabling me to continue my professional responsibilities.

Returning to academics after many years was initially a challenge however the strong support of the faculty and the encouragement from a diverse peer group helped me adapt and progress successfully. Coming from a Defence background I particularly valued the opportunity to engage with professionals from varied industries which enhanced my understanding of different perspectives and real-world business situations.

The diverse peer group remains one of the key strengths of the program fostering meaningful discussions and collaborative learning. The faculty members are experienced and supportive and the curriculum is well-designed to develop managerial competence and effective decision-making skills. The course requires consistent effort but it offers significant learning and plays an important role in enhancing both personal and professional capabilities.”

**Abhijeet Gokhale**  
**2013-2015 Batch - EMBA**

“MBA (Executive) at DSM DTU is like a fast pace edge of the seat thriller. The sessions are layered and riveting, which keeps entire class focused and energetic. The faculty is extremely knowledgeable yet so humble and approachable. Curriculum is filled with case methods, class room discussions, assignments, projects and much more. The most important learning comes from fellow students who are from diverse fields and share their life and work-related experiences. I am thankful to faculty of DSM DTU to have given me opportunity to be part of this family. I would recommend this Institute to all EMBA aspirants.”

**Nitin Gupta**  
**2018-2020 Batch - EMBA**

“The EMBA from DSM is undoubtedly the pre-eminent and a rigorous Programme which focuses on personal growth and enriches one’s real-life industry insight. It enables one’s vision towards the industry. I had an incredible experience at DSM which have unmatched faculty who are extremely cooperative and supportive.

Moreover, the campus environment is extremely competent where learners feel comfortable, encouraged, and inspired which motivates individual to achieve the ladder of success. Coming from a technical background acquiring the knowledge of economics, accounts and management enabled me to reshape my thinking process and broadened my horizon of knowledge. I had a wonderful journey at DSM and I recommend this course as it opens many avenues for learners”.

**Omdeep Rai**  
**Regional Manager Amazon Operations**  
**2018-2020 Batch - EMBA**

“My days with DSM were great. Faculty members are very supportive and kind. We being working professionals, had other engagements to which entire DSM team was flexible and nurturing. We were also provided appropriate study material and even recommended books were easily available in central library. I had an exceptional learning experience during my two-year association with DSM. Thank you everyone for your continuous support and guidance.”

**Sanchai Murti**  
**2021-23 BATCH-EMBA**

“Learning is Dynamic and is never ending, while working, Executive MBA at DSM is a right Blend for working professionals to enhance their knowledge. The curriculum at DSM based on the Class room presentations, case studies, Minor and Major projects help you to learn various aspects of Management. The learnings from the course have a wider relevance in your decision-making ability

at work and to sharpen your skills. Added the campus vibes gives you immense opportunity for your overall personality development. The experience of regular and Guest faculty and their mentoring during the two-year Programme helps you to develop insights of the subjects. I am a proud to be associated with DSM, DTU and surely recommend this course.”

**Viresh Singla**  
**2014-16 Batch - EMBA**

“Executive MBA Programme from DSM DTU is a milestone in my life. This Programme has helped me grow professional and personally by enhancing my decision-making skills through Analytical thinking. Getting the academic rigor from Experienced faculty member and a class full of variety of profile from diversified backgrounds, with vast experience, is a perfect platform to enhance your knowledge and take career to next level. I highly recommend this Programme and am proud to be an Alumni.”

**Dishant Nagpal**  
**2017-2019 Batch - EMBA**

“Since completing the E-MBA Programme from DSM, I can truly say that it has reinvigorated my way of thinking in the business world and has provided several tools that can be applied to my daily job. It was an intense but instructive time, peppered with countless exciting anecdotes from the lecturers, which I brought into our lunch break discussions at work. The quality of teaching, infrastructure, staff and overall learning experience was the best in class. I found the faculty to be particularly engaging and welcoming in the exchange of ideas and thoughts”

**R. Srinivas Krovvidi**  
**2021-23 BATCH – EMBA**

“Executive MBA Programme at DSM of Delhi Technological University is a rigorous program, which has helped me to get better understanding about the Corporate World. All the faculty are sincere, humble and well qualified with rich research and teaching experience. The faculty here encourage active participation of the students and their focus is on current corporate issues and case studies.

The class comprises participants from diversified fields with rich experience. This course has broadened my knowledge. It was a wonderful journey for me and I am thankful to DSM faculty and recommend this course which will definitely enhance management skills.
